

AICTE Sponsored
National Conference
on
**Emerging Trends in Engineering, Science
and Management-2022**

26/11/22 - 27/11/22

Sponsored by :

Coordinator : Dr. Neha Khurana
Co-Coordinator : Dr. Vipin Kumar
Organising Secretary : Dr. Kavita

Organized By:
Department of Electrical Engineering
University Institute of Engineering and Technology
MAHARSHI DAYANAND UNIVERSITY
(NAAC Accredited- A+ Grade)
Rohtak

Website :- www.mdu.ac.in, www.uietmdu.com
Conference Website :- www.etesm2022.com

Chief Patron:

❖ **Prof. Rajbir Singh, Vice-Chancellor, MDU, Rohtak**

Patron(s):

- ❖ **Prof. Nov Rattan Sharma, Dean Academics Affairs, MDU Rohtak**
- ❖ **Prof. Gulshan Lal Taneja, Registrar, MDU Rohtak**

Chairman:

❖ **Prof. Yudhvir Singh, Director, UIET, MDU, Rohtak**

Call for Papers:

The objective of the conference is to provide an opportunity to academicians and researchers to discuss various innovative technologies and their applications in the field of higher education and submit their findings as research articles to step ahead to the next level. We extend a warm invitation to the academics and researchers to contribute their high-quality research papers, including field studies on the topics given below:

Track 1: Engineering

Sub tracks:-

- Computer Science
- Electronics & Communication
- Electrical
- Mechanical
- Civil
- Biotech
- Textile
- Printing
- Others

Track 2 : Science

- Physics
- Chemistry
- Mathematics
- Environmental Science
- Life Sciences
- Others

Track 3: Management

Sub tracks:-

- Marketing
- Finance
- Production
- Human Resource Management
- International Business
- Others

Guidelines for Authors:

- The papers submitted must be original and unpublished.
- All submitted papers shall be accepted after scrutiny and plagiarism check.
- The research paper should be submitted in the format given below :
 - a. Length of full paper - Not more than 2500 to 3500 words in double column format.
 - b. Font: Times New Roman.
 - c. Font size - 12 (Line spacing 1.5 and alignment "justify" with 1 inch margin on all sides).
 - d. Every research paper must contain an Abstract.
- The papers will be published in conference proceedings having ISBN number.

About University

Maharshi Dayanand University (A state Government University) came into existence by an act of the Haryana Legislative Assembly in 1976 with the objective to promote inter - disciplinary higher education and research in the fields of environmental , ecological and life sciences . The University is located at Rohtak in the state of Haryana about 75 kms from Delhi on Delhi-Hisar National Highway (NH- 10). The University campus is spread over an area of over 665.44 acres. Educational and research programmes are offered through its 36 departments. Over 490 Institutions / Colleges of general education, Engineering Technology , Computer Sciences and Management Sciences are affiliated to the university.

About Institution

The University Institute of Engineering & Technology (UIET), M.D University Rohtak was established in the year 2005 with the aim of providing quality technical education in the emerging fields of Engineering & Technology. U.I.E.T has become a preferred destination for engineering education/research aspirants because of its good infrastructural/lab facilities. The Institute is also selected for the TEQIP-II grant of the World Bank Project under sub component 1.1. The Technical Education Quality Improvement Program (TEQIP) aims to upscale and support ongoing efforts of Government of India for improving the quality of technical education and enhancing the existing capacities of the institutions to become dynamic, demand driven, quality conscious, efficient and forward looking, responsive to rapid economic and technological developments occurring both at National and International levels.

About Conference

A multidisciplinary field is a great option for those seeking flexibility and opportunities in multiple fields, even giving a person a competitive edge. Multidisciplinary areas platforms like conferences, etc. can drive a person's career forward by preparing him with a broader set of skills. This type of conference in multidisciplinary area provides the benefit of a cross-disciplinary approach, where a person can customize his curriculum so that he learns from multiple departments and various subjects.

Hence, it can be said that it is the duty of modern education system to have an educational arena that fosters discovery, growth and most of all, keeps the flame of interest eternally ignited. Also coming from times when academic departments don't speak to each other, opportunities are unknown, and access is scarce, it is first important to understand what exactly is this possibility of a multidisciplinary education. Thanks to the flexibility of such multidisciplinary conferences that a person indulged in it can take on various roles with high earning potential. Some important aspects of this type of conferences are:

- Learn more, at once
- Strong mentorship
- Critical thinking & problem-solving skills
- Diversify interests and opportunities
- Unique classroom experiences
- Preparing for new jobs

If a person is looking for a area that offers the flexibility to pursue multiple education disciplines or offers a customized, experiential approach to your studies, then a multidisciplinary educational area is the area which a person need.

Eligibility & How to apply:

The faculty members, research scholars, PG scholars, students of various universities and institutions, and other academicians and of industry (bureaucrats /Technicians etc.) ,

Last date of Paper Submission	30/10/22 (upto 5 Pm)
Last date of Registration	06/11/22 (upto 5 Pm)

Acceptance will be sent within 7 days of paper submission.

Certificate :

Certificate will be provided after successful completion of conference.

Fees:

For Academics	Rs. 500
Author from Corporate	Rs. 750

- Registration fee for a few SC/ST candidates is exempted (on first come first serve basis)
- Each author has to pay registration fee separately (if publication certificate is required)

Other Details :

1. Paper Should be send at : etesm2022@gmail.com
2. Payment details will be send via mail after acceptance of paper.

Advisory Board:
