Maharshi Dayanand University, Rohtak named after the great social reformer, Maharshi Dayanand Saraswati, is committed to promote inter-disciplinary higher education and research. Maharshi Dayanand Saraswati, the founder of the Arya Samaj, was one of the great social reformers of India. He was born in 1825 in Tankara, Gujarat. With an Indigenous orientation, he wanted to bring a new social, religious, economic and political order in India. Taking inspiration from the Vedas, he criticized evil practices like idolatry, caste system, untouchability, child marriage and gender inequality. He founded the Arya Samaj with the aim to promote noble ideas, which are universally true to humanity. Swami Dayanand ji vigorously advocated that all men and women have right to education and study Vedas. He always advocated truth and knowledge as enshrined in the following principles of Arya Samaj:

- *One should always be prepared to accept truth and reject falsehood.*
- *One should always promote knowledge and dispel ignorance.*

True to the ideals of great social reformer, Maharshi Dayanand University, Rohtak has continuously and consistently strived to inculcate the character building, dissemination of knowledge and dispel ignorance among its students through proactive teaching-learning and research.

MESSAGE

Prof. Rajbir Singh
Vice-Chancellor

Heartiest and warm greetings from Maharshi Dayanand University, Rohtak, an elite institution where you have aspired to take admission! I feel humble and honoured to introduce this university, named after the great Indian philosopher who founded the Arya Samaj, as a standalone institution of higher education and research that was established in 1976. You will be delighted to note that it has been constantly maintaining its position in top 100 Indian Universities for last more than 5 years and has been accredited with A+ Grade by NAAC. This status has accrued as we are the leading higher education and research institution in North India, having more than 40 postgraduate teaching departments under 10 Faculties, aside globally acclaimed Centre for Distance and Online Education and an off-campus professional studies centre at Gurugram. The institution has also been adjudged as the cleanest State University of India and we have also been conferred with the Green Mentor Award by MHRD, Gol in the year 2020. Aside academic and research activities, which are the core areas of the institution; our university extends world class sports facilities to our students and facilitates them for national and international cultural events. We have sports stadium, cricket stadium and swimming pools of international standards. Our several students have excelled in sports and represented India in Olympics, Commonwealth, and Asian Games. Several of our sportspersons have been conferred with prestigious Arjuna Awards, Bhim Awards, Dronacharya Awards and many more in recognition with their excellent sports achievements. We have a sprawling campus of more than 620 acres with more than 20 hostels separately for girls and boys. Our world-class library facilities, having more than 5 lakh books and e books and 11000 e journals accommodates 3000 readers in air conditioned reading halls that remain open 24X7. The university lays great stress over capacity building of students and our dedicated Consortium remains continuously engaged in ensuring overall development of the enrolled through its Centre for Competitive Exams, Career Counselling & Placement Cell, and Centre for Life Skills & Soft Skills and several other enabling services for young minds. Our Centre for Incubation, Innovation and Entrepreneurship is tremendously contributing in honing the capabilities of young minds to take them to strides. The institution also has two state-of-the-art auditoriums with a seating capacity of more than 1800 and 500, aside more than a dozen big conference halls. The entire campus is gated and secure with round the clock deployment of security personnel.

The university also enjoys the reputation for meticulous examination system and declaration of on-time results, beside impeccable maintenance of academic calendar. It also has a Central Instrumentation Lab, possessing very expensive scientific equipment, facilitating higher research. Its NSS and YRC services as well as NCC track records are outstanding. In academics it has already implemented major part of National Education Policy 2020. The university is all set to attain the top 25 mark across all state universities in India.

The university has an ebullient and inclusive culture holding and accommodating panoply of ethnicities on the campus, extending space to one and all to hold and maintain their faith, including the cultural and religious ones. The university has developed an integrated convention system to uphold practicing of diverse cultures with honour and respect. The compassion and empathy are all pervasive and international students are hosted with great reverence here. We also arrange capacity building programs and facilitate learning of local and regional languages for expediting acculturation; besides arranging remedial English classes for all those aspiring to learn more. We have a dedicated and fully functional single-window system - Centre for International Academic Affairs headed by a Dean that acts as a nodal agency and facilitator for students arriving from abroad. The Dean and the Proctor ensure comfort and safety of the students and strengthen the environment conducive to their stay and learning. The administration remains accessible all the time to guide the international students and resolve their concerns. I welcome you all and extend you my best wishes for all your pious endeavours to attain the best education in your domain, aside learning the cultural traits prevalent in this part of the world, and share your attributes with your native counterparts. All the very best for all your academic goals and stay!

(RAJBIR SINGH)

Centre for International Academic Affairs

The National Education Policy (NEP) 2020 envisages a new and forward-looking vision for India's higher education system. It sets the foundation for the much-needed transformation and overhaul of the current education system through its focus on key issues like access, equity, multi-disciplinary, holistic and value-based education. The Indian higher education system is one of the world's largest systems and transformation of such a vast system requires transforming the system or processes for all Higher Education spheres including areas of leadership, funding, quality of education delivery, accountability, management, teaching-learning & research, as well as internationalization.

