LS election results warning to 'arrogant' BJP gov: Deepender

TRIBUNE NEWS SERVICE

CHANDIGARH, JULY 2
Rohtak MP Deepender Hooda today said the Lok Sabha results were public's warning to the arrogant BJP government. He said the mandate had weakened the government and strengthened the Opposition.

Rohtak MP Deepender Hooda

Hooda said the 2024 mandate was against the BJP's arrogant and dictatorial style of working. "The people are against the dictatorship and arrogance of the BJP and that is why the party failed to get a majority in the Lok Sabha poll. The public has safeguarded India's Constitution and democracy. If the government does not change its attitude, a strong Opposition will emerge as a viable alternative

in the next elections," he said. He criticised the government for touting the distribution of food grains to 80 crore countrymen as an achievement while dismissing MNREGA as a symbol of Congress's failure. "These 80 crore people are saying that they do not want 5 kg of food grains; they want jobs. They do not want the government's bread; they want the

bread of dignity, they want employment," he said.

He noted that the voters in the state, along with those nationwide, rejected the politics of arrogance and division. "The BJP government continuously attacked Babasaheb's Constitution, constitutional institutions and parliamentary democracy. The party had undermined the spirit of the Constitution and set a record by suspending 146 MPs in a single day," he said.

Deepender said among all states, the INDIA bloc had got the highest voting percentage of 47.6 in Haryana. He said the public had rejected polarisation based on religion, caste, and region and the divisive politics of pitting one group against another.

NH 'black spots' to be eliminated: Minister

CHANDIGARH, JULY 2

Haryana Minister of State for Transport and Women and Child Development Aseem Goel today announced that all 'black spots' on national highways in Haryana would be eliminated to reduce the risk of accidents. He shared this information after meeting Union Minister for Road Transport and Highways Nitin Gadkari in New Delhi.

The minister also met Union Minister for Labour and Employment Mansukh Mandaviya to discuss the allocation of funds for a 100-bed ESI hospital in Ambala city.

Goel said he discussed the issue of 'black spots' on national highways in the state with Gadkari. He highlighted that Sultanpur Chowk and

Jadot Chowk in Ambala district had become critical zones for accidents, with frequent road mishaps leading to significant loss of lives. These locations have been identified as 'black spots', where the risk of accidents is particularly high. He emphasised the urgent need for constructing underpasses and elevated overbridges at these spots to ensure the safety of commuters and reduce the incidence of fatal accidents.

He urged the Union minister to make underpasses and overbridges at these spots, to which the Union minister assured positive action, stating that the Central government's effort was to identify and resolve 'black spots' on highways across the country. —TNS

ASI shot at in Karnal, critical

KARNAL, JULY 2

Two bike-borne assailants opened fire at ASI Sanjeev in Kutail village on Tuesday, leaving him critically injured.

As per the police, around 8:30 pm when Sanjeev, posted at Kurukshetra, was walking on the Kutail-Uncha Samana village road, two unidentified miscreants shot him and fled the scene. Sanjeev, who sustained bullet injuries, was rushed to a private hospital in Karnal city, where his condition is reported to be serious.

The Karnal police have launched an investigation into the case. The motive behind the attack is yet to be ascertained.

SP Mohit Handa said: "The victim is posted in Kurukshetra. Our team members are working to find out the assailants and the motive behind the shoot out." —TNS

Preventing father from meeting daughter is cruelty: HC

SAURABH MALIK TRIBUNE NEWS SERVICE

CHANDIGARH, JULY 2

In a significant judgment, the Punjab and Haryana High Court has held that preventing a father from meeting his daughter due to marital discord constitutes an act of mental cruelty. The Bench also made it clear that "irretrievable breakdown of marriage", not a ground for divorce under the Hindu Marriage Act, could be taken into account by the court when cruelty stood proven.

