One Week Workshop

on

RESEARCH WRITING Facts, Findings and Formats

Feb. 20-24, 2019

Venue

**Chaudhry Ranbir Singh Institute of
Social and Economic Change**

Organized by

**CHAUDHRY RANBIR SINGH INSTITUTE OF
SOCIAL AND ECONOMIC CHANGE**

MAHARSHI DAYANAND UNIVERSITY, ROHTAK

(A State University established under Haryana Act No.XXV of 1975)
'A' Grade University Accredited by NAAC

Introduction

Research writings are one of the pivotal elements of the research process. While doing research the researcher needs to know the presentable style, language and acceptable norms required in the process. With the beginning from the research proposal till the presentation of the result language plays role writing, submitting and reporting. At the same time doing research and getting qualitative output in terms of submitting the proposal at the beginning till reporting the results at the end, needs a thorough examination. Creating a research pool especially with the young minds has become a mandate for each and every organization in India to shoulder the responsibility. Maharshi Dayanand University Rohtak in general, Ch. Ranbir Singh Institute of Social Change in particular exhibits their conviction responsibility to train the young minds with this regard. The week-long workshop is an exemplar attempt of Chaudhry Ranbir Singh Institute of Social and Economic Change.

Theme and subthemes

The training workshop would broadly focus on:

- Research writings consideration
- Language, narratives and acceptable norms
- Research design and approach
- Qualitative & quantitative
- Survey method and sampling
- Research data
- Research Proposal
- Writing narratives
- Doctoral dissertation

- Research Paper
- Publication process
- Choosing a publishing platform
- Report reporting

Objectives

The broad objective have been delineated below however not restricted to these.

- Writings consideration is very important
- Language, choice of words, sequence of words and authors' intention
- To provide M. Phil and PhD scholars with hands-on training in preparing research design.
- to provide them training in qualitative and quantitative research methods to impart knowledge of using different sampling method and statistical tools.
- to assist the scholar in data analysis and interpretation.
- to appraise the research scholar with the latest trends and development in the area of research methodology.
- From beginning to end writings with impact matters for global representation.

Chaudhry Ranbir Singh Institute of Social and Economic Change

Chaudhry Ranbir Singh Institute of Social and Economic Change is a constituent research centre of Maharshi Dayanand University, Rohtak. The Institute carry out quality research and evaluation studies, including field based research studies, on priority themes such as education, health, gender, adolescents, child labour, declining in sex ratio, aging and old age problems, women's empowerment, poverty issues, problems of dalits, social exclusion, environment and rural development, life, work and philosophy of social thinkers, reformers, and educationists, including those in whose names research chairs have been instituted in/ by the University. Institute also evaluates the working and performance of centrally-sponsored schemes, particularly in respect of the benefits of these schemes percolating to targeted group/sections of the society.
