qualified faculty, a safe environment for girls, sports facilities, NCC, NSS, Youth Red Cross, Wi-Fi, enriched library and well-equipped science and computer labs. Dr Kushal Pal expressed his confidence in the college's infrastructure and faculty, which together created a nurturing environment for students to excel academically and personally. He invited prospective students and their parents to visit the college and experience the facilities and supportive atmosphere first hand.

JCD COLLEGE OF EDUCATION

Sirsa: On the occasion of World Environment Day, the Eco Club of JCD College of Education, at JCD Vidyapeeth, organised a tree plantation programme. The chief guest at the programme was Dr Kuldip Singh Dhindsa, Director General of JCD Vidyapeeth. The programme was presided over by college principal Jai Prakash. The programme began with Dr Dhindsa planting a tree. All attendees participated in the drive and took an oath to protect the environment. Dr Dhindsa announced that at least 1,100 trees would be planted on the campus.

measures to conserve... The crisis is exacerbated by the dwindling... levels at the WTPs. This shortage is impacting our ability to maintain optimal operational... and meet the demand for potable water within the city. Due to a dip in supply being received both the WTPs, more from GWS channel, the quantity of potable water in the city is varying between 500 and 570 MLD. We are coordinating with other departments, including DHBVN, to curb the leakage of water. Meanwhile, we have started the construction of two additional units at WTP Chandhera," a senior official of GMDA said.

City's first this year: 3 test +ve for dengue

All 3 Youngsters Recovering At Home: Health Dept

Gurgaon: The city on Thursday recorded its first dengue cases of the year, with three people being diagnosed with the vector-borne disease.

A 25-year-old woman from DLF-2, another 28-year-old woman from Sector 53, and a 30-year-old man from Gandhi Nagar tested positive for dengue. They are recovering at home.

Health department officials said there are dozens of patients with viral-like symptoms who are suspected to be infected with dengue, and cases are likely to rise, especially as the weather is hot and humid.

"We have three confirmed cases," the CMO added.

CHIEF MEDICAL OFFICER SAYS

"It is crucial that patients with dengue symptoms should not take over-the-counter medication. They should consult doctors and should act as advised. We are also keeping note of any emerging hotspots. We have asked MCG to carry out fogging in vulnerable areas"

Gurgaon. Dengue is transmitted by several species of mosquitoes within the genus Aedes. Symptoms include fever, headache, muscle and joint pain, and a characteristic skin rash.

"It is crucial that patients with dengue symptoms should not take over-the-counter medication. They should consult doctors and should act as advised,"

The city recorded 276 dengue cases, including one fatality, last year. This figure was 440 in 2022 and 327 (including a fatality) in 2021. Over the past few years, the count of cases touched a maximum of 451 - in 2015.

According to doctors, it is essential for people to remain vigilant and seek immediate medical attention if they have any symptoms.
