Special Commissioner of Police (Crime) Ravindra Singh Yadav said the accused revealed that the shootout was carried out on the directions of Subhal. Those injured in the Jakhbanda shootout were members of the Chennai Pehalwan gang. They had gone to collect money from satta operators from whom gangster Hasim Baba was extorting money to let them run their rackets, said the officer.

According to the police, Shahzad had given shelter to the shootout accused for eight days before the incident and also after it. He also took the accused to his native village, they said. When the news emerged that the shootout victims were injured but alive, the accused were tasked with killing them, the police official said. —PTI
