## CENTRE FOR DISTANCE AND ONLINE EDUCATION

**Director : Prof. Nasib Singh Gill**

Realizing the important role of education in the overall national development, the Maharshi Dayanand University, Rohtak established a Correspondence cell in 1988 for imparting education through “Correspondence Course” leading to the award of B.Ed. degree. The University, with the passage of time and development of technology and requirement of Society, upgraded the Correspondence cell to the level of Directorate and expanded tremendously to offer a wide spectrum of courses through a network of Study Centers. With the amendment in the Maharshi Dayanand University Act in the year 2012, the Directorate restricted delivery of its courses to distance learners from its Headquarters and is providing opportunities for higher education to a large segment of population especially disadvantaged groups living in remote and rural areas, housewives and working people. From 01.04.2022, the name of the Directorate of Distance Education has been changed to Centre for Distance and Online Education.

The Centre for Distance and Online Education is creating, preserving, and disseminating knowledge to build competitive capability for holistic development of man and society. The various programmes offered by the Centre for Distance and Online Education range from conventional to professional as per needs of the area and employment opportunities available in the country. In order to meet growing demand of open and distance learning, the CDOE has acquired resources for further access to rural areas. The CDOE is contributing significantly towards achieving the national objective of providing quality education to one and all with a motto to reach the unreached by offering useful distance education programmes to learners belonging to different parts of the State/Country.

The Centre for Distance and Online Education is presently offering following popular Undergraduate/Postgraduate programmes through Open and Distance Learning Mode and Online Mode:

### **Open and Distance Learning Programmes:**

1. Bachelor of Arts
2. Bachelor of Commerce
3. Master of Arts (Hindi)
4. Master of Arts (English)
5. Master of Arts (Sanskrit)
6. Master of Arts (Economics)
7. Master of Arts (Public Administration)
8. Master of Arts (Political Science)
9. Master of Arts (History)
10. Master of Arts (Journalism and Mass Communication)
11. Master of Library and Information Sciences
12. Master of Commerce
13. Master of Science (Mathematics)

### **Online Programmes :**

1. Master of Commerce

## 2. Master of Science (Mathematics)

All the programmes are based on carefully designed curriculum, well planned teaching learning strategies, effective student support system for an effective functioning and fair examination and evaluation system. Online counselling has been provided to all the students during COVID-19 Pandemic period and also provided Online learning resources.

The CDOE is providing full support and service to its students, ensuring removal of difficulties at personal level so that the participation of the students in the programmes offered by the CDOE becomes really effective and meaningful.

The Centre for Distance and Online Education has evolved the concept of “**Students Support Services Camps (SSSCs)**” to help and groom the distance learners in several ways. Student Support Service in open and distance learning system is quite different from other services. These services are not only confined to interactive counselling or solving the learner’s problems but also include to promote distance learning to address the issue of continuous upgradation of skills so as to produce manpower resources of the kind and the number required by society, to fulfill the expectations indicated in the National Education Policy-2020. In addition to the services already mentioned, the focus of the educators is also on learners’ personality development, inculcating soft-skills, career counselling & guidance and community education. Further, the SSSCs are aimed to facilitate learning, counselling and to solve the problems of the distance learners. Through SSSCs the learners get an opportunity to interact with the counsellors and the peer group.

# UNIVERSITY CAMPUS SCHOOL

**Director : Dr. Sonia Malik**

This year has been a year of facing and dealing new challenges. Focusing on the holistic development of the students, the school played a key role in guiding the students to face new challenges successfully.

Students' enrichment programs and Co- Curricular activities have been conducted throughout the year. To achieve these aims and objectives, all the students and teachers have been grouped under four houses named after great freedom fighters in Indian history: Rana Pratap, Rani Jhanshi, Shivaji and Subhash house. To inculcate the spirit of healthy competition and team spirit, various inter house competitions were held on every working Saturday before the lockdown and later the same were conducted online. Various activities include Debate, declamations, Best out of Waste, Extempore speech, Fancy Dress, Quiz Contest, Rakhi making, Mehendi Designing, Rangoli making, Poem Recitation, Singing and Dancing and celebrating some important days of National importance etc.

To impart practical experience in various fields, the concept of club has been introduced. Active participation under these clubs helped students in acquiring valuable lifelong habits and cultivating a voluntaristic spirit. The five clubs are 1) Library club 2) Eco Club 3) Social Club 4) Art & Craft Club and 5) Cultural Club.

Students Enrichment programs are also conducted throughout the year.

