**Workshop Co-Patron:** Prof. Harish Dureja, Dean, Research and Development

**Workshop Director:** Prof. Sandeep Malik, Director, CRSIS&EC

**Workshop Coordinator:** Dr. Rajesh Kumar, Assistant Director, CRSIS&EC

### MAHARSHI DAYANAND UNIVERSITY, ROHTAK, HARYANA

Maharshi Dayanand University, Rohtak established in 1976, is a confederation of 12 Faculties, 41 Departments, Centre for Distance and Online Learning, one Off-Campus Centre for Professional & Applied Studies and a number of affiliated colleges. The university was accredited with 'A+' grading by NAAC in March, 2019. The university has been ranked 1<sup>st</sup> among the government universities in Haryana by Ministry of Human Resource Development, Govt. of India as a part of NIRF survey 2024. The university with its well qualified faculty members, large campus, excellent infrastructure and student support system, aims not only to promote inter-disciplinary higher education and research but also set itself as a leading centre of higher education with sincere commitment towards community and society.

### CH. RANBIR SINGH INSTITUTE OF SOCIAL AND ECONOMIC CHANGE

Chaudhry Ranbir Singh Institute of Social and Economic Change is a constituent establishment of the Maharshi Dayanand University, Rohtak. It is an advanced research institute to carry out basic, grass-root level research on the socio-economic issues specific to the State of Haryana and also those confronting the country as a whole. It works as a platform for undertaking interdisciplinary research both at micro and macro levels that may be expected to yield useful results for policy and their implementation. It organizes and holds seminars, symposium, conference, workshop and extension lecture in areas of larger social, culture and economic concerns with a view to generate ideas for bringing about desirable social change compatible with fast changing social economic

scenario at both local as well as national level.

### **ABOUT INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH (ICSSR)**

Indian Council of Social Science Research (ICSSR) is an autonomous body under the Ministry of Education, Government of India and a premier organization with 24 Research Institutes (grant-in-aid), 17 Recognized Research Institutes and Six Regional Centers located in different parts of the country. ICSSR has played a pivotal role in building the capacities of early career and senior researchers through grants and projects as well as training in research methodologies with the objective to produce high-quality research usable for policy intervention and policy making. It has also made immense contribution to humanities and cultural research as way to decolonise the formations of self and society across the length and breadth of the nation. In the 21st century, when the nation aims to become a Viksit Bharat by its centenary year of Independence, 2047, ICSSR seeks to establish a symmetry between social research and society. In line with the recommendation of the National Education Policy (2020), ICSSR seek make social research equitable, affordable, inclusive, socially sensitive and globally competitive.

### **ABOUT WORKSHOP**

The 10-days Research Methodology Course (RMC) for social sciences, scheduled from September 10-19, 2025. The aim is to provide a complete overview of current research strategies and tools across many disciplines. There are both theoretical and practical sessions in this. The course will incorporate a field tour to connect theory to reality, providing insights into community development and the real-world implementation of research for local empowerment. In order to help participants successfully explain their findings and make a significant contribution to the academic and research discourses, the course will conclude with training on writing scientific reports. The eminent experts or resource persons will be invited from the renowned universities and academic Institutes from the pain India.

### **VENUE AND DURATION:**

**Duration:** September 10-19, 2025 (10 days)

**Venue:** Chaudhry Ranbir Singh Institute of Social and Economic Change, Swaraj Sadan, M. D. University, Rohtak (Haryana) 124001

### **TOPICS TO BE COVERED:**

- Meaning of Research/ Conceptualization of Research
- Selection of Research Problem & Research Design
- Methods of Data Collection
- Survey Method and Sampling

- Quantitative Analysis
- Analysis with SPSS
- Qualitative Research and Analysis
- Action Research
- Ethics in Academic Writing
- Preparing a Research Problem

## **MAIN OBJECTIVES OF WORKSHOP**

- To enable the scholars to understand the research problem and design them suitably.
- To provide an update on latest developments in the field of research.
- To sensitize the participants about ethical issues in research.
- To sharpen skills of scholars about quality research and publication.
- To provide an opportunity for personalized interaction on research related issues.
- To develop capability for conceptualizing and writing research area/topic.

## **TARGET AUDIENCE:**

In accordance with ICSSR guidelines, the workshop will select 30 research scholars as participants. Of these, 10 scholars will be from within the University, 10 from institutions across Haryana, and the remaining 10 from institutions outside Haryana. The selection process will be conducted through a well-advertised call for applications, disseminated via the MDU website and other channels to reach a wide audience of eligible candidates. The organizers promote gender equality.

## **REGISTRATION:**

All registered Ph.D. and Post-Doctoral (PD) scholars from recognized Indian universities or research institutes in any branch of Social Sciences are invited to apply for this Research Methodology Course. The selection committee will review the applications and select suitable candidates. Incomplete applications, applications not submitted through the proper channel, and late submissions will not be considered under any circumstances. Candidates must submit their applications online. The list of selected candidates will be notified on 1st September, 2025, and will also be displayed on the university website before the workshop begins.

## **HOW TO APPLY FOR REGISTRATION**

Interested scholars must register by filling out the Google Form.
