DEPARTMENT OF ZOOLOGY

Celebrating on

World Wildlife Day marks a time to celebrate and raise awareness about plants and animals around the world. Wildlife plays an important role in balancing the environment in all ecosystems, deserts, forests, plains and other areas. 3rd March of every year is dedicated to wildlife and this day is celebrated all over the world as “**World Wildlife Day**” in the form of various competitive activities. In continuation of this the Department of Zoology, MDU is going to celebrate this day on **3rd March, 2022**.