- Career in Defence by Col. Deswal.
- Career in MNC's A counselling session was held by some private organization.
- Career in Hotel & Tourism at IHTM under the guidance of Director, IHTM , MDU, Rohtak.

A number of faculty members from our teaching departments contributed sessions for school students.

- Prof. Renu Chugh (Department of Mathematics)
- Dr. Pushpa Dahiya ( Bio Sciences Department)

Due to Covid-19 Pandemic during 1<sup>st</sup> July 2021 to 30<sup>th</sup> June 2022, most of the time the classes were conducted through online mode as per order, of Haryana Govt/Central Govt.

The details of the activities being held from 1<sup>st</sup> April, 2022 to 30 June 2022 is given below.

# UNIVERSITY LIBRARY

**Librarian : Dr. Satish Malik**

The Vivekananda Library is a central facility which caters to the informational requirements of the students, teachers, research scholars, and other staff of the University located at Rohtak and other parts of the State of Haryana. Library maintains its collections in Vivekananda Library and five satellite libraries - IHTM Library, IMSAR Library, Law Library, Maths Library, UIET Library – and some other departmental libraries.

## **Library Committee**

Library Committee – the policy-making body of the library, decides the guidelines for the smooth functioning of the library after considering the University Librarian's proposals concerning the library's necessity for more effective use and development of the resources thereof. The Committee has Vice-Chancellor as its Chairman and University Librarian as its Member-Secretary. All the Heads/Directors of Departments/Institutes and the Registrar are its ex-officio members, while the Vice-Chancellor nominates two research scholars in this Committee for two years. The last meeting of the Library Committee was held on 20.09.2021.

## **Readers' Services**

The University Library System comprises a central library named Vivekananda Library and five satellite libraries –UIET Library, Maths Library, IMSAR Library, Law Library and IHTM Library. The Vivekananda Library and its offshoots essentially serve the students, research scholars, teaching faculties and other staff of this University. But, also serves some special categories of users, viz., Ph.D. Students of other Universities and Class I Gazetted Officers of the Govt. of Haryana/Govt. of India based at Rohtak. During the reporting period, the Library registered 5174 new members, of which 7 Guest Faculty members, 3 Faculty Members, 289 Research Scholars, 96 M.Phil. Students, 1659 Under Graduate (U.G.) Students, 3101 Post Graduate (P.G.) Students, 6 Special Members and 11 members renewed their membership. During this period, the total number of active members was 7966. The Visitor Register maintained at the Library gate recorded a total of 3,15,816 visitors who used the library services from 2021-2022.

### **1. Library Timings**

## UNIVERSITY COMPUTER CENTRE

**Director : Dr. G.P. Saroha**

University Computer Centre was established by the University with UGC grants under a UGC scheme in 1987. Since its inception, the Computer Centre has been catering to the ICT needs of the University Community.

Keeping pace with the advancing technology, best-in-class ICT infrastructure has been procured for education, research, and e-Governance. University Computer Centre houses a data center having 16 Blade Servers (Dual CPU – 16 to 24 core, with upto 256 GB RAM on each server) hosting more than 100 Virtual servers. More than 600 TB of unified storage is

being used for CCTV surveillance and 25 TB of SAN storage for Student Life Cycle Management and e-Governance processes. The servers are running on Windows 2012/2016 Server datacenter edition in high availability mode. Database server (MS SQL Server Enterprise Edition and Web Server (MS IIS) use 10TB IBM SAN Storage. The Webserver and Application servers with 25TB SAN storage (20,000 IOPs) are all hosted locally. Video Management System Servers with 600 TB of Unified Storage manage 411 video surveillance cameras. Round the clock, Comprehensive Security and Surveillance Control Room monitor all these cameras.

The University has excellent unified communication and video conferencing infrastructure.

A Unified Threat Management Solution has been implemented to secure the network from hackers, for filtering unnecessary traffic, streamlining traffic by specifying priorities, and blocking unwanted sites on the 1G Internet connectivity provided by NKN using Fortigate 1500D, supported by Forti-Analyser 1000D. The Internal LAN having a backbone speed of 10G is governed by the Nexus 9505 (CISCO) core switch. The university core network spans more than 15 KM length (Optical Fibre cables). The LAN has more than 5000 I/O points, and nearly 500 enterprise-class secure controller-based Wi-Fi Access Points to provide Intranet and Internet connectivity to all stakeholders.

