DIRECTORATE OF DISTANCE EDUCATION

Director (Additional Charge) : Dr. Kuldip Singh Chhikara

Realizing the important role of education in the overall national development, the Maharshi Dayanand University established a Correspondence cell in 1988 for imparting education through “Correspondence Course” leading to the award of B.Ed. degree. The University, with the passage of time and development of technology and requirement of Society, upgraded the Correspondence cell to the level of Directorate and expanded tremendously to offer a wide spectrum of courses through a network of Study Centers. With the amendment in the Maharshi Dayanand University Act in the year 2012, the Directorate restricted delivery of its courses to distance learners from its Headquarters and is providing opportunities for higher education to a large segment of population especially disadvantaged groups living in remote and rural areas, housewives and working people.

The Directorate is creating, preserving, and disseminating knowledge to build competitive capability for holistic development of man and society. The various programmes offered by the Directorate range from conventional to professional as per needs of the area and employment opportunities available in the country. In order to meet growing demand of open and distance learning, the Directorate has acquired resources for further access to rural areas. The Directorate is contributing significantly towards achieving the national objective of providing quality education to one and all with a motto to reach the unreached by offering useful distance education programmes to learners belonging to different parts of the State/Country.

The Directorate is presently offering ten popular Undergraduate/Postgraduate programmes i.e. Bachelor of Arts (B.A.), Bachelor of Commerce (B.Com.), Master of Arts (Hindi, English, Sanskrit, Economics, Political Science, Public Admn.), Master of Science (Mathematics), Master of Commerce (M.Com.) for Distance learners based on carefully designed curriculum, well planned teaching learning strategies, effective student support system for an effective functioning and fair examination and valuation system.

The DDE is providing full support and service to its students, ensuring removal of difficulties at personal level so that the participation of the students in the programmes offered by the DDE becomes really effective and meaningful.

The Directorate has evolved the concept of “**Students Support Services Camps (SSSCs)**” to help and groom the distance learners in several ways. Student Support Service in open and distance learning system is quite different from other services. These services are not only confined to interactive counselling or solving the learner’s problems but also include to promote distance learning to address the issue of continuous upgradation of skills so as to produce manpower resources of the kind and the number required by society, to fulfill the expectations indicated in the National Education policy (1986). In addition to the services already mentioned, the focus of the educators is also on learners’ personality development, inculcating soft-skills, career counselling & guidance and community education. Further, the SSSCs are aimed to facilitate learning, counselling and to solve the problems of the distance learners. Through SSSCs the learners get an opportunity to interact with the counsellors and the peer group.

The Library has taken one step forward to provide access to its users through Remote Access to subscribed contents using Ezproxy – connects library clientele remotely to subscribed electronic resources. Recently, Turnitin & Urkund – similarity check software, are added as a new feather in its cap.

Information Technology Applications

Computerization of library involves the application of ICT to library activities such as acquisition of books, purchase of print books, cataloguing of learning resources, display of new additions, barcoding of books, circulation of books and other reading material, linkage of Online Public Access Catalogue (OPAC) to the university website, etc. Bibliographic details of all purchased eBooks has been appended to online catalogue which enable its clientele to search through the purchased eBook collection. As of now, all the library operations have been automated using the Libsys7 library management Software. RFID implementation work has been completed with L Smart software integrated to Libsys7 software. RFID tags have been applied to all volumes of books available in the Vivekananda Library.

A hoard of ICT hardware and softwares - 4 servers, 170 PCs, 4 laptops, 7 Information Kiosks, 1 Book Drop with touch screen, 4 scanners, 23 Barcode Readers, 16 UPSs, 33 printers, 12 Network Switches, 20 Head Phones, and 66 Software's (LINUX, LibSys7, MS-Office-2007, Windows 1998, Windows XP (pre-loaded in PCs), etc. – are available in the library for use by the library users and library staff.

UNIVERSITY COMPUTER CENTRE

Director : Dr. G.P. Saroha

University Computer Centre was established by the University with UGC grants under a UGC scheme in 1987. Since its inception, the Computer Centre has been catering to the ICT needs of the University Community.

