Copy of the extract of Reso. No. 70 of Academic Council's meeting held on 30.10.2026

70. To apprise the action taken by the Vice-Chancellor regarding clarification in coding of Internship in UG Programs.

As per the Curriculum Structure for UG Programs, a student is required to complete an Internship in the 5th semester in accordance with the MDU Internship Regulations. The University is receiving various queries from the Directors/ Principals of the UTDs/affiliated Colleges seeking clarification regarding subject/ internship booking on the ERP Portal of those students who are pursuing Internship/who have completed an Internship in 5th semester in UG Program. Further, to avoid hardship to the students/UTDs/Affiliated Colleges, the matter has been considered by the Vice- Chancellor and he has approvedas under:

The subject code assigned to Internship in UG 5th semester in the Scheme of Examination or on the online portal is related to the Major discipline irrespective of the field/discipline in which a student is pursuing/completed internship. The UTD/College may select any internship code related to any major discipline of UG Multidisciplinary Program on the online portal for the purpose of subject booking/uploading of marks. The same clarification is also applicable to UG Single Major Program.

For Example: A student pursuing B.Sc. (Life Sciences) and opted for three major subjects as Botany, Zoology and Chemistry/ Geology and completed internship in Artificial Intelligence in any company, then the UTD/College may select any internship code related to Botany, Zoology and Chemistry/ Geology on the online portal for the purpose of subject booking/ uploading of marks.

Accordingly, the office has conveyed/circulated the same to all concerned vide letter No. ACS-I/II/III/2026/31498-99 dated 24.09.2026 (**Annexure A/129 page 2237, already circulated**).

The Academic Council considered the above; and