The University has developed and implemented its homegrown Admission Portal, Student Portal, and ERP modules for employees, UTD & Colleges modules for Student Life Cycle Management, including fee management. The in-house development team manages the data center and develops and deploys solutions for the ad-hoc requirements of the university. The new Home-grown applications and ERP has been designed and developed by this team. Other software developed this year by the team include an Online admission portal for Foreign students and supernumerary seats in University Teaching Departments and an Online admission portal for Ph.D/M.Phil., student Portal, RR/CR Portal, LMS-DMS Portal for e-resources. A mobile app has been revamped by this team from where the University employees can download their Pay-slips, Salary statements, PF statements, Form-16, etc.

The University uses the latest technological advancement in the governance system and has already been acknowledged as a front-runner in e-governance initiatives. The admission process to the various programs of University Teaching Departments and the Centre for Online and Distance Learning is made online using in-house developed software. The major part of the Student Life Cycle Management System is developed and deployed in-house.

University Computer Center has been assisting various branches of the University in executing their office work. Print order, confidential list, and admit cards of more than 6 lacs students were generated by the Computer Centre to help Conduct and Secrecy Branch in conducting the Exams. Help Desk has been established to handle the grievances of Colleges and students.

University Computer Center is handling the Administration, Management, and provisioning of ICT infrastructure of the University. University Computer Centre is responsible for the Procurement, planning, and management/administration of ICT infrastructure implementation Projects.

## UNIVERSITY CENTRE FOR COMPETITIVE EXAMINATIONS

**Director : Prof. Jaibir Singh Hooda**

The University Centre for Competitive Examinations (UCCE) has been providing guidance/ coaching to the students since 1990, the year when the Centre was established. This centre has been established and funded under the scheme of University Grants Commission New Delhi. The primary aim of the centre has been to prepare students for entry to various services at state and central level. Though the scheme of UGC is primarily meant for students belonging to SC/ST/Minorities/OBC (non creamy layer), however, poor students belonging to general category may also be admitted.

The centre maintains one fully air conditioned library with a seating capacity of 72 students and two lecture theatres with a seating capacity 68 students in each. Library contains more than 9200 books. Several National Newspapers, Journals, Magazines and other useful learning materials is available in the library for the use of students and teachers.

The centre provides guidance for various competitive examinations like Indian Civil Services and HCS (Preliminary Examination), NET/JRF (UGC), Bank Probationary Officer's, HTET (PGT), CDS and others from time to time. Besides above, special lectures are organized by experts in the relevant field.

## Digital Learning Centre

**Director** : **Prof. Nasib Singh Gill**

### **Deputy Directors**

Pedagogy & Training : **Dr Ajit singh**  
Learning Management System (LMS) : **Dr Anil Siwach**  
Content Production : **Dr Naveen Kumar**

### **Department Level DLC Coordinators: One each (for every Department)**

In view of the increased use of digital resources by the stakeholders, the university elevated the Digital Learning Initiative & Monitoring (DLIM) Cell into a full-fledged Digital Learning Centre which will be housing Digital Lounge and facility centre that will not only provide 24x7 access to various e-resources to the faculty and students but will also sensitize the faculty by conducting Workshops/FDPs through Faculty Development Centre as well as encourage them to develop e-contents including video lectures at MDU Radio and TV Studio.

The university has taken up following digital initiatives:

#### **1. Capacity Building Workshop for MDU Faculty**

- One Day MDU Faculty Capacity Building Workshop on “e-Content Development and iLMS (LMS Service for MDU by INFLIBNET)” was conducted on 27<sup>th</sup> June 2022 jointly by Faculty Development Centre and Digital Learning Centre.

#### **2. iLMS (INFLIBNET Supported LMS) for MDU**

MDU is the first State University that took initiative to get INFLIBNET supported service for Learning Management System and INFLIBNET customized and facilitated all the learning resources for MDU.

### 3. **Launching of Two Online PG Programmes in Online mode on iLMS platform by Centre for Distance and Online Education**

- Centre for Distance and Online Education could successfully launch two Post Graduate Programmes (M.Sc. Mathematics and M.Com. in Online mode) on iLMS platform of Digital Learning Centre, which indeed is highly appreciated by its stakeholders for effective teaching-learning.

### 4. **Learning Management System (LMS):** The Digital Learning Centre took several initiatives to motivate the faculty to enrich LMS resources to get a larger pool of e-resources/e-contents including video lecturers, ppts, etc. for students' access.

