- Academic merit will be calculated by taking 30% of the marks obtained in the previous semester/year/latest result declared by University (**in case of intermediate students having reappear zero mark**).

Computation of merit list for admission in hostels shall be prepared by using the formula

Academic Merit Score (Out of 30) + Distance Score (Out of 20)

For example, if a student is having 80% marks in previous semester and distance of his residence is 350 kms, his merit score will be computed as follows

24 + 17.5 = 41.5 i.e. 30% of 80 = 24 for academic merit + 17.5 for distance.

The distance will be measured from the residential address city/village as mentioned in residential proof attached by the student and computed through Google Map/verification from the concerned Haryana Roadways office. **The HODs/Directors must verify the students' residential proof documents before finalizing the merit list.**
