FOREWORD

It gives me immense pleasure to present the **47th Annual Report** of Maharshi Dayanand University (MDU), Rohtak, for the period **1st July 2024 to 30th June 2025**, fulfilling our statutory requirement under Section 43 of the M.D. University Act, 1975. This reporting period is particularly auspicious as we find ourselves at the historic threshold of our **Golden Jubilee year.** As we celebrate five decades of Foundation Day, we reflect on our journey from a nascent institution to a premier seat of learning that seamlessly blends the ancient wisdom of Maharshi Dayanand Saraswati, with the technological demands of the 21st century.

The University continues to uphold its tradition of academic excellence, validated by our **NAAC 'A+' Grade** with an institutional score of 3.44. In the **NIRF 2024 rankings**, MDU secured the **35th position nationally** among State Public Universities and was adjudged the **leading university in the state of Haryana**. Our commitment to the **National Education Policy (NEP) 2020** has seen full-scale implementation this session, including the rollout of **4-Year Undergraduate Programs** and the **4-Year Integrated Teacher Education Program (ITEP)**. These accolades are a reflection to the collective hard work of our faculty, students, and stakeholders who strive to make MDU a "Transformative Learning Community".

Research remains the bedrock of our intellectual pursuits. A significant milestone this year was MDU being selected for the prestigious **PURSE (Promotion of University Research and Scientific Excellence) research grant of ₹6.42 crore** by the Ministry of Science & Technology. Furthermore, our Department of Chemistry was awarded the **DST-FIST grant of ₹1.90 crore** to augment its scientific facilities. It is a matter of profound pride that several of our fraternity members continue to be featured in the global **Stanford University–Elsevier list of the world's top 2% scientists**, a distinction that represents our researchers & leadership in high-impact research.

Beyond the classroom, our **Vivekananda Library** was honoured with the **ILA–Dr. L. M. Padhya Best University Library Award 2024**, recognizing its role as a 24x7 knowledge sanctuary for our scholars. In the realm of innovation, MDU is fostering a vibrant startup culture. Our socially inclusive university incubated food truck startup, **Dafeteria**, which empowers the deaf community, achieved national acclaim when it was **selected to serve at the Purple Fest 2025 at Rashtrapati Bhavan**. We also secured a **design patent for a specialized food truck** and inaugurated **Moyos**, another university incubated frozen dessert startup, bridging the gap between research and entrepreneurship.

Guided by the spirit of societal service, MDU has launched the pioneering **Nasha Mukt Ghar Abhiyan** (Drug-Free Home Campaign). In a historic first for the country, a **Gram Sabha dedicated to this cause** was organized in our adopted village, Madaudi Rangran, receiving national recognition from the Ministry of Panchayati Raj. Our health-centric initiatives, such as the **Anemia-Free, Nutrition-Rich Campus Campaign** launched on World Health Day, further demonstrate our commitment to the holistic wellness of our community.

In sports, MDU continues to be a powerhouse. Our **Women's Cricket Team brought home the All India Inter-University Cricket Championship** title, and our student-athletes continue to win laurels in international arenas, including a **Gold Medal in Archery** at the Summer World University Games in Germany.

On our **50th Foundation Day**, graced by the then Hon'ble Governor-Chancellor Sh. Bandaru Dattatreya, we inaugurated the **Wall of Academic Glory** and dedicated a **wall mural to Maharshi Dayanand Saraswati**, immortalizing the values that define us.

As we move forward into our next half-century, I am confident that Maharshi Dayanand University will continue to soar towards new heights of overall excellence, firmly committed to the sacred cause of nation-building – The Viksit Bharat @ 2047.

RESEARCH AND DEVELOPMENT CELL

Dean : Prof. Harish Dureja

Research and Development Cell, M.D. University, Rohtak, was established on 24-8-2023, vide Notification No. AC-VI/23/18622-712 dated 24-8-2023, and Dean, R&D, along with two Assocciate Deans R&D (Sciences & Non-sciences) were appointed. Subsequently, 10 faculty coordinators (from each Faculty) were also appointed vide Notification No. AC-VI/23/20133-232 dated 13-9-2023. In consonance with the UGC Guidelines, following committees were constituted, to aid & guide the functioning of the R&D Cell:

1. MDU Research Advisory Council
2. Research Program and Policy Development Committee
3. Finance and Infrastructure committee
4. Intellectual Property Rights Committee
5. Technology Transfer Committee
6. Committee for Collaboration and Community Engagement

The R&D Cell has been actively involved in supporting research projects in the University, in following ways:

1. Active dissemination of information on various (funded) research projects
2. Processing the applications for various funded research projects
3. Appointment of Research personnel in the research projects
4. Facilitating the procurement of equipment in all research projects
5. Facilitating the expenditure (contingency, travel, etc) and utilization of funds in all research projects, including payment of fellowships
6. Facilitating submission of Utilization Certificate and statement of expenditure (head wise) for all research projects.
7. Maintaining all accounts related to all research activities in the University

Further, the Office of Internships has been set up under the overall supervision and coordination of Dean, R&D and Nodal Officers have been appointed (vide Notification No. AC-1/24/R&D/8391-8511 dated 14-6-2024).