- a. The university has its own LMS portal, where all the faculty members of the University Teaching Departments have uploaded their different kinds of e-learning resources including such as .pdf, .docx/.doc, .pptx/.ppt, .txt, handouts, etc
- b. This LMS also enables the faculty to upload their video links as well as other video links the faculty deems appropriate/suitable for their students on their subject specific topics.
- c. LMS portal also provides a long list of **Open Access Resources**, which the students may directly access with direct one click from MDU Home Page or through LMS portal.

### 5. **Digital Learning Initiatives during COVID-19 period:**

The university prepared standard operating protocols (SOPs) and guidelines primarily for students and faculty. Several initiatives taken include the following:

- a) **Sensitizing Student Community:** The faculty members are engaged in mentoring/counselling their student mentees and sensitizing them through Class WhatsApp Groups and Emailgroups about COVID-19 guidelines, advisories, Do's & Don'ts, and appealing them to take all precautions to follow 'Stay Home and Stay Safe' for their safety and their family, and asking them to make all efforts to different social segments in their reach including their locality, society, mohalla, gali, village, etc.
- b) **Sharing Learning Resources through WhatsApp Groups and Emailgroups**
  - University has created WhatsApp Groups and Emailgroups for each class having Teacher Coordinator and Student Coordinator, and all the faculty members teaching that specific class are sharing subject/topic specific learning resources.
- c) **Conducting Online Classes**
  - Faculty members of the university are also meeting online of the students by inviting them to their virtual classroom using several kind of tools such as Google Meet, ZOOM Cloud Meeting, Google Hangout Meet, etc.
  - Google Classroom: The Faculty members are also meeting their classes through Google Classroom and also assign class tasks to the students.
- d) **Open Access Resources**
  - Faculty & Students have been provided direct access to all important Open Access Resources provided by MHRD, Govt. of India as well as many other such important resources directly on MDU Homepage as well as on LMS Portal.

1. **Name of the Department** : **CENTRE FOR BIOINFORMATICS**
2. **Head of the Department** : **Prof. Anil Kumar Chhillar** (Upto 9/11/2021)  
**Dr. Ajit Kumar** (upto 7/1/2022)  
**Prof. Anil Kumar Chhillar** (upto 28/6/2022)  
**Dr. Ajit Kumar** (w.e.f. 28/6/2022)

3. **Faculty Profile with Name, Qualification, Designation, Specialization:**

Name	Qualification	Designation	Specialization
Dr. Ajit Kumar	Ph.D	Assistant Professor	Toxicology and Computational Biology
Dr. Mehak Dangi	Ph.D	Assistant Professor	Machine Learning and Database Designing

4. **Curricular Aspects: Nil**

5. **Student enrollment and profile:**

(i) Demand ratio during the year

Name of the programme	Number of seats available	Number of applications received	Students enrolled
M.Sc Bioinformatics (I year)	20	Centralized admissions	20
M.Sc Bioinformatics (II year)	20	Centralized admissions	17

(ii) Student strength:

Name of Course	Student Strength	
	Male	Female
PG	09	28
Ph.D. (Registered students only)	02	02
<b>Grand Total</b>	<b>11</b>	<b>30</b>

(iii) Pass percentage of students:

Programme code	Programme name	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass percentage
BINF2	M.Sc. Bioinformatics	16	13	81.25%
CPB	Certificate course in Bioinformatics	10	10	100%

**6. Research, Innovations and Extension Activities of the Department/Centre**

(A) Details of research projects/Funding received (UGC-SAP, DST-FIST etc)

Name of the Faculty Member	Name of the Research Project (Minor/ Major)	Amount of the Research Project	Funding Agency	Period	Status of the Project
Dr. Ajit Kumar	DBT-Builder (PI)- Multi PI Project	5 Crore	DBT, New Delhi	5 Years (2021-26)	On going
Dr. Mehak Dangi	DBT-Builder (Co-PI)- Multi PI Project	5 Crore	DBT, New Delhi	5 Years (2021-26)	On going
	RK. Fund	50,000/-	DSW, MDU	1 year	On going
<b>Grand Total</b>		<b>5,00,50,000/-</b>			

(B) Research Supervision:

Name of the Faculty Member	Number of Ph.D Students		Number of Dissertations / Projects Supervised	
	Awarded	Registered	M.Phil. / M.Tech / M.Pharm. Dissertations	PG Projects
Dr. Ajit Kumar	-	2 (old) + 1(new)	-	8
Dr. Mehak Dangi	-	1 <sup>1/2</sup> (old) + 2 <sup>1/2</sup> (new)	-	8
<b>Grand Total</b>	-	<b>07</b>	-	<b>816</b>

(C) Research Papers/Review Articles Published :