Keeping pace with the advancing technology, best in class ICT infrastructure has been procured for education, research and e-Governance. University Computer Centre houses a data centre having 16 Blade Servers (Dual CPU – 16 to 24 core, with upto 256 GB RAM on each server) hosting more than 70 Virtual servers. More than 600 TB of unified storage is being used for CCTV surveillance and 25 TB of SAN storage for Student Life Cycle Management. The servers are running on Windows 2012/2016 Server data centre edition in high availability mode. Database server (MS SQL Server 2012 Enterprise Edition and Web Server (MS IIS) uses 10TB IBM SAN Storage. SAP servers with 25TB SAN storage (20,000 IOPs) are all hosted locally. Video Management System Servers with 600 TB of Unified Storage manages 400 video surveillance cameras. Round the clock Comprehensive Security and Surveillance Control Room monitors all these cameras.

A Unified Threat Management Solution has been implemented to secure the network from hackers, for filtering unnecessary traffic, streamlining traffic by specifying priorities, and blocking unwanted sites on the 1G Internet connectivity provided by NKN using FortiGate 1500D, supported by Forti Analyser 1000D. The Internal LAN having backbone speed of 10G is governed by the Nexus 9505 (CISCO) core switch. The university network has more than 15KM Optical Fibre cables, 5000 I/O points and nearly 500 enterprise class secure controller based devices Wi-Fi Access Points.

The University is implementing SAP ERP modules for Student Life cycle Management and e-Governance (Finance and Human Capital Management). Parts of the custom built ERP are still operational and under migration to SAP. In-house development team manages the data centre and develops and deploys solutions for ad-hoc requirements of the university. The new website of the University www.mdu.ac.in has been designed and developed by this team. Other software developed this year by the team include Online admission portal for Foreign students and supernumerary seats in University Teaching Departments, Online admission portal for non-centralised courses, student Portal, Recruitment Panel for Teaching and Non-Teaching Posts, LMS/DMS Portal for e-resources

The University has embraced the use of latest technological advancement in governance system and has already been acknowledged as a front runner in taking e-governance initiatives. Admission process to the various programs of University Teaching Departments and Directorate of Distance Education were made online and to stop admission related malpractices, especially to stop impersonation in the entrance tests, introduction of Biometric attendance in entrance tests has been introduced. To provide and facilitate DIGIDHAN initiative of Government of India, POS have been installed at University Cashier Office and DIGIDHAN Awareness Programs have been organized by the University to make the employees and students aware about digital financial transactions.

To make the University Community aware about use of IT in their day to day office work and to make them aware about information security, Computer Centre conducts short term computer awareness programmes from time to time. One such short term training courses was organized for 39 Apprentices from 11/06/18 to 10/07/18. Another training programme was organized for 26 promoted clerks of the University from 15/01/19 to 30/04/19. Besides this many

students from other Universities/Engineering colleges who opt for their internship from this place are provided proper guidance and help.

Computer centre has been assisting various branches of the University in executing their office work. Print order, confidential list and admit cards of more than 10 lakh students were generated by the Computer Centre to help Conduct and Secrecy Branch in conducting the Exams. Help Desk has been established to handle grievances of Colleges and students.

University Computer Centre is handling Administration, Management and provisioning of ICT infrastructure of the University.

University Computer Centre is responsible for procurement, planning and monitoring of ICT infrastructure implementation projects. Currently, three major Projects are under implementation - Unified Communication and Video Conferencing (CISCO), Network Upgradation and Wi-Fi coverage densification (100 additional access points).

UNIVERSITY CENTRE FOR COMPETITIVE EXAMINATIONS

Director : **Dr. Parmod Bhardwaj** (Additional Charge)

The University Centre for Competitive Examinations (UCCE) has been providing guidance/ coaching to the students since 1990, the year when the centre was established. This centre has been established and funded under the scheme of University Grants Commission, New Delhi. The primary aim of the centre has been to prepare students for entry to various services at state and central level. Though the scheme of UGC is primarily meant for students belonging to SC/ST/Minorities/OBC (non creamy layer), however, poor students belonging to general category may also be admitted.

