M.D. University, Rohtak.
2. The Principals/Directors,
of the Colleges/Institutes,
M.D. University, Rohtak.

Subject: Clarification regarding subject booking of Internship in UG Programs.

Sir/Madam,

It is to inform you that as per the Curriculum Structure for UG Programs, a student is required to complete an Internship in the 5th semester in accordance with the MDU Internship Regulations. The University is receiving various queries from the Directors/Principals of the UTDs/affiliated Colleges seeking clarification regarding subject/internship booking on the ERP Portal of those students who are pursuing Internship/who have completed an Internship in 5th semester in UG Program.

To avoid hardship to the students/UTDs/Affiliated Colleges, the matter has been considered by the Vice Chancellor and in terms of orders passed, it is being clarified that the subject code assigned to Internship in UG 5th semester in the Scheme of Examination or on the online portal is related to the Major discipline irrespective of the field/discipline in which a student is pursuing/completed internship. The UTD/College may select any internship code related to any major discipline of UG Multidisciplinary Program on the online portal for the purpose of subject booking/uploading of marks. The same clarification is also applicable to UG Single Major Program.

For Example: A student pursuing B.Sc. (Life Sciences) and opted for three major subjects as Botany, Zoology and Chemistry/Geology and completed internship in Artificial Intelligence in any company, then the UTD/College may select any internship code related to Botany, Zoology and Chemistry/Geology on the online portal for the purpose of subject booking/uploading of marks.

This is for your information and necessary action.

Assistant Registrar (Academic)
