

Dear Students,

Free "Learn English 2D/3D visual rich content course" learning opportunity for Students from Government of India.

Greetings to Students from Ministry of Human Resource Development, Government of India.

Hope you are well. You must be eagerly waiting to do something exciting while staying at home, we want to help students to continue their learning from home for Free of Cost using NEAT Platform.

National Educational Alliance for Technology (NEAT) conceptualized to bring best technological solutions in education pedagogy to the existing students and youth of the country. The Artificial Intelligence based portal helps the learners get a personalized learning experience.

NEAT is a Public-Private Partnership Model ensures that the Companies and the Government Regulatory Bodies work together in enhancing the skills of workforce and make students more employable according to the changing market demands.

One of our Ed-tech partner Infoplus Technologies (P) Ltd came forward to waive off the subscription charges for the benefits of students of its product Learn Engg (a NEAT shortlisted product) to all students who are registering under NEAT program till June 30, 2020.

Link for free registration is given below to avail the benefits of product:

URL: https://neat.aicte-india.org/course-details/NEAT201969_PROD_3

It is also requested to circulate among all the faculty/students of your institute as well as other students

If you have any queries write to neatsupport@aicte-india.org