The centre maintains fully air conditioned library with a seating capacity of 72 students and two lecture theatres. Library contains more than 9000 books. Seven National Newspapers, Journals, Magazines and other useful learning material is available in the library for the use of students and teachers.

The centre provides guidance for various competitive examinations like Indian Civil Services and HCS (Preliminary Examination), NET/JRF (UGC), Bank Probationary Officer's, HTET (PGT), CDS and others from time to time. Besides above, special lectures are organized by experts in the relevant field.

The centre organized two coaching programmes during 2018-19 as per details given below:

Sr. No	Coaching Programme	Duration	Number of Students
1.	HCS Exam. 2018	13/09/2018 to 28/10/2018	136
2.	NET/JRF (UGC) Exam. Dec. 2019	29/10/2018 to 5/12/2018	74
3.	NET/JRF (UGC) Exam. June, 2019	01/05/2019 to 17/06/2019.	66

UNIVERSITY CAREER COUNSELLING AND PLACEMENT CELL

Director : **Dr. Raj Kumar** (Additional Charge)

The Career Counseling and Placement Cell have been established in MDU under the UGC plan. It provides good platform for students to represent their career developmental needs in their respective departments and fields. It facilitates the process of planing and executing appropriate interventions that addresses those needs. The cell also serves the purpose of bringing a better or more direct connection between the different stakeholders. The main endeavour of CCPC pf is to get students placed in reputed multinationals, government organizations, NGO's and private sector. All students of the University Teaching Departments are provided placement assistance, counselling for employment and self/social entrepreneurship. The CCPC assure logistic support to the visiting companies at every stage of the placement process by making university infrastructure available to them. The CCPC acts as an interface between the industry and the students, and enable the students to select from their career options. The CCPC facilitates the selection process of all the companies as per their requirement. The CCPC also conducts seminars and workshops to enable the students of the University to become successful professionals.

To achieve these and other such objectives, the Cell organised a total of 43 activities relating to training and placement during the said period. In addition, workshops relating to Personality Development, Communication Skills etc. were also organized by the Cell. The students of different courses participated in these activities. A total of 1168 students were placed during the placement activities organized by the Cell. In addition to these, the Cell also facilitated and helped the Departmental Career Counseling Cells in organization of such activities at the respective Departmental level. A detailed list of the activities organized by the Cell is appended.

WOMEN'S STUDIES CENTRE

Director : **Dr. Pushpa Dahiya** (Additional Charge)

Dy Director : **Dr. Neerja Ahlawat** (Additional Charge)

About the Centre

Established in January, 2010 with financial support from University Grants Commission, New Delhi, Women's Studies Centre at Maharshi Dayanand University is a leading interdisciplinary centre. From the very beginning, the thrust has been to understand women's issues from gender perspective and thereby develop a comprehensive and critical approach to strengthen gender equality for overall empowerment of women in the society. The Centre is engaged in micro-level field studies and generation of awareness programmes. For this, it actively collaborates with academia, government establishments and civil society to have a broader perspective on wider issues concerning women in contemporary India in general and Haryana in particular.

Women's Studies Centre also strives to disseminate knowledge among different strata of society by promoting dialogue between academia and activists, social work and policy making. By facilitating research, advocacy, documentation and extension work, efforts are initiated to enhance the visibility of women in the community and wider society. As a strategy, it seeks to strengthen individual and institutional efforts to enable women's empowerment in the society.

