

# MAHARSHI DAYANAND UNIVERSITY, ROHTAK

Theory Date-sheet for M.E / M.Tech. 2nd Sem. (Non CBCS Scheme) Examinations May - 2019

Time of Exam. 9.30 AM to 12.30 PM / Center of Exam : As per Roll No.List

| Date         | Course No.   | Course Title                                |             | Branch / Course                       |
|--------------|--------------|---|-------------|---------------------------------------|
| 16.05.2018   | MEEC-504     | Optical Communication                       | 22149       | Electronics & Communication Engg.     |
|              | MTCE602A/841 | Soft Computing                              | 23070       | Computer Science & Engg., IT          |
|              | PTL 721      | Advance Printing Machine & Process          | 23217       | Print & Graphic Communication         |
|              | CE640        | Analysis & Structural Design of Pavements   | 23277       | Transportation Engg.                  |
|              | MTEPS201     | Power System Dynamimcs & Stability          | 23286       | EPS, Power System                     |
|              | CE 610       | Structural Dynamics & Earthquake Engg       | 23381       | Strucutural Engg.                     |
|              | MFA 502      | Operations Research & Statistics of Engg.   | 23301       | FAE                                   |
|              | MTSD 201     | Structural Dynamics & Earthquake Engg       | 23421       | Structural Design                     |
|              | MTCF-201     | Ethical Hacking & Digital Forensics         | 23561       | Cyber Forensics & Information Sec.    |
|              | MTEE-601     | Advance Switchgear and Protection           | 23571       | EE(Electrical Device & Power System)  |
|              | MTSEC-201    | Construction Planning Scheduling & Control  | 23626       | Structural Engg & Construction        |
|              | MTTEM-201    | Analysis & Structural Design of Pavements   | 23631       | Transportation Engg & Mgt.            |
|              | MTEEE 502    | Advanced Switcgear and Protection           | 23681       | EEE                                   |
| 18.05.2019   | MEEC502      | Electronics System Design                   | 22148       | Electronics & Communication Engg.     |
|              | M 804 A      | Design of Mechanism                         | 22232       | Machine Design                        |
|              | MFA 504      | Technical Textiles & Smart Garments         | 23302       | FAE                                   |
|              | PTL 722      | Digital Imaging                             | 23218       | Print & Graphic Communication         |
|              | CE604        | Finite Element Method                       | 23278       | Transportation Engg.                  |
|              | MTEPS202     | Facts Controller                            | 23287       | EPS, Power System                     |
|              | CE 612       | Stability of Structures                     | 23382       | Strucutural Engg.                     |
|              | MTSD 202     | Stability of Structures                     | 23422       | Structural Design                     |
|              | MTCF-202     | Database Security                           | 23562       | Cyber Forensics & Information Sec.    |
|              | MTEE-602     | Transducers and Mearsurement Tech.          | 23572       | EE(Electrical Device & Power System)  |
|              | MTSEC-202    | Finite Element Method                       | 23627       | Structural Engg & Construction        |
|              | MTEEE 504    | AI Techniques                               | 23682       | EEE                                   |
|              | 21.05.2019   | MEEC 506                                    | VLSI Design | 22151                                 |
| M 806 A      |              | Principal of M/c design                     | 22233       | Machine design                        |
| MTCE606A/843 |              | Mobile & Wireless Communication             | 23072       | Computer Science & Engg.,IT           |
| PTL 723      |              | Quality control System                      | 23219       | Print & Graphic Communication         |
| CE-617       |              | Bridge Engg.                                | 23232       | Transportation Engg., Structural Engg |
| MTEPS203     |              | Real Time Control of Power System           | 23288       | EPS, Power System                     |
| MFA 506      |              | Developments in Specialty Yarns & Texturing | 23303       | FAE                                   |
| MTSD 203     |              | Design of Structures- II                    | 23423       | Structural Design                     |
| MTCF-203     |              | Steganography & Digital Watermarking        | 23563       | Cyber Forensics & Information Sec.    |
| MTEE-603     |              | Facts & HVDC                                | 23573       | EE(Electrical Device & Power System)  |
| MTSEC-203    |              | Numerical Method and Computer Programming   | 23628       | Structural Engg & Construction        |
| MTEEE 506    |              | Facts Controller                            | 23683       | EEE                                   |

| <b>M.E / M.Tech. 2nd Semester (Page-2)</b> |                               |   |       |   |
|--|-------------------------------|---|-------|---|
| <b>24.05.2019</b>                          | MEEC-512                      | Switching System                              | 22153 | Electronics & Communication Engg. EI-II |

|  | CE-660                        | High Rise Structures                          | 23432 | Structural Engg                         |
|  | MTCF-207                      | Multimedia Security                           | 23565 | Cyber Forensics & Information Sec.      |
|  | MTSEC 209                     | Maintenance & Rehabilitation of Structure     | 23630 | Structural Engg & Construction          |
|  | MTTEM-204                     | Strength and Deformation Behaviour of Soil    | 23634 | Transportation Engg & Mgt.              |
| MTEEE 518                                  | Demand Side Energy Management | 23685   | EEE   |   |
| <b>30.05.2019</b>                          | M 802 A                       | Theory of Elasticity                          | 22231 | Machine Design                          |
|  | CE644                         | Planning & Design of Airport                  | 23279 | Transportation Engg.                    |
|  | MFA 512                       | Modern Methods of Apparel Merchandising & Mgt | 23306 | FAE                                     |
|  | CE-618                        | Pre-Stressed Concrete                         | 23380 | Structural Engg.                        |
|  | MTEE-605(III)                 | Computer Communication & Networking           | 23577 | EE(Electrical Device & Power System)    |
|  | MTTEM-208                     | Highway Construction Practice                 | 23635 | Transportation Engg & Mgt.              |

**Note:**

- 1 Before answering the question paper the candidates should ensure that they have been supplied the correct question paper. Complaints in this regard, if any, shall not be entertained after the examination.
- 2 Any electronic device / I-Pod / Pager / Mobile phone not allowed in the examination centre at any cost.
- 3 The use of only simple calculator is allowed. Exchanging of calculator is not allowed.
- 4 No Candidate will be allowed to enter the Examination Hall without Admit card & College I-Card
