Note of Dissent  

My note of dissent regarding point No - 1

The decision taken by D.C regarding examination duties in which casting pattern of duties has been contemplated, is against the university norms. Since some of the faculty members of dept. are exempted from these duties without any causes and reasons. I raised this issue in the meeting, but the same has not been recorded in the minutes.

I humbly request to the chairman / members of the D.C to reconsider the decision in light of university ordinance & duties of instructor be distributed among all faculty members of the dept. equally and in justified manner. The copy of minutes may also be sent to COE for FNA.
