**Subject: User awareness / training programme for MLA
International Bibliography.**

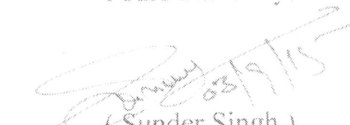

Sir,

As you are aware that the University is subscribing "MLA International Bibliography", and has renewed the subscription for next one year. The Representative of ProQuest agreed to provide training on how to make use of MLA International Bibliography. The following schedule has been decided for the training:

Date	Time	Venue
04 th September, 2015	11.00 AM	Conference Hall, Vivekananda Library

You are, therefore, requested kindly to circulate this letter among the Ph.D. Scholars, M.Phil. Students, PG Students and teaching faculty of your Department so that they may attend the training session as per schedule given above.

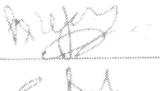

Yours Sincerely,

(Sunder Singh)
Information Scientist

M.D. University, Rohtak

Vivekananda Library

Subject: Manupatra user awareness/training programme.

Vivekananda Library is subscribing Manupatra Online database from M/s. Manupatra Information Solutions Pvt Limited, the leading law publishers and provider of Legal, Taxation, Corporate and Business Policy content in India.

It is a continuous feature of the Vivekananda library to organise the user awareness/training programmes for the benefit of students, research scholars and faculty members and familiarizes them with various resources and services available in the library. As, Manupatra online database is explicitly subscribed for Law Department, we may invite representative of M/s. Manupatra for training sessions in IT Division of Vivekananda Library.

In view of the above, Head, Department of Law may please be requested to provide some suitable dates so that we may organize user awareness/training programme accordingly.

Submitted, please.

Subject: User Awareness Workshop on *Web of Science* and EndNote.

Sir,

As you are aware that E-Shodh Sindhu Consortium has provided us access to *Web of Science*TM, the world's most preferred Abstract, Indexing & Citation Database. In *Web of Science*, you'll find cover-to-cover indexing of the world's most important scientific research, including scholarly journals, books, proceedings, published data sets and patents. This content is truly multidisciplinary and global and global citation analysis delivers the most relevant search results. Embedded analysis tools help us further refine our results, make new discoveries and connections across disciplines and understand the worldwide impact of the sources and authors we uncover.

To encourage the effective usage of *Web of Science* and to enable the researchers to use the platform in a more effective manner in their research workflow, a **User Awareness Workshop on *Web of Science*** has been scheduled for **Tuesday, 20th September, 2016 at 11.00 AM in the IT Division of Vivekananda Library**. A quick tour will also be taken to **EndNote – a Reference Manager** which helps us to find, store, create, use and share our research outputs with one click of mouse.

You are, therefore, requested kindly to circulate this letter among the research scholars and teaching faculty of your Department so that they may attend the User Awareness Workshop as per schedule given above.

Yours faithfully,

(Sunder Singh Tanwar)
Information Scientist

Subject: Permission for organising Author Workshop on November 18th, 2016 in Radhakrishnan Auditorium

On our request, M/s. Elsevier BV has been agreed to organise an Author Workshop at our Campus on November 18th, 2016. The Author Workshop will alert the researchers and faculty members on how to write scientific literature and improve quality of their manuscripts, and increase their chances of publications with best publishers like Elsevier B V. Besides, the publisher will also provide how to use information about ScienceDirect platform for Elsevier eBooks, SCOPUS - the largest abstract and citation database of peer-reviewed literature and Mendeley - Reference Manager. On behalf of M/s. Elsevier, Ms. Sangeeta Mehta, Sales Director - Research Solutions and his team of trainers has been kind enough to deliver specialized lectures on the above subjects. Dr. Satish Kumar Malik, University Librarian will be the Convener and Dr. Nirmal Kumar Swain, Associate Professor and Sh. Sunder Singh Tanwar, Information Scientist will work as Organising Secretaries of this event.

It is also pertinent to mention here that M/s. Elsevier B V will bear all the expenses occurred on Tea and Lunch.

