tion, the police said. "The family hid the truth for a decade," said Mr. Yadav.

**Renewed scrutiny**  
The mystery surrounding Akila's disappearance came under renewed scrutiny when the Sehore district police recently decided to open old cases as part of the State government's campaign to find missing girls. In the past decade, theories of her assumed kidnapping and illicit relationships swirled around the tiny village before an anonymous tip-off pointed investigators towards putting focus on her family.

The Sehore administration said on Monday that several skeletal remains have been recovered while excavating the graveyard in Mandla Khurd village. Further investigations, documentary checks, physical verifications and forensic examinations are under way, the police said.

Those in distress can dial +91 9630899002 or +91 7389366696 for assistance.

**Assam-Mizoram border school damaged in blasts**

**SPECIAL CORRESPONDENT GUWAHATI**

A school on the restive Assam-Mizoram border was damaged in two bomb blasts triggered by unidentified miscreants on Wednesday afternoon.

The incident happened almost seven months after another school was blown up amid a violent border row.

Pabindra Kumar Nath, SP of southern Assam's Hailakandi district, said the blasts had damaged the Muliwala Lower Primary School on the Assam side of the border. The school is about 12 km from the nearest police station at Ramnathpur. "The situation is tense but under control. We have increased security," said Nath, who inspected the school with Deputy Commissioner of Law and Order, Nidhi Dahal.

On July 10, miscreants allegedly from Mizoram had blown up the Upper Paimom Lower Primary School in the adjoining Cachar district of Assam. It was the second border area school to have been bombed in more than a fortnight.

The decades-old dispute had flared up on October 17 when miscreants set some 20 shops and houses ablaze and 50 people were injured in attacks and counter-attacks. Assam-based organisations retaliated by imposing an economic blockade against Mizoram.

The blockade was lifted on October 22 but the situation deteriorated again on October 28.
