(NOT TO BE OPENED BEFORE TIME OR TILL ASKED TO DO SO)

SUBJECT: Mechanical Engineering

	Sr. I	10002 No.
Time . 11/4 Hours	Max. Marks : 100	Total Questions: 100
Candidate's Name	Date of Birth	A STANLEY OF STANLEY S
Father's Name	Mother's Name	
Roll No. (in figures)	(in words)	AND REAL PROPERTY OF THE PARTY
Date of Examination	CANCING THE REPORT COME THE PROPERTY OF THE PR	
(Signature or the Candidate)	(Signa	ature of the Invigilator)

CANDIDATES MUST READ THE FOLLOWING INFORMATION/INSTRUCTIONS BEFORE STARTING THE QUESTION PAPER.

- 1: All questions are compulsory and carry equal marks.
- 2. All the candidates must return the question booklet as well as OMR Answer-Sheet to the invigilator concerned before leaving the Examination Hall, failing which a case of use of unfair-means/misbehaviour will be registered against him/her, in addition to lodging of an FIR with the police. Further the answer-sheet of such a candidate will not be evaluated.
- 3. In case there is any discrepancy in any question(s) in the Question Booklet, the same may be brought to the notice of the Controller of Examinations in writing within two hours after the test is over. No such complaint(s) will be entertained thereafter.
- 4. The candidate *must not* do any rough work or writing in the OMR Answer-Sheet. Rough work, if any, may be done in the question booklet itself. Answers **Should Not** be ticked in the question booklet.
- 5. Use black or blue ball point pen only in the OMR Answer-Sheet.
- 8. For each correct answer, the candidate will get full credit. Cutting, erasing, overwriting and more than one answer in OMR Answer-Sheet will be treated as incorrect answer. There will be No Negative marking.
- 7. Before answering the questions, the candidates should ensure that they have been supplied correct and complete booklet. Complaints, if any, regarding misprinting etc., will not be entertained 30 minutes after starting of the examination.
