1. Background and Rationale

The **National Education Policy (NEP) 2020** envisions a paradigm shift in India's education system to make it more holistic, flexible, multidisciplinary, inclusive, and aligned with the needs of the 21st century. The policy emphasizes fostering creativity, innovation, critical thinking, and ethical values among learners while ensuring equity and quality in education.

For effective implementation of NEP 2020, it is essential that faculty members, academic leaders, and administrators understand its guiding philosophy, strategic priorities, and action framework. This **8-day Orientation and Sensitization Programme** is designed to build awareness, develop leadership capacity, and enable academic institutions to integrate NEP principles into their teaching, research, and governance systems.

2. Objectives

1. To sensitize participants to the **vision, mission, and transformative features** of NEP 2020.
2. To promote understanding of **holistic and multidisciplinary education** in higher education.
3. To explore the integration of **Indian Knowledge Systems (IKS)** and **multilingualism** in contemporary academia.
4. To strengthen **academic leadership, governance, and management** in the context of NEP reforms.
5. To highlight the role of higher education in **research, innovation, and societal development**.
6. To emphasize **skill development** for employability, entrepreneurship, and lifelong learning.
7. To enhance awareness of **student diversity and inclusive education**.
8. To build digital competence and encourage the effective use of **Information and Communication Technology (ICT)** in education and institutional management.
