Inter University Research Competition – Shodh Shikhar -2022

Dear Sir/Madam

Greetings from all of us in RNTU and best wishes for a bright New Year 2022, post dreadful era of Covid in 2021.

Rabindranath Tagore University (RNTU), is the first private university of Madhya Pradesh state, located at Bhopal the capital of MP. It is the only private university in the state in NIRF ranking for last three years.

I am happy to inform that our university (RNTU) in association with United Nations Development Programme (UNDP), VigyanBhartiMadhya Bharat, R.F.R.F., Dr. C.V.R.Us. and AISECT University, is organizing an all India Inter University Research & Innovation Festival on 3-4 March 2022 titled **Shodh Shikhar-2022**. **I on the behalf of the organisers, very cordially invite you to this unique event.** This advance information and informal invitation so much in advance is only to ensure that you could kindly make a note in your engagement diary to book these dates for us and we do not miss you in the festival. We will ofcourse send you a formal invitation in the due course.

We are enclosing details of the programme and a flier of the festival which will comprise mainly of two mega events - A Research Paper competition **Anushodhan -2022** for all students, faculty and researchers of your university and a Research Project Competition **NavNirmani – 2022** for only Diploma/UG/PG students of your university. In Research Paper Competition there is no limit for number of participants but in Project Competition maximum two Projects will be accepted from each university. There are attractive prizes worth Rs. Two Lakh plus for winners in various catagories in cash and kind.

May I request you to please encourage Students, Researchers, Faculty Members and Scientists in your esteemed University to participate in this mega event. Kindly circulate and display the flier and details for notice of everyone in the University.

Thank you very much in anticipation of your whole hearted support.

Thanking You

With very best regards
