

Sir,

As you are aware that most of the Inter-College/Inter-University Games have been concluded and the certificates of merit/Participation are to be printed shortly. Before initiating the printing process, it has been observed that a few Game Incharges have not yet submitted their Manager's Report along with the certified copies of players' eligibility. In the absence of these documents, the printing process may get delayed. Further, Organizing Secretary Report of organization of Inter-College Tournament have not yet been received by the office.

Therefore, all concerned Game Incharges/University Coaches are hereby requested to kindly submit the NZIU/NEZIU/AIU Manager's Report along with certified copies of eligibility of the players/Organizing Secretary Report of organization of Inter-College Tournament by **17.04.2026 positively**, so that the merit/participation certificates may be printed without any further delay.

Thanks & Regards,

**Director Sports &
Secretary MDUSC, Rohtak**