Name of the Faculty Member	Number of publication				Indexing	
	Research Article		Review Article		Web of science	Scopus
	National	International	National	International		
Dr. Ajit Kumar	-	04	-	-	02	02
Dr. Mehak Dangi	-	-	-	01	1	1
<b>Total</b>	-	<b>04</b>	-	<b>01</b>	<b>03</b>	<b>03</b>

D) Books Published:

ii. Book chapter published:

Name of the Faculty Member	Title of book chapter	Title of book	ISSN/ISBN No.	Publisher
Dr. Ajit Kumar	Application of Bioinformatics in Crop Improvement	Agricultural Biotechnology: Latest Research and Trends.	978-981-16-2338-7 (Print) 978-981-16-2339-4 (Online)	Springer, Singapore

## (F) Faculty Participation in Conferences/ Invited Talks /Extension Lectures, etc.:

Name of Faculty member	Participation / presentation of paper in conferences/ seminars/ workshops etc			Participated as resource person in conferences/ seminars/ workshops / refresher courses etc.			Number of extension lectures delivered
	National	International	State level	National	International	State level	
Dr. Ajit Kumar	4	1	-	2	1	-	2
Dr. Mehak Dangi	-	1	-	-	2	-	-
<b>Grand Total</b>	<b>4</b>	<b>2</b>	<b>-</b>	<b>2</b>	<b>3</b>	<b>-</b>	<b>2</b>

## (I) Details of seminars/conferences/workshops/extension lectures/study tour etc organized by the Department/Centre.

Name of the Activity	Title	Level (National/ International)	Date	Funding Agency
Extension Lecturers	Psycho social competences in education after Covid by Shalini Singh	Department Level	13/08/2021	-
	Carrer opportunities for M.Sc. students and Research Scholars of Bioinformatics & rest faculty of Life Sciences in the research and Service Sector By Ajit Kumar	Department Level	24/10/2021	-
	Waste Management Training Session By Arvind Bhatia	Department Level	21/06/2022	-

**7. Infrastructure and Learning Resources**

## (A) Details of augmentation in infrastructure facilities during the year

Facilities	Existing	Newly added
Campus area	-	-
Class rooms	1	-
Laboratories	4	-
Seminar Halls	-	-
Class room with LCD facilities	1	-

**8. Student support and progression:**

## (i) Achievements by Research Scholars and Students:

Number of JRF,SRF, PDF enrolled during the session	Cumulative number of enrolled research scholars	Duration of fellowship	Name of Funding agency
3+1	8	-	NFSC, URS-MDU, UGC, DBT

(v) Student progression to higher education in percentage during the year:

Year	Number of students enrolled into higher education	Programme graduated from	Department Graduated from	Name of institution joined	Name of programme admitted to
2022	1 (Kavita Yadav)	Bioinformatics	Centre for Bioinformatics	Institute of Liver and Biliary Sciences, New Delhi	Ph.D

(vi) Students qualifying in state/national/international level examinations during the year:

Examination	No. of students selected/Qualifying	Registration Number/roll number for the exam
NET	3	DL01007402, HR04002244, HR090001379

**9. Faculty empowerment strategies:**

Faculty empowerment is achieved through ensuring participation of faculty members in Faculty Development Programme(s) organized by University Faculty Development Centre (FDC) as well as in faculty development programmes organized by other University/Institutions/Agencies, etc.

**10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment: NIL**

**11. Activities and support from the Parent-Teachers association: NIL**

**12. Best practices:**

- ICT based learning and teaching by 100% faculty of the department.
- Organizing the conferences/ workshops in Environment friendly manner.  
(Felicitating the guests/experts with Saplings, Providing the abstract books in CD's or PD's saving lots of paper, avoiding use of single used plastic products as much as feasible.)

**13. Future plans for next Academic year**

1. Seminar and Conferences
  - 1 to 2 Day Seminar/Workshop/Conference to be held in month of November/February.
2. Extension Lecture
  - 2 Extension Lectures are planned one in each semester (odd & even).
3. Research Activities
  - Dissertation work by final year students in IV sem.
4. Cultural Activities Debates/ Declamation Contest/ Quiz Contest during Bioinfo Fest: 2022-23
5. Educational Tour.