The ruling by the Bench of

Justice Sudhir Singh and Justice Harsh Bunger came on an appeal filed by a wife against the judgment and decree dated October 12, 2021, passed by Faridabad family court, where by the husband's petition seeking dissolution of marriage by a decree of divorce was allowed. Her contention was that she never stopped the husband or his parents from meeting the minor daughter. As such, there was no occasion for the family court to consider the same as an act of cruelty.

The Bench asserted it was not

COURT'S OBSERVATION
We are of the considered view that depriving the father of meeting his daughter by her mother on account of marital discord between the spouses would constitute an act of mental cruelty. High Court Bench

the wife's case that she voluntarily agreed or permitted the husband or his family to meet the daughter. It appeared that the visitation rights were granted to them following court's intervention. It had also come on record that the wife had written a letter to the school indicat-

ing that the husband and his family should not be allowed to meet the minor daughter.

"We are of the considered view that depriving the father of meeting his daughter by her mother on account of marital discord between the spouses would constitute an act of men-

tal cruelty," the Bench asserted after hearing the submissions.

Referring to her counsel's submission that 'irretrievable breakdown of marriage' was not a reason for divorce under the Act, the Bench asserted undoubtedly a decree of divorce could not be passed solely on this ground.

"However, irretrievable breakdown of marriage is a circumstance which the court can take into account when cruelty is proved and blend them together. In recent judgments, irretrievable breakdown of

marriage has been blended with cruelty so as to dissolve the marriage between the parties, where the marriage is completely dead and beyond repair," the Bench ruled.

It noted that the parties had been residing separately since 2015. Maintaining marital status was generally desirable. But nothing would be gained by keeping the parties tied to a marriage when it was totally dead. Dismissing the appeal, the Bench added resumption of normal marital life by the parties was not a possibility.

चार साल से कर रही आर्गेनिक मशरूम की खेती साल में 40 टन होता है उत्पादन, गांव की ही महिलाओं को दिया रोजगार

तरुण जेठ/छप
रेवाड़ी, 2 जुलाई

महिला सशक्तिकरण और वोकल फॉर लोकल का इससे अच्छा उदाहरण और नहीं हो सकता। रेवाड़ी के गांव घासेड़ा की दीपिका यादव गांव के 500 मज के एक भूखंड में मशरूम की फार्मिंग से न केवल स्वयं आत्मनिर्भर हुई है, बल्कि उसने अन्य महिलाओं को भी रोजगार उपलब्ध करवाया है। तैयार की गई मशरूम की फसल के लिए दिल्ली, गुरुग्राम व अन्य स्थानों से उन्हें लगातार ऑर्डर मिल रहे हैं।

दीपिका यादव पिछले चार वर्षों से आर्गेनिक तरीके से मशरूम की खेती कर रही है। उनसे इस उपलब्धि पर जब बात की गई तो उन्होंने कहा कि उनके पति सरकारी कर्मचारी हैं। चार वर्ष पूर्व वह पति के साथ गुजरात घूमने गई थीं। वहां उसने आइसोलेटेड तरीके से तैयार की जा रही मशरूम की फसल को देखकर

रेवाड़ी के गांव घासेड़ा में दीपिका यादव मशरूम प्लांट में फसल उत्पादन की जानकारी देते हुए। छप

मन बनाया कि वह भी अपने गांव में मशरूम का प्लांट लगाएंगी। उन्होंने वहां से उत्पादन संबंधी सभी जानकारियां एकत्रित कीं और रेवाड़ी आकर इस मिशन पर काम शुरू कर दिया। उनके इस मिशन में उनके पति दीपक ने भी भरपूर साथ दिया। उन्होंने कहा कि मशरूम की खेती हर जगह संभव नहीं है। इसके लिए विशेष तापमान की जरूरत होती है। गुजरात के 16 डिग्री तापमान को बरकरार रख आइसोलेटेड तरीके से

