GURUGRAM | SATURDAY | 7 JANUARY 2023

## Temperatures is At 2.5°C, Narnaul coldest in state

with HC

DEEPENDER DESWAL  
TRIBUNE NEWS SERVICE

HISAR, JANUARY 6

Narnaul town in Mahendragarh district recorded the lowest temperature of 2.5 degrees Celsius (a decrease of 2.2 °C) in the last 24 hours in Haryana. The lowest daytime (maximum) temperature of 8.5 degrees Celsius was recorded in Ambala which is a departure of 9.4 degrees Celsius below normal.

The worst-sufferers of the cold wave are the homeless migrant labourers who are forced to stay inside their thatched houses along the roadside on the Rajgarh road and in other places in the urban areas. The IMD stated that the weather had been dry

# Water supply mathis weekend

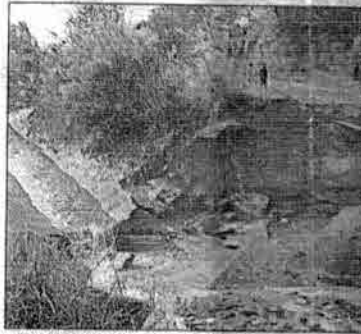

## Use Water Judiciously, Says GMD Canal Hits Flow To Plants

Akanksha Gupta | TNN

**Gurgaon:** The city may experience disruption in water supply till Sunday due to ongoing repair work on a water canal near Kharkhoda village.

The Gurugram Metropolitan Development Authority (GMDA) on Friday issued a public notice advising residents to use water judiciously to avoid complete drying up of supply owing to a breach in the irrigation NCR channel.

GMDA officials said raw water through this channel is supplied to both Chandu Budhera and Basai water treatment plants, which further supplies treated water across the city. At present, GMDA is supplying 300 MLD water

The breach was reported in the NCR water canal.

from Chandu plant and another 270 MLD from Basai plant.

A breach was reported in the raw water channel on Monday and repairs are being carried out by the irrigation department, officials said.

on the water supply, we requested the citizens to use water judiciously," a GMDA official said.

In its notice, GMDA said: "Due to a breach in the canal, the water supply in Gurgaon has been badly affected. Hence, the supply of water to the city has been stopped. It is expected to be resumed within 36 hours or till the repairs in the NCR raw water canal are carried out."

In some parts of the city on Friday, GMDA reported erratic water supply with residents blaming the development authority for not informing them at the right time. "They have been hopeful about the breach since the city, but the public notice

was issued only on Friday. There should be better coordination between agencies so that residents don't suffer. Although we have asked the residents to use water judiciously, GMDA should also make some alternative arrangements," said Chaitali Mandhotra, a member of Ardee City RWA.

"We are already had a water shortage due to some pipe damage in our sector and now this irrigation canal damage has further aggravated the issue. We are actively monitoring the situation and are in continuous touch with authorities. We have no choice but to look for private tankers if the issue is not resolved soon," said Lalit Suraj Bhola, general secretary of Sector 9A RWA.

# Cheap gadgets offer costs man ₹1.5 crore

TIMES NEWS NETWORK

**Gurgaon:** A 40-year-old man was allegedly cheated of Rs 1.5 crore after he lent the money to his acquaintance who impersonated a senior employee of a branded mobile company.

The victim, requesting anonymity, said, "I met Priyank Kumar from Ghaziabad through a common friend in 2020. He introduced himself as the former director of a mobile brand and said he can buy branded electronic products at cheaper rates. I and my family members had ordered some gadgets via him and we also became friends."

In April 2022, Kumar met the victim again and asked him for money. "He said he urgently needed money as a big shipment got stuck. Being in a friendly relation, I transferred him the money in various transactions. But when I asked him to return the money, he told me that he will sell a shop in Ghaziabad and will return my money. Then he started ignoring my calls. I met his family in Ghaziabad who told me that he is planning to leave the country," the victim added.

An FIR has been lodged at Sector 14 under IPC sections 420 (cheating) and 120B (criminal conspiracy).

# Old, but ground not chew Civil Hospital

A school building on two acres has to be demolished next

which complex, ICUs, open theatre, tuberculosis ward, Ayush block, ambulance office, and separate orthopaedic, burns and paediatric wards. In 1950 years ago, the old hospital on 5.78 acres of land witnessed nearly six collapses of the ceiling in the last two years. From 2015 and 2017, the Public Health Department submitted reports stating the entire hospital building should be brought down. Last year, the state government approved a revamp by sanctioning Rs 60 crore. In 2015, after the ceiling of the maternity ward collapsed, hospital authorities decided to move the ward to a new government hospital

in Sector 10 and renovate the maternity ward. In 2018, the ceiling of the ICU ward collapsed, and the staff and patients had a narrow escape. In 2012, the state government spent over Rs 20 crore to upgrade the hospital building. Apart from renovation work, expensive equipment was also installed. Due to the closure of the Civil Lines hospital, more than 2,000 patients now visit the outpatient department daily of the government hospital in Sector 10, which is struggling to cope with this. Though the city has witnessed a population surge in the past decade, government healthcare facilities and infrastructure have not kept pace.

## Supply mathis weekend

Judiciously, Says GMF Canal Hils Flow To Plants

The supply of sugar cane juice to the plants will be judiciously managed, says GMF. The flow of juice to the plants will be controlled to ensure that the supply is sufficient to meet the demand of the plants during the weekend.

Old, but ground not chew Civil Hospital

The Civil Hospital is an old building, but the ground it sits on is not as old. The hospital is a landmark in the city and has been serving the community for many years.
