#### CANDIDATES MUST READ THE FOLLOWING INFORMATION/INSTRUCTIONS BEFORE STARTING THE QUESTION PAPER.

- 1. All questions are compulsory and carry equal marks.
- 2. All the candidates must return the question booklet as well as OMR Answer-Sheet to the Inviguator concerned before leaving the Examination Hall, failing which a case of use or unfair-means/misbehaviour will be registered against him/her, in addition to lodging of an FIR with the police. Furtner the answer-sheet of such a candidate will not be evaluated.
- 3. In case there is any discrepancy in any question(s) in the Question Booklet, the same may de prolight to the notice of the Controller of Examinations in writing within two hours after the test is over. No such complaint(s) will be entertained thereafter.
- 4. The pandidate must not do any rough work or writing in the OMR Answer-Sheet. Rough with it any, may be done in the question booklet itself. Answers Should Not be ticked in the a lest on booklet.
- 5. Use black or blue ball point pen only in the OMR Answer-Sheet.
- 6. Fur each correct answer, the candidate will get full credit. Outling lerasing, overwriting and Ture than the answer in OMR Answer-Sheet will be treated as Incorract active in there will se his hegethe marking.
- To Bettre answering the questions, the candidates should lark, thirtacine), have been exopial. thest and complete booklet. Complaints of any regarding masonating end with the ma ellienamed 30 conutes after stantag of the example of