1. Name of the Department : CENTRE FOR BIO-TECHNOLOGY

2. Name of the Head : Dr. Vikas Hooda

3. Faculty Profile with Name, Qualification, Designation, Specialization:

Name	Qualification	Designation	Specialization
Dr Promod Mehta	Ph.D. (Microbiology)	Emeritus Scientist (CSIR)	Tuberculosis Diagnostics
Dr A. K. Chhillar	M.Sc. Ph.D.,	Professor	Antimicrobial Molecules & Proteomics
Dr. Vikas Hooda	NET, Ph.D	Associate Professor & Director	Nano-biotechnology
Dr. Ritu Gill	M.Sc. Ph.D., NET-JRF,	Asstt. Professor	Biotechnology
Dr. Samander Kaushik	M.Sc., Ph.D.(AIIMS) LLB Hons.	Asstt. Professor	Virology
Dr. Sarvajeet Singh Gill	M.Sc.(Gold Medal), M.Phil., Ph.D.,	Asstt. Professor	Stress Physiology & Plant Molecular Biology
Dr. Darshna Chaudhary	M. Sc., Ph. D.	Assistant Professor	Plant Biotechnology
Dr. N. P. Singh	Ph.D.	Asstt. Professor	Plant Proteomics

4. Curricular Aspects: Nil

5. Student enrollment and profile:

**11. Activities and support from the Parent-Teachers association : Nil**

**12. Best practices:**

- Organized online lecture series on 'Challenges in food production under resilient environment' sponsored by R.K. Fund
- Training workshop on "Experimental design and Data Analysis in Biology"

**13. Future plans for next Academic year:**

- Department purposed to start value added course for girl students.
- Department will organize seminar/conferences/workshop .
- Department will also emphasize to organize more expertise lecture for the students.
- Teachers will be encouraged to write and submit research projects and publish research papers in journals of repute.

**11. Activities and support from the Parent-Teachers association if any**

Interaction with parents helped us to know about the background of students and about the Department and university. It was very fruitful for improvement of academic activities and overall development of particular student. Annual meeting of parent teacher was not held because of ongoing lockdown in Corona pandemic.

**12. Best practices:**

1. Regular workshop and conferences are being organized by the department.
2. Celebration of Teachers Day on 5<sup>th</sup> September every year with a no. of events including quiz contest, poster making competition, slogan making & declamation/ debate on Societal issues & current awareness.
3. Guest lecturers/ Extension lectures regularly held for knowledge building and Personality development of students on the topics & areas other than the curriculum/ syllabus.
4. Conduction of Series of lectures under chronological genetic update each year

**13. Future plans for next Academic year:**

1. Plant tissue culture & Cell lines culture lab will be established for Research & Development at department and interdepartmental level.
2. Departmental central lab will be upgraded by adding more instruments.
3. Teachers will be encouraged for quality publications and to submit research projects to funding agencies.
4. To update the recent development in research, more seminar /workshop/conferences will be organized.
5. Students will be exposed to field work by educational trips.
6. Skill development will also be enhanced by organizing Science quiz, Declamation other co-curricular activities.
7. Outreach programme will be conducted by the Deptt. to aware public about congenital anomalies.
8. Value added course will be started.
9. Certificate course in Genetic counseling will be started.

**11. Activities and support from the Parent-Teachers association : Nil**

**12. Best practices:**

The Department is involved in the female entrepreneurship programs. Faculties are trained at different Universities, nationally and internationally.

- Established 'Departmental Seminar Club' for research scholars for the promotion of soft-skills, paper writing, and paper presentation skills.
- Recording of PhD Pre-submission presentation for the improvement of research thesis.
- We encourage project-based learning to allow learners to experience the subject by doing things, rather than passively receiving information, to build things, to think critically, and to develop problem-solving skills.
- Students are given exercises with feedback throughout a lesson this will allow learners to check their progress, and to adjust their learning approach as necessary. Students should be allowed to construct knowledge, rather than passively receive knowledge through instruction.

**13. Future plans for next Academic year:**

1. To improve the students industrial training.
2. To improve practical teaching and research infrastructure.
3. Improving the research skills and encouraging students to pursue quality research.
4. The aim will be to increase the know-how, and capabilities of the students and society in the area of microbiology.
5. The Department will develop awareness program in the area of biological sciences among school students.

Further, in the coming academic session soft skill improvement through some training programs will be provided to the students. The department is now maintaining a separate computer centre facility for its student having 15 desktops.