Internationalization of higher education is an essential aspect of the National Education Policy 2020. The need to internationalise certain aspects of higher education, while making all higher education relevant internationally has been a major area of focus. Internationalization of higher education is the process of integrating an international and intercultural dimension in higher education. Opportunities to attract international students, academics and funding are growing and many Indian Higher Educational Institutions (HEIs) are now committed to increase their international outreach. In order to facilitate the internationalization of Indian HEIs, The Centre for International Academic Affairs (CIAA) at Maharshi Dayanand University, Rohtak, serves as a beacon of international academic exchange and support for the global student community. Acting as the nodal agency, the CIAA is dedicated to providing a comprehensive suite of services to international students, ensuring their educational journey is seamless and enriching. From the moment of their interest in registration, through navigating the nuances of programs, fee structures, eligibility criteria, visa requirements, accommodation, health insurance, and beyond, the CIAA leverages a unique 'single window system'. This efficiency is further bolstered by a dedicated online portal specifically designed for International student, streamlining their academic and administrative queries responsively and effectively.

MDU, Rohtak offers the conducive educational environment and provide affordable cost of higher studies. The CIAA not only focuses on the academic excellence of International students but also encourages their participation in a wide range of extracurricular activities. This holistic approach fosters a vibrant multicultural and interdisciplinary learning environment, enriching students' educational experiences and preparing them for global challenges. In a strategic move to enhance its educational influence and reach, the CIAA is expanding its services to facilitate Indian students aspiring to study abroad. This initiative aims to Provide Indian students with the necessary resources, guidance, and support to navigate the complexities of pursuing higher education internationally. By doing so, the CIAA is setting a new paradigm in educational support, promoting not just inbound internationalization but also fostering outbound mobility of students.

This expansion is rooted in the understanding that global exposure and international academic experiences are invaluable in today's interconnected world. It aligns with the CIAA's commitment to create a truly global educational ecosystem, where students, irrespective of their geographical origins, can access world-class education and opportunities. Through this initiative, the CIAA aims to empower Indian students with the knowledge, skills, and networks needed to thrive in global academic and professional arenas, thereby reinforcing Maharshi Dayanand University's position as a leader in education.

During the journey, the students from following countries have been Alumuni of MDU.

Afghanistan	Bangladesh	Bhutan	Congo	Ghana	Indonesia	Iraq	Kenya
Nigeria	Rwanda	South Korea	Syria	Tajikistan	Uganda	United Kingdom	
Zimbabwe	Tajikistan etc.						

MDU-An Authorized Partner of 'Study in India' Programme

Maharshi Dayanand University (MDU), Rohtak [NAAC accredited A+ grade University] is authorized partner of 'Study in India' since 2019. It is a flagship project by the Govt. of India under the aegis of the Ministry of Human Resources Development (MHRD) in collaboration with Ministry of External Affairs. This initiative aims to make India the preferred destination for education leveraging value for money and globally competitive standard of education.

India's system of higher education is the third largest in the world. Indian Universities are offering academic programs such as Engineering, Masters in Business Administration, Sciences, Liberal Arts, Artificial Intelligence, Photonics and Design Thinking etc. among other. As a result, many of its higher education institutions figure in the top 100 Asian Universities as per QS and The World University Rankings. At the same time, niche courses such as Yoga, Ayurveda or Buddhism are also offered under the umbrella of Study in India. Most of the higher education is delivered in English which can offer an ease of communication and be enjoyed by the overseas students. The programme involves partnership with premier education institutes in India. Study in India shortlisted Indian Institutes/Universities basis their India Rankings and NAAC accreditation score and 96 top Indian educational institutions have been partnered with the program and are offering seats through the SII portal. A robust supporting website (studyinindia.gov.in) was also launched through which offering of ~19000 seats with ~9000 + fee waivers with courses ranging across UG, PG, PhD & niche segments is being made. In the first admission cycle of 2018 around 1000+ students got placed to IITs, NITs, DTU, IIMs and premiere public as well as private colleges of India through this initiative.

Ministry of Human Resource Development (MHRD), now Ministry of Education is inviting aspiring candidates from all over the world to pursue education in the desired fields with the top ranked institutions in India.

The screenshot displays the official website for Maharshi Dayanand University's participation in the 'Study in India' program. The top navigation bar contains the 'STUDY IN INDIA' logo, the Government of India's Ministry of Education emblem, and the G20 India 2023 logo. On the right, there are buttons for 'Change Password' and 'Logout'. The central banner area features a large image of the university's main building with the text 'Welcome MAHARSHI DAYANAND UNIVERSITY'. Below this, four prominent blue boxes provide key statistics: 'Interested Student(s)' with a value of 20, 'Offer(s) of Admission' with 0, 'Foreign Student(s) Information' with 0, and 'Alumni Details'.
