

## **Facilities -**

The university has best facilities to nurture the innovative ideas :

- Well equipped laboratories with advanced instruments to develop prototypes.
- Central Instrumentation Lab (CIL) with modern instruments and analytical facilities.
- Incubator Centre (ET & IT based solutions) sponsored by Department of Information Technology, Electronics and Communication, Government of Haryana.
- Experienced Faculty members for mentoring the innovators with potential ideas.
- Tinker Labs
- Well defined policy for IPR and Technology Transfer
- Institutional Innovation Council (IIC)
- Innovators Club to share/discuss ideas, events and opportunities.