- With the support of DST-FIST program this year our department has installed Fermentor, HPLC and GC in a dedicated laboratory. This advanced instrumentation facility will be used for training and research. One MSc laboratory has been enriched and upgraded to provide hands-on practical experience to each master's student.
- It has also been proposed to develop and upgrade other MSc labs in future.
- A smart computer class room and seminar room has been develop for students trainings and presentations

**12. Best practices:**

- Encouragement of students for developing better communication skills by providing them the various platforms to show their skills:
- --In Seminars/workshops
- --In extracurricular activities

**13. Future plans for next Academic year:**

- To promote Teaching and Learning by the ICTs means
- To establish research linkage with the different R&D institutes/states/central Universities for research and student exchange programme.
- Upgradation of Departmental Bio- safety lab and Vermiculture lab to provide advanced research quality to students.
- Focus on development of commercial diagnostic nanosensor and edible vaccines for therapeutic purpose to cure various challenging diseases.

**11. Activities and support from the Parent-Teachers association : NIL**

**12. Best practices:**

Brain storming sessions in class room teaching for better understanding of subject.

**13. Future plans for next Academic year:**

The department of Chemistry is at present having about 182 students in M.Sc. programme and 23 research scholars and 04 Ph.D. Course Work students are actively engaged in research. Teachers will be motivated to start their research projects in the different grant giving agencies like UGC, DST etc. Renowned teachers/researchers will be invited to deliver their talk to motivate the students. Attempts will also be made to have collaboration with National & International level research institutes/universities.

#### 9. Faculty empowerment strategies:

Faculty empowerment is achieved through ensuring participation of faculty members in Faculty Development Programme(s) organized by University Faculty Development Centre (FDC) as well as in faculty development programmes organized by other University/Institutions/Agencies, etc.

#### 10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment:

Name of the Faculty Member	Name of the Activity (Sports, Cultural, Social, Examinations, Educational Tour & Any other Administrative Assignment)	Nature of the Duty Assigned	Dates	Level of the Activity (National/ International)
Prof. Nasib Singh Gill	Administrative	Director, DDE	01.03.2021-till date	University
		Head, Department of Computer Sc.	15.03.2021-	University

		& Appls.	till date	
		Director, Digital Learning Centre, M.D. Univ. Rohtak	2017-till date	University
	Academic	Workshop Convener, One Week Interdisciplinary Workshop on "Research Methodology for Physical Sciences and Engineering"	June 6-10, 2022	University
Prof. Nasib Singh Gill	Academic	Workshop Director/Convener, One Day MDU Faculty Capacity Building Workshop on "e-Content Development and iLMS (LMS Service for MDU by INFLIBNET)"	June 27, 2022	University
Dr. Preeti Gulia	Administrative	DLC Coordinator	2020-till date	University
	Academic	Workshop Coordinator, One Week Interdisciplinary Workshop on "Research Methodology for Physical Sciences and Engineering"	June 6-10, 2022	University
	Academic	Workshop Coordinator, One Day MDU Faculty Capacity Building Workshop on "e-Content Development and iLMS (LMS Service for MDU by INFLIBNET)"	June 27, 2022	University
Dr. Bal Kishan		1. Member of Faculty of Physical Science, MDU, Rohtak.	15/9/2021	University
		2. IQAC Coordinator, DCSA MDU, Rohtak	14/9/2014 till date	
		3. Alumni Coordinator, DCSA MDU, Rohtak	20/9/2016 till date	

**11. Activities and support from the Parent-Teachers association: Nil**

**12. Best practices:**

- Conducive project-based learning environment for students
- Effective Mentor-Mentee practice in the Department

**13. Future plans for next Academic year**

- To offer few courses/subjects of MCA/M.Sc (Computer Sc.) programs through blended mode in tune with NEP-2020.
- To encourage faculty and research scholars to file more patents as well as publish papers in leading Journals with reasonable good impact factor.

**11. Activities and support from the Parent-Teachers association : NIL**

**12. Best practices:**

1. Working with Team spirit (Team work as motto) participative democratic governance, facilitating congenial environment in the department.
2. Enhancing the research orientation, scientific and employability skills of the students by providing various platforms of empowerment in these areas.
3. Boosting the overall research standards of the department through faculty empowerment strategy, and providing congenial research environment in the department.

