on: Based on an RTI's complaint, and a subsequent investigation by an FIR has been registered in an alleged case of grabbing that involves 500 sq. m of government land Medanta hospital worth nearly Rs 100 crore, a portion of which has also been reportedly sold to a party.

applicant, SK Sharma, filed an RTI query. According to the response received at the beginning of this year, the land acquired by HSVP in the family of the late, Mauji Lal — are in Ishlampur village and a compensation was asked for it.

However, the mutation of the land was not changed, the revenue records continued to be in the name of Mauji Lal, according to the RTI response received. In 1998, he passed away. His wife, Devi and three sons — Murthy, Bala and Raju — received the instalments of the compensation.

It was then that was acquired

by HSVP with the intention to build residential, commercial and institutional real estate, remains undeveloped till date. Murthy Devi claims it was illegally transferred to another resident of Ishlampur village, Ajay Chaudhary through forged release deeds dated June 2014. She claimed Ajay posed as Mauji's grandson to acquire it in his name. Mauji doesn't have a grandson.

The deed bears the name of Mauji's daughter Laxmi as executor. "None of us has signed any release deed in favour of anyone. We came to know that Ajay had transferred the land in his name. The signature and photograph on the registry are not mine, they are fake," said Murthy Devi. Sharma, who informed Murthy Devi about these irregularities, had filed a police complaint last month. The police reached out to Murthy and on the basis of her complaint, a case has been registered at Sadar police station under sections 420 (cheating), 419, 467, 468, 471, 120B of IPC. "We have registered the case and investigation is in progress," said ASI of Sadar police station Kuldeep Kumar.