1. **Name of the Department** : **BOTANY**
2. **Head of the Department** : **Dr. Anita R Sehrawat**

3. **Faculty Profile with Name, Qualification, Designation, Specialization:**

Name	Qualification	Designation	Specialization
Dr. Pushpa Dahiya	Ph.D	Professor & Dean, Life Sc.	Aeroallergen
Dr. Anita R Sehrawat	Ph.D, Post-Doc	Professor & Head	Plant Nano biotechnology & Molecular Biology
Dr. Vinita Hooda	Ph.D, Post-Doc	Professor	Nano biotechnology
Dr. Surender Singh Yadav	Ph.D, Post-Doc	Assistant Professor	Ecology
Dr. Asha Sharma	Ph.D	Assistant Professor	Plant Physiology
Dr. Sunder Singh Arya	Ph.D	Assistant Professor	Stress Physiology & Reproductive Biology

4. **Curricular Aspects:** Nil
5. **Student enrollment and profile:**

(i). **Demand ratio during the year**

Name of the programme	Number of seats available	Number of applications received	Students enrolled
M.Sc. Botany	40	Centralized	40
Ph.D	14	105	14

(ii). **Student strength:**

Name of Course	Student Strength	
	Male	Female
PG (M.Sc.)	14	26
Ph.D. Coursework	6	08
Ph.D. (Registered students only)	7	11
Grand Total	27	45

(iii) **Pass percentage of students:**

Programme code	Programme name	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass percentage
BOT 2	M.Sc.	40	40	100
BOT PH	Ph.D	14	13	92.85

6. **Research, Innovations and Extension Activities of the Department/Centre**

(A) **Details of research projects/Funding received (UGC-SAP, DST-FIST etc)**

Name of the Faculty Member	Name of the Research Project (Minor/ Major)	Amount of the Research Project (Rs.)	Funding Agency	Period	Status of the Project
Dr. Surender Singh	Bioprospection of Medicinal Flora of Aravalli Hill Ranges of Haryana (Major)	5,01,300/-	Haryana Council for Science and Technology (HSCST), Panchkula	2017-20	Ongoing
Dr. Surender Singh	Invasive Alien Plants in Himalayas: Status,	42,65,000/-	Ministry of Environment,	2018-21	Ongoing

	Ecological Impact and Management (Major)		Forests and Climate Change (MoEFCC), New Delhi		
Dr Sunder Singh	Physiological and reproductive characterization of chickpea (<i>Cicer arietinum</i> L.) genotypes under salt stress (Minor)	50,000/-	RKFF, MDU Rohtak	2018-19	ongoing
Grand Total		48,16,300/-			

(B) Research Supervision:

12. Best practices (Describe at least two best practices)

- Department also motivate students to go on summer training which they get exposure and experiences of working in various industries which motivate them towards research field with innovative ideas.
- Students are taken on field visit to various sites in which they get first hand experience on the problems involved an increase their understanding

13. Future plans for next Academic year

- To conduct International/national conference to create consultation with the community over the generation, dissemination and application of knowledge
- To conduct interdepartment quiz, poster, slogan and declamation competition on important days like Ozone day, Water day, Wetland day etc.to give message to the society regarding environmental problems and solutions and also to develop the student's attitude & responsibility towards importance of environment.
- To conduct industrial visit to expose the students to understand the practical aspects of environment management practices adopted by the industries.
- Educational Tour will be organised for the students to have the better understanding of environment and its features.
- Invited talks will also be organised on the recent burning issues of the environment and latest technique to withstand with the problem.