**13. Future plans for next Academic year:**

- To organize Seminars/Workshop(s) to develop skills and to promote placement activities of the students.
- To organize extension lectures to enhance academic/ research standards. Select Alumni will also be invited for the purpose of delivering lectures.
- To enhance Smart Class Room facilities in Dept.
- To enhance infrastructural and research standards through UGC-SAP (DRS-II).
- To apply for research projects funded by UGC, CSIR or other agencies.
- To do new/extended research work in the varied areas of mathematical sciences and promote publications in the Scopus/WoS/ICI indexed UGC approved Journals.
- To establish linkages with various institutions/industries for research and extension.
- To arrange educational tours to various places in India for providing exposure to students in various domains and understand the emerging areas in the society, in general, and Mathematics, in particular.
- To arrange trips to IT/Software industries and/or to arrange interactive lectures of the IT personnel for the students.
- To organize "blood donation" and/or "pledge to eye donation" camp as part of community service.
- To organize cultural and other extracurricular/co-curricular activities in collaboration with other agencies/NGOs (such as Rotary/Lions etc.).
- To arrange visits of students to Orphanages, Institutes of Mentally Challenged persons, Old age homes, etc. to inspire the students to serve the society and the community.
- To strengthen the Departmental Library.
- To strengthen the Alumni database by making efforts of keeping the record of each and every alumnus of the Department to enhance guidance and placement. The eminent alumni preferably belonging to industries/corporate/research institutes/Govt. agencies/foreign institutes to be involved as special invitees in its Board of Studies.
- To organize University/State level Quiz Contest in Mathematics.
- To give consultancy services and to generate revenue from it.

## 10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment: Nil

### 11. Activities and support from the Parent-Teachers association:

Parents of M.Sc. Physics students are contacted telephonically or personally from time to time for sharing the progress of their wards.

### 12. Best practices :

- Conceptual and numerical problems based assignments are given to the students for enhancing their analytical skills.
- Each student has to present theory of a particular experiment in a Seminar for improving his/her conceptual ability and soft skills.

**13. Future plans for next Academic year:** Department is planning to revise the syllabi of M.Sc. Physics Course and wish to introduce two new specializations of Experimental Techniques and Advanced Spectroscopy. The concept of tutorials in each theory course will be introduced. Research Projects will be submitted in different funding agencies such as UGC, DST, SERB and DRDO. Renowned Researchers / Resource person will be invited to deliver different talks / lectures to motivate students and Research Scholars. Attempts will be made to have collaboration with National and International institutions / universities.

**12. Best practices :**

- Department has its own Counselling Cell, where counselling is provided to the clients on charitable basis. During the pandemic of Covid 19, special counselling cell as Psy Care was established to provide counselling through phone. Many students and stakeholders were benefitted as every efforts was made to alleviate their issues pertaining to their physical, psychological, mental and social health. Now department aims to focus on strengthening of counselling Cell in more vigorous& effecting way offline.
- To focus on inculcating experiential knowledge, in our students, internship was organized by (SIRTAR) State Institute for Rehabilitation, Training and Research (a mentally gifted school) Rohtak, Civil Hospital of Gurugram and Panchkula and various reputed psychiatric clinics (2022-23) for enriching the professional acumen of students that ultimately result in boosting their employability as a counselor.

**13. Future plans for next Academic year**

- Value added short term certificate courses pertaining to positive developmental psychology across life span (from KG to PG) such as summer course on Flourishing (i.e. focus on Aptitude, Vocational Skills and Strength and Values) along with Certificate Course in Positive Youth development would be initiated.
- Strengthening of counselling cell for providing online/offline counselling to the common masses.
- To establish the department as the leading institute of behavior science, diversification of master's programs to offer multidisciplinary/super specialized course to achieve national as well global excellence.

**11. Activities and support from the Parent-Teachers association: NIL**

**12. Best practices: NIL**

**13. Future plans for next Academic year:**

Department is planning to organize a workshop / seminar / conference at National and International level to enhance the capability of teachers as well as students. Series of Extension lectures related to research and statistic will be organized by department. Department will try to cater the needs of diverse learners belonging to backward/weaker sections of society. We are planning to start teaching learning process in blended mode and try to use of Multimedia Approach in Teacher Education. Our motto is to enhance quality of Research Work at Ph.D. & PG level. Some outreach programmes will also be conducted for contribution to community. Department will try to make the department an excellent centre of learning.

**11. Activities and support from the Parent-Teachers association: Nil**

**12. Best practices:**

1. Mentoring the students: The teachers meet students periodically, collect the pros and cons of this method and counsel them to remove the difficulties in their academic performance. Students' personal issues are also discussed and a proper guidance and support is provided to ensure the comfort of students in the campus.
2. Education awareness Program on Forensic Science: Initiatives in this regard were taken last this year, and will be continued further. The basic purpose was to educate the school level science students about the forensic science and its applications in the academics and society.
3. Training attachment of the students in Forensic Science Laboratories: Students of final year with specialization are generally attached in the Forensic Science Laboratories for two weeks for getting full exposure of scientific work that strengthens their practical knowledge and hand-on practice.