A total of 21 patents have been reportedly filed in the Indian Patent Office, between the period 01-7-2024 to 30-6-2025, via the Centre for IPR Studies of the University.

The R&D Cell has also been coordinating various seminars / conferences / workshops / FDPs, etc., with all UTDs / centres in the University. R&D Cell has also actively organized the following conferences:

1. National Science Day
2. National Mathematics Day

Office of the R& D Cell has also been involved in the following activities:

1. Framing of MoUs in the University
2. Framing of Ph.D. Ordinance, and monitoring Ph.D. admissions in the University.
3. Research Promotion Awards
4. Coordinating with various other cells in the University (such as NSS, CCPC, CIIE, IPR cell, etc) for various research related activities.

RESEARCH JOURNAL (ARTS)

Editor-in-Chief : Prof. Anjali Malik

Maharshi Dayanand University Research Journal ARTS is a Bi-annual Refereed Journal published in January-June & July-December every year.

Publication of Vol. 23, No.1, Jan.-June & No. 2 July- Dec., 2024.

Details of Articles Published:-

- Revival Of Ancient Indian Knowledge :An effective Antidote to Global ecological Crisis
- Self- Care or Self- Centeredness in Edna *The Awakening* by *Kate Chopin*
- Cyber security In The Age Of Digital Transformation: Trends and Challenges
- Challenges and Positive Outcomes of Digitalization in Driving
- E-Kranti: Electronic Delivery Of Services In Digital India Program
- Organisational Citizenship Behaviour and Employee Engagement: A Focus On The Non-Profit Sector Analysis
- Digital Initiatives by ICAR Institutes for Marketing their Information Products and Services: An Overview
- Strategic Analysis of Corporate Restructuring: A Critical Study in Present Perspectives
- Psychological Resilience and Sports Performance: A correlational study

CENTRE FOR DISTANCE AND ONLINE EDUCATION

Director : Prof. Nasib Singh Gill

Realizing the important role of education which it plays in the overall national development, the Maharshi Dayanand University established a Correspondence Cell in 1988 for imparting education through 'Correspondence Course' leading to the award of B.Ed. degree. The University, with the passage of time and development of technology and requirement of society, upgraded the Correspondence Cell to the Directorate of Distance Education (DDE) in 1992 and expanded tremendously to offer a wide spectrum of courses through a network of Study Centres. With the amendment in the Maharshi Dayanand University Act in the year 2012, the Directorate restricted delivery of its courses to distance and online learners from its Headquarters and has been providing opportunities for higher education to a large segment of population especially disadvantaged groups living in remote and rural areas, housewives and working people. From 01.04.2022, the Directorate of Distance Education was renamed as Centre for Distance and Online Education (CDOE).

The Centre for Distance and Online Education seeks to create, preserve, and disseminate knowledge to build competitive capability for holistic development of man and society. The various programs offered by the Centre for Distance and Online Education range from conventional to professional as per needs of the area and employment opportunities available in the country. In order to meet the growing demand of open and distance learning, the Centre for Distance and Online Education has acquired resources for further access to rural areas. The Centre for Distance and Online Education is contributing significantly towards achieving the national objective of providing quality education to all and to reach the unreached by offering useful ODL/Online Mode programs to learners belonging to different parts of the State/Country.

The Centre for Distance and Online Education which has been divided into various segments/sections/departments is housed in an easily accessible spacious building. The Centre for Distance and Online Education is offering 13 Under Graduate/Post Graduate Programs and one Certificate Course through Open and Distance Learning mode, 07 PG Programs and Bachelor of Arts Program offering options from amongst eight subjects through online mode on carefully designed curriculum, well planned teaching learning strategies, effective student support system for an effective functioning and fair examination and evaluation system.

The University has established Centre for Internal Quality Assurance for maintenance of academic standards in distance education.

The CDOE believes in providing full support and service to its students, ensuring prompt removal of difficulties so that the participation of the students in the programs offered by the CDOE becomes really effective and meaningful. Candidates facing any difficulty in pursuing ODL/Online programs may either contact concerned officer/official during working hours or through email/letter.

The Centre for Distance and Online Education has evolved the concept of "Student Support Services Camps (SSSCs)" to help and groom the distance and online learners in several ways. Student Support Service in open and distance learning system is quite different from other services. These services are not only confined to interactive counselling or solving the learner's problems but also include to promote distance learning to address the issue of continuous upgradation of skills so as to produce manpower resources of the kind and the number required by society, to fulfill the expectations indicated in the National Education Policy.