In view of the above, we may request Hon'ble Vice-Chancellor to allow us to organise this event in Radhakrishnan Auditorium waiving off the rent, if any. A university vehicle, preferably 52 seater bus, may also be allowed to carry the participants to Faculty House for lunch and back to Auditorium.

Submitted for consideration, please.

Subject: Training Session for CMIE databases.

Sir,

The Vivekananda Library has subscribed the following online databases from Centre for Monitoring Indian Economy Pvt. Ltd (CMIE) for a period of one year:

1. Prowess IQ URL: prowessiq.cmie.com/ (needs one time installation)
2. Economic Outlook URL: economicoutlook.cmie.com
3. Industry Outlook URL: industryoutlook.cmie.com
4. States of India URL: statesofindia.cmie.com

The Representative of CMIE has been agreed to provide training on how to enhance the usage and discoverability of resources on CMIE platform on as per following schedule:

Date	Time	Venue
Thursday, 26 th April, 2018	11.00 AM to 1.00 PM	Internet Lab, Vivekananda Library

You are, therefore, requested kindly to make it mandatory for the research scholars and young faculty members of your department to attend the training session as per schedule given above to maximize the use of subscribed databases.

Yours faithfully,

(Satish Kumar Malik)

Subject: User Awareness Workshop on *Web of Science* and EndNote.

Sir,

You may be aware that E-ShodhSindhu Consortium has provided us access to *Web of Science*TM, the world's most preferred Abstract, Indexing & Citation Database. In *Web of Science*, you'll find cover-to-cover indexing of the world's most important scientific research, including scholarly journals, books, proceedings, published data sets and patents. This content is truly multidisciplinary and global and global citation analysis delivers the most relevant search results. Embedded analysis tools help us further refine our results, make new discoveries and connections across disciplines and understand the worldwide impact of the sources and authors we uncover.

To encourage the effective usage of *Web of Science* and to enable the researchers to use the platform in a more effective manner in their research workflow, a **User Awareness Workshop on *Web of Science*** has been scheduled as under in the **IT Division of Vivekananda Library**:

User Group	Date	Time
Research Scholars	Wednesday, 2 nd May, 2018	11.00 AM to 1.00 PM
Faculty Members		2.00 PM to 4.00 PM

A quick tour will also be taken to **EndNote – a Reference Manager** which helps us to find, store, create, use and share our research outputs with one click of mouse.

You are, therefore, requested kindly to circulate this letter among the research scholars and teaching faculty of your Department so that they may attend the User Awareness Workshop as per schedule given above.

Yours faithfully,

(Satish Kumar Malik)
University Librarian

Dated: 08.05.2018

To

Maharshi Dayanand University, Rohtak.

Subject: User Awareness/training programme on Indian Citation Index (ICI).

Sir,

You may be aware that our University has started subscription of Indian Citation Index from March, 2018. The Indian Citation Index database enables access and empowers users to search, track, measure and collaborate in the sciences, social sciences, arts, and humanities to turns raw data/information into the powerful knowledge one needs. ICI like other indexes enables user to move back in time to previously published papers, but uniquely one can also look forward in time to determine who has subsequently cited an earlier piece of research. This feature makes this database a specialized information product and highly useful for researchers, policy makers, decision takers, editors, librarians etc.

To understand the tool, its technicalities and content coverage of the ICI database, library has arranged user awareness and training programmes **in the IT Division of Vivekananda Library as per schedule given below:**

User Group	Date	Time
Research Scholars	Friday, 11 th May, 2018	11.00 AM to 1.00 PM
Faculty Members		2.00 PM to 4.00 PM

A quick tour will also be taken to IndianJournals.com, a full text database of 200 e-journals subscribed by our University. The training programme shall enable the researchers to use the platform in a more effective manner in their research workflow.

You are, therefore, requested kindly to circulate this letter among the research scholars and teaching faculty of your Department so that they may attend the training/awareness programme as per schedule given above.

Yours faithfully,