Dr. Neelam Sehrawat	Genetics, M. D. University, Rohtak, on 03 November, 2018.		
	National workshop on 'Bioethics in research: A need or compulsion' organized by Dept. Of Genetics, M. D. University, Rohtak, on 15 November, 2018.	Joint secretary	15.11.2018
Dr. Rajvinder Singh	National workshop on 'Intellectual property Right protection' organized by Dept. Of Genetics, M. D. University, Rohtak, on 03 November, 2018.	Joint secretary	03.11.2018
	National workshop on 'Bioethics in research: A need or compulsion' organized by Dept. Of Genetics, M. D. University, Rohtak, on 15 November, 2018.	Organizing secretary	15.11.2018
	One Day visit made at World Book Fair 2018 held at Pragati Maidan, New Delhi from 06-14 January 2018 under MHRD.	Teacher Incharge (Forensic Sci.)	11.01.2018
Dr. Sapna Sharma	National workshop on 'Intellectual property Right protection' organized by Dept. Of Genetics, M. D. University, Rohtak, on 03 November, 2018.	Joint secretary	03.11.2018
	National workshop on 'Bioethics in research: A need or compulsion' organized by Dept. Of Genetics, M. D. University, Rohtak, on 15 November, 2018.	Organizing secretary	15.11.2018
Dr. Neelkaaml	National workshop on 'Intellectual property Right protection' organized by Dept. Of Genetics, M. D. University, Rohtak, on 03 November, 2018.	Joint secretary	03.11.2018
	National workshop on 'Bioethics in research: A need or compulsion' organized by Dept. Of Genetics, M. D. University, Rohtak, on 15 November, 2018.	Organizing secretary	15.11.2018
Dr. Mukesh Tanwar	One Day National Workshop on "DNA- The Brouhaha or the Science" organized by the Department of Genetics, M.D. University, Rohtak under RF Funds.	Joint Secretary	21.11.2017
	National workshop on 'Intellectual property Right protection' organized by Dept. Of Genetics, M. D. University, Rohtak, on 03 November, 2018.	Joint secretary	03.11.2018
	One Day visit made at 'World Book Fair 2018' held at Pragati Maidan, New Delhi from 06-14 January 2018 under MHRD.	Teacher Incharge (Genetics)	2018-19

11. Activities and support from the Parent-Teachers association if any:

Annual meeting of parent teacher was held on 23/02/2019. This helps us to know about the background of students habits from the interaction with parents and understanding of student's feedback given to parents about the Department and university. The interaction with parents paves the way to improve academic activities and leads to overall development of particular students.

12. Best practices:

- Regular workshop and conferences are being organized by the department.
- Celebration of Teachers Day on 5th September every year with a no. of events including quiz contest, poster making competition, slogan making & declamation/ debate on societal issues & current awareness.
- Guest lecturers/ Extension lectures regularly held for knowledge building and personality development of students on the topics & areas other than the curriculum/ syllabus

13. Future plans for next Academic year

- Plant tissue culture & Cell lines culture lab will be established for Research & Development at department and interdepartmental level.
- Departmental central lab will be upgraded by adding more instruments.
- Teachers will be encouraged for quality publications and to submit research projects to funding agencies.
- DST FIST project will be submitted to DST.
- To update the recent development in research, more seminar /workshop/conferences will be organized.
- Students will be exposed to field work by educational trips.
- Skill development will also be enhanced by organizing Science quiz, Declamation other co-curricular activities.

1. **Name of the Department** : **MICROBIOLOGY**
2. **Head of the Department** : **Dr. Pratyoosh Shukla**
3. **Faculty Profile with Name, Qualification, Designation, Specialization:**

Name	Qualification	Designation	Specialization
Dr. Pratyoosh Shukla	Ph.D	Professor and Head	Enzyme Technology & Protein Engineering
Dr. K. K Sharma	Ph.D	Assistant Professor	Enzymology and Recombinant DNA Technology
Dr. Bijender Singh	Ph.D	Assistant Professor	Bioprocess Technology
Dr. Pooja Suneja	Ph.D	Assistant Professor	Plant-microbe interaction
Dr. Sanjay Kumar	Ph.D	Assistant Professor	Medical Microbiology and Molecular epidemiology
Dr. Pooja Gulati	Ph.D	Assistant Professor	Bioprocess Technology
Dr. Rajeev Kumar	Ph.D	Assistant Professor	Enzyme Biotechnology and IPR
Dr. Anita Santal	Ph.D	Assistant Professor	Environmental Microbiology (Bioremediation)

4. Curricular Aspects

(A) New Programmes/Courses introduced (if any):

Program code	Program name	Course code	Name of the new Program/course introduced
MCB2	M.Sc. Microbiology	-	-
MBB2	M.Sc. Microbial Biotechnology	-	-
	Ph.D. Microbiology	-	-

5. Student enrollment and profile:

(i) Demand ratio during the year:

Name of the programme	Number of seats available	Number of applications received	Students enrolled
M.Sc. Microbiology	25	3932 (common for Life Sciences Group)	26
M.Sc. Microbial Biotechnology	20	-do-	20
Ph.D. Microbiology	6	409 (common for Life Sciences Group)	5

(ii) Student strength:

Name of Course	Student Strength

11. Activities and support from the Parent-Teachers association :

The Department time to time conduct the Parents-Teacher Meet and take feedback from parents.

