Subject: Extension in submission of Ph. D. Thesis

Madam/Sir,

This is in continuation with this office letter No. R&S/Ph.D./R-9/2020/6356-6404 dated 26.10.2020 regarding ***"The M. Phil./Ph. D. students, whose normal period/extended period, as per Ordinance, is expired/expiring, are allowed to submit their dissertation/thesis within six months from the date of expiry of regular prescribed period. They are also allowed for further extension, as per provisions, already contained in M. Phil./Ph. D. Ordinance, within six months from the date of expiry of preceding permitted period. For instance, the normal period in case of Ph. D. students are allowed 4 and half years instead of 4 years and the students may apply for one year extension (first extension) after completion of 4 and half years. Similarly after one year extension beyond normal period, they are allowed to apply for further extension after completion of 5 and half years instead of 5 years and so on."***

Now, the University Grants Commission has issued further guidelines on this issue and I have been directed to inform you that the Vice-Chancellor has been pleased to order that as per Public Notice issued by UGC on 3rd Dec 2020 that further extension of six months up to 30.06.2021 due to COVID-19 be allowed. However, the approval of such cases will be sought from the authorities on case to case basis by this branch

You are, therefore, requested to circulate this information amongst the scholars of your department
