### **About the Book**

Changing Dimensions of the Constitutional Rights in India is a highly complex and constantly evolving concept, it require regular analyzing its imperatives.

We are a modern welfare state, where the constitution determines the boundaries of the rights given under the constitution and the contributions of the Law Teachers is remarkable and all the contributors had tried to achieve the exact goal in determining the changing dimensions of the Constitutional Rights in India.

This book is helpful for the students, the Law teachers, the Academicians, the Advocates and as well as general public in understanding the concept of constitutional rights in better and easy manner.
