## About the University

Maharshi Dayanand University, Rohtak, established in 1976 as a residential university with the objective of promoting inter-disciplinary higher education and research with special emphasis on studies in Pharmaceutical Sciences, Life Sciences and Physical Sciences, is making rapid progress to emerge as a leading educational institution of the nation. Presently, M.D. University is a teaching-cum-affiliating university with a formidable track record in academics, research, extension, cultural and sports activities. The University has been awarded 'A+' grade by National Assessment and Accreditation Council (NAAC) in March, 2019. It has been placed at 96<sup>th</sup> rank amongst Indian Universities by the Ministry of Human Resource Development, Govt. of India, as part of National Institutional Ranking Framework (NIRF) survey 2023.

## About the Department

Department of Pharmaceutical Sciences (Estd. 1995) is one of the most prestigious institute imparting pharmacy education and research in India. The Department is ranked 35<sup>th</sup> in the country by NIRF- 2023. It offers Ph.D. programme in all emerging areas of Pharmaceutical Sciences, PG courses in Drug Regulatory Affairs, Industrial Pharmacy, Pharmaceutical Chemistry, Pharmacology & Pharmacognosy disciplines apart from UG course. The Deptt. is financially supported by UGC-SAP (Level-I & II) and DST FIST. The department proudly banks on the best faculty on board. The laboratories of the departments are equipped with sophisticated instruments like HPLC, HPTLC, GC, TGA analyser, DSC, spray dryer, Lyophilizer etc. Apart from teaching the department is actively engaged in research activities with research projects funded by UGC, DST, AICTE and AYUSH etc.

## About the Workshop

The workshop aims to provide insight to key research areas in the Pharmaceutical Industry and its contribution to the healthcare system. In addition, it also highlight the overview of the global pharmaceutical market and market dynamics. It will also provide a comprehensive understanding of the current challenges and opportunities in the pharmaceutical industry. Participants will gain insights into the evolving landscape, regulatory changes, technological advancements, and market trends that shape the industry. The workshop will facilitate discussions and knowledge exchange among professionals and researchers, fostering a collaborative approach to address challenges and harness opportunities in the pharmaceutical sector.
