Glimpses of workshop

Participant's Reviews

Every bit of the programme, lectures by the Professors and the research scholars will be treasured for long time. Hands on training is appreciable. Soulful and lively environment of the department. The next batch coming here for further trainings, I am urging them to come here and experience the amazing workshop themselves.
 Dr. Surajit Chakraborty
 PGIMS, Chandigarh

REAL hands- on training programme. We were given the opportunity to run the instruments thoroughly by ourselves. The food and hospitality was commendable. Musical evening was delightful.
 Sweta Rani Chaurasia
 Ramaiah University of Applied Sciences, Bangalore,Karnataka

Every aspect of training programme from lectures to hands on training to ambience and tea time discussion was highly insightful.
 Priyangulta
 Ranchi University, Ranchi, Jharkhand

The lectures, practical and discussion sessions were amazing. It was a wonderful experience to stay in such a green and clean environment.
 Richa Kaur
 Galgotias University, Greater Noida , U.P

Trainers were well versed with the concept and the instruments. Wide range of application discussed during training programme was very beneficial and will help for further research.
 Er. Kuntal Sarma
 Scientist – B, CCS Meerut, U.P

The training programme was outstanding and well informative. Wish to learn more from Microbiology, MDU.
 Uma Kumari
 Radha Govind University, Jharkhand

The hands on training was very helpful. Emphasis on applications of the techniques was very helpful in designing my own research work.
 Ms. Sonali
 Asst. Professor, Govt. College for Women, Lakhna Majra, Haryana

The lecture, guidance on **how to handle and take care of the machine pre- post working** and specific **Do's and Don'ts** were added to my current knowledge.
 Nashir Mullah
 Ph.D Scholar, Ramachandra Chandravansi University, Jharkhand
