M.D. University, Rohtak

Sub: Permission/Approval of Engineering Cell for the location/site before any
construction/maintenance works on the Campus.

P.T.O.

I have been directed to invite your kind attention towards the construction/fixing/laying of various works like fixing of Kiosk, Booths, Plantation of trees/plants, laying of internet cables, construction of any temporary structure, etc. on the campus being executed on any desired location/site by the respective branches/offices. These kind of execution of works creates hurdles in future expansion works on the University Campus.

It is pertinent to mention here that the worthy Vice-Chancellor took a serious view on this matter in a Meeting and has desired that no such type of works should be executed on the Campus without prior permission/approval of Engineering Cell considering the future expansion/development aspects on various sites on the University Campus.

Therefore, I have been directed to request/advise you not to instigate such type of works on any location in the University Campus without prior approval of Engineering Cell to avoid hurdles being faced in future expansion.

This is for your information and necessary action, please.

Executive Engineer

Endst. No. EE/2020/ 2213-2227

Dated: 24-8-2020
