Specialization: National Security and South Asian Strategic Issues

Dr. Yogender Singh is an Associate Professor in the Department of Defence & Strategic Studies at Maharshi Dayanand University, Rohtak. He joined the University on 05 February 2026. He has more than fourteen years of teaching and research experience in higher education. Prior to joining Maharshi Dayanand University, Rohtak as Associate Professor in Feb. 2026, he served as Assistant Professor in the department of Defence and Strategic Studies, Kurukshetra University, Kurukshetra and Higher Education Department of Haryana. Dr. Singh earned his M.A. and Ph.D. in Defence and Strategic Studies from Maharshi Dayanand University, Rohtak and also qualified UGC-NET in 2010 and Junior Research Fellowship (JRF) in 2011. Dr. Singh completed his Ph.D. with research focused on Obstacles in India–Bangladesh Relations under the supervision of Prof. S.P.Vats. His doctoral research examined the causes behind the creation of Bangladesh, major obstacles in India–Bangladesh relations, and the key features and dynamics of India–Bangladesh relations. His current research interests also include India's strategic environment, South Asian security, and contemporary geopolitical developments. He has published thirteen research papers in reputed journals, six book chapters and one book. He has successfully supervised four project reports of diploma students. He has also delivered numerous invited lectures. He was also served as member of Academic Council, University Court, UG (BOS) and PG (BOS) of M.D. University, Rohtak.
