DETAILED REPORT AND DESCRIPTIVE OBSERVATION

Name of the College: Aggarwal College Ballabgarh, Faridabad

Date of Inspection: April 24, 2026

An inspection committee comprising of Prof. Minakshi Sharma (Convenor), Head Department of Zoology, M.D. University, Rohtak, Prof. Anita Rani Schrawat, Head Department of Botany, M.D. University, Rohtak and Prof. Asha Sharma, Department of Botany, M.D. University, Rohtak visited the college on 24.04.2026 to consider the matter for grant of provisional affiliation for B.Sc. (Life Science) 2nd Year Program and its Continuation in 1st year program with an intake of 80 seats under SFS for/from the session 2026-27. The committee physically verified the available infrastructure library facilities, lab facilities and the availability of faculty for the above said course.

The observations are summarized below:

Infrastructure and Facilities-The College has good infrastructure in terms of smart classrooms, laboratories, library, playground, Principal's office, administrative office, staff room, separate common rooms for boys and girls, sanitation facilities, conference hall, canteen and safe drinking water facility.

Teaching and Non-Teaching Staff-The college is currently headed by an acting Principal and has seven Assistant Professors engaged in teaching the B.Sc. Life Sciences program. Out of these, three faculty members have received formal approval, while the remaining are appointed on a contractual basis. College is also having three lab attendants one in each-Zoology (SFS), Botany (Regular) and chemistry (Regular).

Academic Resources-The College has functional computer laboratories with sufficient no. of computers along with proper internet connectivity. The college also has well maintained library with approximately 1, 26,171 books, INFLIBNET Facility, e-resources such as e-books and Project Gutenberg, along with sufficient no. of journals, magazines and newspapers.

Recommendations

- Regular faculty for Botany and Zoology subjects will be appointed on urgent basis and approval of already appointed Teaching and non-Teaching staff should be sought from the University.
- Laboratory infrastructure should be further strengthened with basic equipments, more no. of models, charts and microscopes in biology labs (Zoology and Botany) and more basic chemicals and glasswares in chemistry lab to meet out the requirement of one more batch of 80 students as well as to strengthen the practical work.
- More books as per curriculum under NEP 2020 for B.Sc Life Science be purchased.

In view of the above, committee recommends the Provisional affiliation for B.Sc. (Life Science) 2nd Year Program and its Continuation in 1st year program with an intake of 80 seats under SFS for/from the session 2026-27, in respect of Aggarwal College Ballabgarh, Faridabad.
