Sub: Clarification regarding admission of UG/PG students admitted under Non-NEP 2020.

Sir/Madam,

This has reference to the various requests received from the affiliated Colleges/Institutes on the subject cited above.

In this connection in terms of the orders passed by the University Authority, the following is clarified:-

1. The students who had taken admission under the Non-NEP 2020 and did not take admission in the 2nd year during the session 2024-25 and wish to continue their studies under the same scheme may proceed with the program as per the Non-NEP 2020 curriculum in which they were originally enrolled.
2. The students who had taken admission under the NEP-2020 scheme during the session 2024-25 and could not continue their studies due to some reasons and now wish to take fresh admission in the 1st year again under NEP-2020 curriculum may do so by withdrawing earlier admission and taking fresh admission in the 1st year, as there are no restrictions preventing students from choosing the academic framework they prefer.

The above clarification may be circulated to the students for their information.

Yours faithfully,

Assistant Registrar (Academic)
