Gurgaon: The Municipal Corporation of Manesar (MCM) has slapped a fine of Rs 1 lakh on Raheja Navodaya RWA over its non-functional sewage treatment plant leading to the disposal of untreated wastewater in the open. This is the second time that this condominium has been fined Rs 1 lakh for the same issue.

In February this year, MCM imposed a penalty of Rs 1 lakh, however at that time the STP was being operated by the builder. In April, the RWA took over the operations and maintenance of the STP but has failed to ensure environmental norms are followed.

The quality of wastewater, which is coming out from the STP should meet all the parameters set upon by the pollution control board.

There are several stages in the proper functioning of STP including physical filtration, use of different equipment and adhering to parameters that ensure wastewater is being treated and reused for horticulture purposes and toilet flushing, the official said.

"We have received complaints from the residents about illegal disposal of wastewater in the open. Our team visited the site and found that the STP was not working properly with an unbearable stench. The wastewater is being disposed of illegally behind the society, creating a mini pond of dirty water. This is the second time we have issued a challan. If the RWA, who is responsible for its maintenance, fails to pay then appropriate action will be taken as per the rules," the MCM official said.

The residents have blamed the RWA for not being able to maintain the STP and disposing of wastewater illegally, which is not only a health risk but also detrimental to the environment. "If the RWA has taken the handover of the STP without proper disposal arrangements from the builder then they are at fault. They must resolve this issue, or they must bear the penalty from their pocket. They cannot ask the residents to pay any penalty," said Sandeep Singh, a resident.

Meanwhile, the RWA refuted the claim as baseless and maintained that the STP is functioning properly.

By Dec, park at ITO based on freedom struggle

TIMES NEWS NETWORK

New Delhi: Lieutenant governor VK Saxena laid the foundation stone of 'Azadi Ka Amrit Mahotsav Park' in Shaheed Park at ITO on Saturday.

The park will be themed on India's freedom struggle. Municipal Corporation of Delhi plans to inaugurate it next year and turn it into a major tourist attraction.

According to officials, 'Azadi Ka Amrit Mahotsav Park' is being built at a cost Rs 16.5 crore and will be spread over a total area of 4.5 acres.

Saxena asked officials to create a water channel flowing up to the central fountain in the park, establish an interpretation centre at the entrance and provide ample parking space for the visitors.

He also instructed them that the park should be ready by December. It is likely to be open to the people on Republic Day.

This park will be built with the help of scrap items like old vehicles, electricity poles, pipes and angle irons.