12. Best practices:

- The Department has good placement in reputed software companies like-JK Technosoft, etc.
- The Department conducted workshop and Extension Lectures time to time.
- The Department conduct the Technofest every year.

13. Future plans for next Academic year:

- To establish Centre for Computing Research on IoT, A.I and Robotics, Big Data Analytics, Cloud Computing, Cyber Security Labs.
- Collaboration with leading International/ National Organizations
- To bring research projects from different funding agencies.
- More International and National conferences/ Seminars /Workshops on Advances in CSE and IT may be organized.
- Opening of Student Chapters of CSI and other bodies.
- To augment Social Connect Program

13. Future plans for next Academic year:

- As teaching and learning process is an important part of an academic department. So content of the syllabi will be revised according to advancements in the respective fields.
- Because of fast changing technologies and advancement in experimental accuracy, enhancement in experimental infrastructure is necessary for the department. So we will make efforts to upgrade M.Sc. laboratories and research laboratories through the development of new experiments and new equipments.
- Due to advancement in theoretical physics computational calculations will be promoted in the department. For this purpose, computational infrastructure will be enhanced by purchasing new software and hardware.
- National Science day will be celebrated to make the students to feel proud to be physics students.
- System of feedback from the parents, students and alumni will be strengthened for the improvement /up liftmen of the department.
- Latest edition of relevant text books along with their e-copies will be purchased to enrich the departmental library.
- Relationship with the different employers and alumni will be strengthened for the employment of the students.
- Faculty members will be encouraged to submit research projects to various funding agencies.
- Efforts will be made to collaborate with national and international institutions.
- Best practice for mentoring and carrier development for faculty and staff that promote equitable opportunities for carrier success will be implemented.
- The honest ethical practices of scholarship and teaching are essential in the academic environment. We will make efforts to inculcate these qualities in our students.

11. Activities and support from the Parent-Teachers association if any

A meeting of parents-teachers was held on Feb. 28th, 2019. Parents gave their suggestions by filling feedback performas.

12. Best practices :

1. Working as a Team

The faculty and non-faculty members feel free to express their thoughts, opinions, and potential solutions to problems in various formal and informal meetings/gatherings which lead to academic freedom. Members are listened to by the faculty members with care and attention. Approach toward achieving the goals is defined and explained in meetings. Equal right, opportunity and weightage is given to every member as far as the opinion on a point/matter is concerned. Decisions in the meetings are taken by full participation of every member and through mutual consensus. Committees are constituted in such a way that each and every faculty member gets orientation and exposure of each type of duty. Conferences, Seminars and other Activities/programmes are organized with involvement of every faculty member of the Department.

2. Encouragement for Research

There is a healthy academic environment in the Department as there is good coordination and harmony among the teachers. The research guides have harmony with their research students also and give sufficient time to them for discussion on the problem related to their field of research. About 15-20 students of the Department are awarded JRF by CSIR/UGC every year. Every year, university provides three university research scholarships (URS) to the students of Mathematics for supporting their research work. A fairly large number of scholars are registered in the Department for Ph.D. degree. The department / university grants duty / academic/ study leaves liberally to the teachers as and when required for pursuing higher research degree and for participating in conferences / symposia/ workshops or other academic / research purposes by other universities / institutes in India and abroad. The department has research funding from UGC in the form of Research projects. One major and two minor research projects have been completed in the department. The university subscribes sufficient number of research journals for the department as per different specializations. A good number of research journals published in India and abroad are being subscribed. Faculty members and research scholars have access to on-line journals and e-books.

