

MAHARSHI DAYANAND UNIVERSITY ROHTAK
DEPARTMENT OF STATISTICS

Dated- 19.03.2021

NOTICE

Prof. S.C. Malik, Principal Investigator, MATRICS Project is going to conduct some research activities on the topic “**Reliability Evaluation of Non-Series Parallel Systems**” in the Department of Statistics on March 25, 2021. The research scholars & M.Sc/M.Tech students of the University in general and particularly of the Departments of Statistics, Mathematics, Computer Science, Physics and Engineering are cordially invited for their participation in the research activities. The problems related to Reliability Modelling of Repairable & Non-Repairable Systems will also be addressed by a group of experts and the students/research scholars will be provided a free platform for discussion in this area. The activities will be carried out in the Department during working hours and for this purpose no fee will be charged from the participants.
