Sidhu bats for trade with Pak via Attari

Says Integrated Check Post may open up business opportunities with 34 nations

TRIBUNE NEWS SERVICE

AMRITSAR, DECEMBER 4
PCC chief Navjot Singh Sidhu today questioned the Centre for allowing trade with Pakistan through Karachi and Mumbai, while halting it between Amritsar and Lahore.

This has resulted in a loss of Rs 4,000 crore and 15,000 jobs to Punjab over the past 34 months, said the PCC chief during a visit to trade exhibition 'PITEX' here.

He asserted mischievous elements could not be stopped because the border was porous. Cargo from the North should be exported through the Integrated Check Post (ICP) at the Attari-Wagah Joint Check

Post and not routed via the ports of Maharashtra and Gujarat, he said. The ICP could open up trade opportunities with 34

"It is not even 5 per cent of the total potential." "This is the roadmap for development of Punjab by raising income of farmers

and providing adequate employment opportunities," said the PCC chief, adding it would enable farmers to sell crops to other countries.

"There is no short way to success, but the ICP is. Entire Europe was devastated following World War II but they revived their economies within 10 years by opening up their borders," said Sidhu.

He favoured giving the minimum support price to farmers on cereals and pulses, which the country imported from overseas. He lashed out at the Centre for increasing debt on the FCI by Rs 4 lakh crore in the past five years, saying it stood at Rs 91,000 crore during 60 years.

Illegal mining rampant in CM's constituency: AAP

CHAMKAUR SAHIB, DECEMBER 4

After the recent visit by Delhi Deputy Chief Minister Manish Sisodia to government schools to "expose" the state of affairs there, AAP state affairs co-incharge, Rajbhav Chadha today reached a desilting site on the Sutlej riverbed near Chamkaur Sahib, claiming illegal mining was rampant in Chief Minister Charanjit Singh Channi's constituency.

A large number of tippers were being loaded at the site near Jindapur and Mallewal villages when Chadha along with party workers and media-persons reached the spot.

He accused the ruling Congress of "patronising" the sand mafia and claimed nearly 1,000 tippers were loaded with sand from the site every day. The AAP leader alleged the sand was being lifted from land falling

Channi indulging in theatrics: SAD

FATEHGARH SAHIB, DECEMBER 4

Accusing Chief Minister Charanjit Singh Channi of indulging in theatrics, SAD president Sukhbir Singh Badal today claimed the CM controlled the sand mafia and illegal colonisation in the state.

Talking to media persons in Amloh, Sukhbir said there was a fight among Congress leaders to "grab the boot". Taking a swipe at Navjot Singh Sidhu, he said the PCC president was capable of defeating the Congress on his own. HC rejects bail plea of motorist involved in mishap at farmers' stir

CHANDIGARH, DECEMBER 4

The Punjab and Haryana High Court has rejected the bail plea of a motorist allegedly involved in an accident during a peaceful demonstration by farmers. Two minors and another person had died in the accident. The accused had taken the plea that he had suffered a seizure due to epilepsy, resulting in the accident.

Prityal Singh had moved the Punjab and Haryana High Court against the state of Punjab and another respondent seeking regular bail in a case registered at the Tripuri police station in Patiala district on March 30 for rash or negligent driving, culpable homicide not

3 had died in accident

amounting to murder and other offences under Sections 279, 337, 338, 427, 306 and 304 of the IPC and provisions of the Motor Vehicles Act. Opposing the plea, the State counsel argued that a peaceful demonstration by farmers was going on at a roundabout near Gurdwara Dalh Nwaran Sahib. Driving the vehicle in a negligent manner, the petitioner intention-

ally struck a car at the traffic lights before hitting the farmers sitting on the agitation. In that process, two minors and another person died, while another person sustained multiple injuries and had to undergo two brain surgeries before remaining on ventilator from March 29 to April 5. Apart from this, four other persons were also injured. The petitioner's counsel argued that the motorist was a patient with history of epilepsy undergoing treatment since 2016. He was in custody since March 30, the investigation was complete and the trial would take some time to conclude. — TNS

works of the district completed on priority, they said.

Munish Dandawala, president of Arthiya Association of Mansa, said, "After joining the Congress, Moosewala has to take the responsibility. He will have to share a comprehensive roadmap with residents on how he is going to get these works done. The residents of Mansa have always played a

significant role in mass movements and voters are quite alert and informed. Gurbaj Singh Mahal, a leader of the Samvidhan Bachao Manch, said, "In our 11-point agenda, we have asked for a detailed plan. Around 70 per cent sewerage in Mansa is faulty and there are no proper arrangements for cleanliness in the city area. The state government announced more than four years ago that it would provide a permanent solution to the stray cattle menace but there is no headway in that project also."

"At Nehru Memorial Government College, there is not even a single regular professor and it also does not have required academic infrastructure. The government hospital in Mansa does not have expert doctors and medical infrastructure to provide quality treatment. The repair work of the canal tributary channel that supplies water to Moosewala village is also lying pending," added Mahal.

Recovery of drugs in every case viewed with suspicion, says HC

SAURABH MALIK

TRIBUNE NEWS SERVICE

CHANDIGARH, DECEMBER 4

Amidst claims of earnest efforts by the state agencies to arrest the drug menace, the Punjab and Haryana High Court has asserted contraband recovery in every case was viewed with distrust following some false implication cases. The assertion came as the Bench ordered an inquiry into a case of alleged false implication.

Justice Vilas Bahl made it clear the Khanna SSP would examine the matter before determining whether action was required to be taken against erring police officials. "The SSP Khanna, while taking such a decision should aim at balancing the scales, inasmuch as it is on account of some false implication cases that the recovery in every case is seen with an eye of suspicion," Justice Bahl added. In his order, Justice Bahl observed it was for him to ascertain whether police officials under his authority were performing their duties with honesty and in accor-

Prima facie proof of enmity between the police officials and her family was also in existence. Even her husband was falsely implicated, apparent from a judgment dated March 7, 2015.