13. Future plans for next Academic year:

- To implement new syllabi of UG programmes and 5-Year Integrated PG programme as per CBCS.
- To install LCD/LED Projectors in all the Lecture Theaters.
- To introduce M.Sc. (Actuarial Sciences) and to propose Faculty of Actuarial Sciences.
- To organize an international conference.
- To organize one/two day Seminar/Workshop to develop skills and to promote placement activities of the students.
- To enhance infrastructural and research standards through UGC-SAP (DRS-II).
- To apply for research projects funded by UGC, CSIR or other agencies.
- To arrange at least three extension lectures to enhance academic/ research standard. Alumni will be invited for delivering some of these lectures.
- To make provisions of lifts and ramps for differently abled students/employees.
- To do new/extended research work in the varied areas of mathematical sciences and to get it published in the Scopus/WoS/ICI indexed UGC approved Journals.
- To make efforts at the departmental level to establish linkages with various institutions/industries for research and extension.

11. Activities and support from the Parent-Teachers association:

The department has organized the Parent- Teachers meeting on 30.04.2019. There was an interaction of the faculty members with the parents present on the occasion. Feedback from them on the prescribed proforma were obtained. Later on the department worked out the average score against each of the parameters. On the whole, the parents were highly appreciated of the university in terms of admission procedure, quality of teaching being imparted, discipline in the campus, learning environment and teaching faculty of the department.

12. Best practices:

- The department had organised an educational tour for the students from 23.03.2019 to 30.03.2019. It gave students an opportunity to closely observe and understand natural and cultural landscape in desert environment.
- An intra-department Cricket match was organised on 30.08.2019. It not only enhanced the feeling of competitiveness among students but they also learnt to work and act as a group.

13. Future Plans:

- The department will organized conference/seminar, workshop, extension lectures etc. to enhance academic/ research standard by using the various softwares like ARC GIS, Q GIS, ERDAS Imagine, SPSS, Open sources satellite data, etc. for computational work relating to teaching & research in Geography.
- Alumni will be invited for delivering the lectures.
- To make efforts at the departmental level to establish linkages with various institutions /industries for research and extension.
- To arrange educational tours to various places in India for wider exposure of the students in various domains and understand the emerging areas in the society, in general, and Geography, in particular.
- To organize blood donation camp/cultural programmes.
- To organize other extracurricular/co-curricular activities in collaboration with other agencies/NGOs (such as Rotary/Lions etc.).
- To establish two ICT equipped research Labs with all kinds of software to be used for research in Geography.
- To strengthen the Alumni database by making efforts of keeping the record of each and every alumnus of the Department to enhance guidance and placement. The eminent alumni preferably belonging to industries/corporate/research institutes/Govt. agencies/foreign institutes may be involved as special invitees in its Board of Studies.
- To strengthen the Departmental Library.

10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment: Nil

11. Activities and support from the Parent-Teachers association if any

The institute is not having any formal Parent-Teachers Association though the Institute organizes Parent Teachers Meeting time to time to address various issues related to teaching learning process and to make the overall development of the students.

12. Best practices:

Hospitality and Tourism are Activity Based Learning Programmes therefore the Institute has facilities for both classroom teaching which is supplemented with practical exposure, integral part of course curriculum, to students both in-house as well as in the industry. The in-house exposure is given with the help of various labs and Industrial exposure is given with the help of Industrial training. Apart from this institute organizes guest-lectures/workshops to enhance employability of students to impart practical training.

13. Future plans for next Academic year

The institute is in the process of change in curricula to make it as per the requirement of industry as well as of academics. Further the institute is in the process of starting some value added courses which are helpful for the students to acquire jobs in the industry.

Department is planning to organize a workshop / seminar / conference at national and international level to enhance the capability of teachers as well as students. Series of Extension lectures related to research and statistic will be organized by department. We will try to cater the needs of diverse learners belonging to backward/weaker sections of society. We are planning to start teaching learning process in blended mode and try to use of Multimedia Approach in Teacher Education. Our moto is to enhance quality of Research Work at Ph.D., M.Phil. & PG level. Some outreach programmes will also be conducted for contribution to community. We try to make the department an excellent centre of learning.
