Sub: Strengthening Anti Ragging measures across the University Campus

Sir/Madam

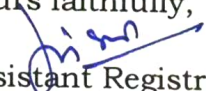

This has reference to the directions issued by the UGC dated 27.07.2026 (copy enclosed) regarding implementation of UGC regulations on Curbing the Menace of Ragging in Higher Educational Institutions. The commencement of a new academic session calls for renewed efforts to ensure that every student experiences a safe, respectful and welcoming environment within the University. As part of the University's commitment to maintaining academic discipline and student welfare, it is considered appropriate to reinforce the institutional mechanism for the prevention of ragging and to further strengthen awareness among students regarding their rights, responsibilities and the consequences of engaging in such activities.

In order to achieve these objectives, you are, therefore, requested kindly to obtain the prescribed Anti-Ragging Undertaking from every newly admitted student and his/her parent or guardian before completion of the admission process. They may also ensure that students are adequately informed about the University's policy against ragging during orientation and other academic interactions.

The above measures are intended to further strengthen the University's preventive framework, encourage responsible student conduct and reinforce a culture of dignity, safety and mutual respect throughout the campus.

This may be treated as MOST URGENT.

Yours faithfully,

Assistant Registrar (Academic)
