

Rohtak's UIET shines as two Electrical Engineering students secure coveted placements at Oberoi Delhi

Rohtak, Haryana, December 22, 2023 In a testament to the academic excellence and career guidance provided by the University Institute of Engineering & Technology (UIET) in Rohtak, two Electrical Engineering students have bagged prestigious placements at the renowned Oberoi Hotel in Delhi. This achievement marks a significant milestone for the department and the university as a whole.

Out of the 20 students who participated in the online interview process, only six were shortlisted for the second round. After a rigorous selection procedure, Suraj and Kaushik emerged as the final candidates, securing their dream jobs at the esteemed hotel at initial package of 3 LPA. This accomplishment reflects their dedication, hard work, and the exceptional guidance they received from the faculty, particularly Ms. Neha Khurrana, whose tireless efforts in coordinating the placement process played a crucial role in their success.

Expressing his elation, the Director of UIET, Prof. Yudhvir Singh commended the students for their outstanding performance and lauded Ms. Khurrana for her exemplary contribution. He emphasized the importance of industry-academia collaborations in fostering employability skills and preparing students for the workforce. Suraj and Kaushik, the newly placed students, shared their excitement and attributed their success to the comprehensive academic curriculum, personalized mentoring, and career counseling provided by UIET. They expressed their heartfelt gratitude to Ms. Khurrana for her invaluable guidance and support throughout the placement process.