पहले छोटे स्तर पर इसकी खेती शुरू की गई। इसके लिए एसी व टेम्पेचर मीटर आदि की भी व्यवस्था की गई। उसे उस समय भारी खुशी हुई जब उसकी मेहनत रंग लाई और पहले ही प्रयास में मशरूम की खेती सफल हुई। तत्पश्चात उसने इसे बड़े स्तर पर करने का निर्णय लिया और आज इसके सुपरिगाम सामने आए हैं कि लगभग 40 टन से ज्यादा सालाना मशरूम की पैदावार कर रही हैं। इस मशरूम की लगातार डिमांड है

और गुरुग्राम, दिल्ली व रेवाड़ी की मंडियों में इसे सप्लाय किया जाता है। उन्होंने कहा कि इस बात से इंकार नहीं किया जा सकता कि कैमिकल युक्त खेती सेहत के लिए बहुत ही हानिकारक है। उन्होंने कहा कि मंडियों में मिलने वाली अधिकांश सब्जियां यूरिया या डीएपी खाद्य का प्रयोग कर उगाई जाती हैं जिसका असर बुगू इंसान की सेहत पर पड़ता है, लेकिन वे इस खेती में किसी भी तरह का कैमिकल यूज नहीं करते हैं। यह पूरी तरह से हेल्टी फूड है। दीपिका ने कहा कि इस मशरूम की खेती से उसके अंदर आत्मविश्वास की वृद्धि हुई। उसे इस बात की खुशी है कि उसके कारण 10 महिलाओं को भी रोजगार मिला है। ये महिलाएं अपने सुधरे जीवनयापन व निर्धनता आय से बेहद खुश हैं। उन्होंने महिलाओं को मशरूम की फसल उगाना और काटना सिखाया। दीपिका अपनी इस उपलब्धि के लिए क्षेत्र में चर्चा का विषय बनी हुई हैं।

जिले के वे अटल सीएससी सेंटर जींद प्रशासन के राडार पर आ गए हैं, जो विभिन्न सेवाओं के लिए सरकार द्वारा निर्धारित रेट से कहीं ज्यादा पैसे लोगों से ले रहे हैं। जींद प्रशासन के पास इस तरह की शिकायतें आ रही हैं कि अटल सेवा केंद्र के संचालक मजदूरी कांपी बनवाने और कंस्ट्रक्शन बंकर, परिवार पहचान पत्र में अपनी आय ठोक करवाने के लिए लोगों से चार से पांच हजार रुपए ले रहे हैं, जबकि सरकार ने इसकी फीस महज 85 रुपए निर्धारित की हुई है। एडीसी डॉ. हरीश वशिष्ठ ने सख्त लहजे में कहा

कैसेगा शिकजा एडीसी

एडीसी डॉ. हरीश वशिष्ठ ने कहा कि सीएससी पर शिकजा कसा जाएगा। प्रशासन सुनिश्चित करेगा कि सभी सीएससी पर रेट लिस्ट लगे, ताकि लोगों को यह जानकारी हो कि किस सेवा का क्या रेट है। जहां भी सीएससी संचालक द्वारा निर्धारित रेट से ज्यादा फीस वसूल जाने की शिकायत मिलेगी, वहां जांच के बाद कड़ी कार्रवाई होगी।

कि अगर भविष्य में कोई भी अटल सेवा केंद्र संचालक ऐसा करता पाया जाता है, तो उसके खिलाफ नियम अनुसार कड़ी कार्रवाई की जाएगी।

मनमर्जी के पैसे वसूल रहे कई सीएससी संचालक

जींद में कई सीएससी सेंटर संचालक लोगों के पैसे वसूल रहे हैं। जिस काम की फीस सरकार वे 50 रुपए निर्धारित की हुई है, उसके लिए 500 रुपए तक वसूल रहे हैं। लोग मजबूरी में उनकी इस खुली लूट के शिकार हो रहे हैं। ज्यादातर सीएससी पर सरकारी काम के रेट की लिस्ट भी नहीं लगी है।
