The Academic Audit Reports of the University Teaching Departments were put before the Quality Advisory Council for the session 2013-14 by the Office of IQAC. On the basis of the Academic Audit Reports, the Council suggested the following:

- The faculty members should be motivated to get more projects from various funding agencies.
- There is a short of regular faculty in some of the departments and the recruitment of regular faculty may be made at the earliest.
- Though in some of the Academic Audit reports it has been recommended that there should be a Departmental Library, the Council is of the view that the Central Library is in the vicinity of all the departments and has a rich collection of books of all the subjects and hence the Central Library may be more strengthened.
- There needs to be a Language Lab in the Department of Hindi.
- For the Departments under the Faculty of Life Sciences, the budget for chemicals needs to be increased.
- The Council observed that there is lot of space in the University for departments. However, for some of the departments there is a need to provide/construct more class rooms/lecture theatres.
