

Announcement

The Department of Statistics, M.D. University, Rohtak (India) in collaboration with the Indian Association for Reliability and Statistics (IARS), is delighted to announce a one-day International Seminar on “**Statistical Frontiers in Data Science (IS-SFDS-2025)**” to be held on March 01, 2025. This seminar will bring together eminent Statisticians, Mathematical Scientists and Researchers from diverse domains to exchange ideas and share their latest findings in Statistical Theory, Operations Research, and their cutting-edge applications in Data Science. The event aims to create an interdisciplinary and collaborative forum for exploring recent developments, emerging trends and innovative solutions in the fields of Machine Learning, Artificial Intelligence, Reliability and Optimization Techniques. Designed as a premier platform for research scholars and young faculty from India and abroad, the seminar will provide a unique opportunity to present research papers and engage in insightful discussions with experts and peers. Participants will gain valuable exposure to contemporary advancements and novel methodologies shaping the landscape of Statistics and Data Science.

International Seminar on Statistical Frontiers In Data Science (IS-SFDS-2025) Date: March 01,2025

Contact us

Research scholars and faculty members interested in presenting their research papers are invited to submit their titles and abstracts, limited to 250 words, in MS Word format to sc_malik@rediffmail.com no later than February 20, 2025. A nominal registration fee of ₹500/- will be charged (only from those participants who wish to present their research papers) payable at the time of spot registration on the day of the seminar. Registration will take place from 9:00 AM to 10:00 AM at the seminar venue.

Convener: Prof. S.C. Malik (HOD Statistics, M.D. University, Rohtak)

Organizing Secretary : Dr. Naveen Nandal (Department of Statistics, M.D. University, Rohtak)

VENUE: FACULTY DEVELOPMENT
CENTRE (FDC)

(M.D. UNIVERSITY, ROHTAK)

Keynote Speaker
Prof. Sat N. Gupta
(Greensboro USA)
