**UNIVERSITY INSTITUTE OF PUBLIC HEALTH SCIENCES (UIPHS)
MAHARSHI DAYANAND UNIVERSITY, ROHTAK
'A+' Grade University Accredited by NAAC**

QOTATION INVITATION

May 27, 2025

The quotations in sealed envelopes (by post/by hand) are invited from Registered Firms for the purchase of the following items. These items are meant to be used for the academic and research purpose in the university. The specifications given below should be complied with the offered items by the firms.

Address to send the quotations:

The Director,
University Institute of Public Health Sciences (UIPHS),
Pharmacy Building,
Maharshi Dayanand University,
Rohtak-124001, Haryana

The quotations can be sent through post or by hand in the office of UIPHS.

The last date to receive the quotations (in sealed Envelope) : June 15, 2025

Instrument wise details along with quantity, technical specifications are given below in table. The companies mentioned are reputed as national level brands and should be quoted for the same.

Name of Instrument	Dr. Morepen Glucometer with compatible test strips and Lancets and Lancing device as combo Quantity – 01 No. , 30 No. , 30 No. , 05 No. respectively
Technical specifications below : It uses biosensor technology, has a huge memory, and can store up to 300 test data. Since no code chip is needed to code the meter, it is simple and convenient to use. 20 mg/dl is the minimum glucose level measurement range. The range for measuring the maximum glucose level (mg/dl) is 600 mg/dl.	
Operation	Digital
Display	LCD Display with feather touch keypad
Warranty	At least 3 years
Name of Instrument	Dr. Morepen Blood Pressure Monitor Model BP-02

		Quantity – 01 No.
Technical specifications below :		
<p>The Dr Morepen BP 02 and BP 15 blood pressure monitors use the oscillometric method and measure blood pressure between 40-230 mmHg and pulse rate between 40-199 beats/minute. Accuracy is +/- 3 mmHg for pressure and +/- 5% for pulse. The BP 02 uses 4 AAA batteries and stores 60 readings, while the BP 15 uses 4 AA batteries and stores 240 readings (120 per user)</p>		
Operation		Digital
Display		LCD Display with feather touch keypad
Name of Instrument		Dr. Morepan Fingertip Pulse Oximeter
		Quantity – 1 No.
Technical specifications below :		
<p>The oximeter utilizes an electronic processor and a pair of small light-emitting diodes (LEDs) facing a photodiode through a translucent part of the patient's body, usually a fingertip or an earlobe. One LED is red, with wavelength of 660 nm, and the other is infrared with a wavelength of 940 nm.</p>		
Name of Instrument		Dr. Morepen Digital Weighing Scale
		Quantity – 01 No.
Technical specifications below :		
Accuracy	50 g	
Weighing capacity	500 kg	
Platform size	750mm*750mm	
Display type	LCD/LED	
Warranty	One Year	
Name of Instrument		Dr. Vaku Non-Contact Infrared Digital Temperature Gun
		Quantity – 01 No.
Technical specifications below :		
Upper temperature rating	90 degree Fahrenheit	
Response time	1 second	
Reusability	Rechargeable	
Resolution	0.1	
Name of Instrument		True HB Hemoglobin meter, True HB test strip

m

	Quantity -01 No. , 01 No.
Technical Specifications below :	
Displays the results in less than 60 seconds Stores up to 1000 readings The operating temperature is 5 to 55 degrees Celsius The measuring range is 0 to 24 g/dL	

Submitted for kind consideration and approval, please.

<ul style="list-style-type: none"> Name of Instrument 	-20° Deep Freezer Quantity – 01 No.
Technical specifications below :	
-20°C Deep Freezer (Horizontal Model) Horizontal deep freezer with capacity of 320 litres or more, double door model. Suitable for long-term storage of chemicals and biological materials requiring stable -20°C temperature. Model to be of reputed make such as Haier or Blue Star or similar. Features include: <ul style="list-style-type: none"> • Efficient insulation and temperature control system • Durable and corrosion-resistant internal chamber • Low power consumption with energy-efficient compressor • Lockable lids for safety • Wheels for easy mobility • Digital temperature display and adjustable settings To be supplied complete with user manual and standard accessories. Warranty: One year or more	
Name of Instrument	Refrigerator
	Quantity – 01 No.
Technical specifications below :	
180-240 Litre Refrigerator (Single Door Model) Single door refrigerator with a minimum capacity of 180 litres. Model to be of reputed make such as Haier, Samsung, Godrej, or equivalent. Features include: <ul style="list-style-type: none"> • Efficient cooling system with uniform temperature distribution 	

- Corrosion-resistant and easy-to-clean internal compartment
- Low power consumption with energy-efficient compressor
- Stabilizer-free operation (if available)
- Lockable door for safety
- Adjustable shelves for flexible storage
- Separate freezer compartment

To be supplied complete with user manual and standard accessories.

Warranty: One year or more

Other terms and conditions:

1. Quoted Price should clearly specify Prices, GST details
2. F.O.R. at UIPHS, Pharmacy Building, M.D. University, Rohtak.
3. Payment shall be made to the firm after delivery and installation of the items.
