

To reduce the transmission of COVID-19, we should adopt social distancing measures which is our social responsibility. The best way is to stay at home and avoid going outside. This will be the best way of showing our patriotism during these days.

As a step towards this direction, the Maharshi Dayanand University will wholeheartedly observe 22nd March 2020 as Janata Curfew day on the Call of Hon'ble Prime Minister of India. Entire University Fraternity is requested to stay inside their homes from 7:00 a.m. to 9:00 p.m.

No one will be allowed to enter in or exit from the campus during this time, except staff of University Health Centre and that related to Security/Electricity/Water Services. Only Gate No. 3 will remain operational. University Residents may use this gate only for medical emergency, if any.