In addition to the services already mentioned, the focus of the educators is also on learners' personality development, inculcating soft-skills, career counseling & guidance and community education. Further, the SSSCs are aimed to facilitate learning, counselling and to solve the problems of the distance and online learners which they face during their self-study from the self-learning material provided by the Centre for Distance and Online Education. Through SSSCs, the learners get an opportunity to interact with the counsellors and the peer group.

Facilities:

- The self-learning with the help of self-learning material is supplemented by organizing Student Support Services Camps to solve the problems of the distance and online learners. During the duration of these camps students after getting himself/herself registered is free to contact the Counsellor(s) of the concerned program and get his/her doubts or problems resolved.
- The Centre for Distance and Online Education has a well-equipped Library along with a Reading Hall.
- Information and Communication Technology Lab.
- Computer Lab.
- Committee cum Video Conferencing Room.
- Seminar Hall.

The University in collaboration with the Haryana Government's Department of Employment is running an Employment Information and Guidance Bureau to assist the students in making choice of career and courses. The students of the CDOE also can take full advantage of the facilities available at the Guidance Bureau.

UNIVERSITY CAMPUS SCHOOL

Director : Prof. Vineeta Shukla (up to 31/12/2024)
Prof. Sunita Saini (w.e.f. 2/4/2025)

Welcome to the Annual Report of University Campus School for the academic year 2024–2025. As we reflect on the past year, we are filled with gratitude for the resilience, dedication, and achievements of our school community despite the unprecedented challenges faced. This report is a testament to our collective commitment to academic excellence, personal development, and community engagement.

We are proud to present an overview of the year's highlights, including academic accomplishments, extracurricular successes, and our continued investment in school infrastructure and student well-being. The unwavering support of our staff, parents, and students has once again enabled us to thrive and progress in our shared mission of nurturing future leaders, thinkers, and changemakers.

Academic Excellence

We are delighted to report another year of exceptional academic performance. Our students have demonstrated outstanding results in the CBSE examinations:

- Class XII – Science Stream: Aman topped the stream with 92.8%.
- Class XII – Commerce Stream: Rakhi stood first with an impressive 94.6%.
- Class X: Kiriti achieved the highest score with 96.6%.

Clubs and Holistic Development

To enhance practical experience and promote holistic development, we introduced five active student clubs:

1. Library Club
2. Eco Club
3. Social Club

5. MDU Book Fair & Book Release Ceremonies:

The Vivekananda Library, in pursuance of its commitment to promote reading habits in the readers, organised a three-day "7thMDU Book Fair" from November 6-8, 2024, from 10.00 am to 6.00 pm at its Reading Hall. The Book Fair offered opportunities for over 60 publishers and distributors to showcase about 55,000of the latest publications to 10,300 visitors, including teachers, students, and the public. Besides our campus community, many other educational institutions visited the fair and purchased the books under one roof.

Besides, the library organises book launch ceremonies to showcase the book to potential readers and create a buzz among book lovers. The ceremonies also provide a platform for the author to connect with the audience, share insights, and read excerpts.

These events give students insight into book creation, ignite their passion for reading and writing, offer networking opportunities, stimulate thoughtful discussions, and provide a closer look at the literary world. Students can showcase their work, boosting confidence and public speaking skills, and have the chance to meet authors and publishing professionals, opening up valuable networking opportunities. These ceremonies celebrate the launch of new literary works and contribute to students' academic and personal growth. With this purpose, the library organised6 book release ceremonies during the period and released 11 books written by different authors.

UNIVERSITY COMPUTER CENTRE

Director : Dr. G.P. Saroha

University Computer Centre was established by the University with UGC grants under a UGC scheme in 1987. Since its inception, the Computer Centre has been catering to the ICT needs of the University.

High-end ICT infrastructure has been procured for education, research, and e-Governance. University Computer Centre houses a data center having 16 Blade Servers (Dual CPU – 16 to 24 core, with up to 256 GB RAM on each server) hosting more than 100 Virtual servers. More than 600 TB of unified storage is being used for CCTV surveillance and 25 TB of SAN storage for Student Life Cycle Management and e-Governance processes. The servers are running on Windows 2012/2016 Server datacenter edition in high availability mode. Database server (MS SQL Server Enterprise Edition and Web Server (MS IIS) use 10TB IBM SAN Storage. The Webserver and Application servers with 25TB SAN storage (20,000 IOPs) are all hosted locally. Video Management System Servers with 600 TB of Unified Storage manage 460 video surveillance cameras. Round the clock, the Comprehensive Security and Surveillance Control Room monitors all these cameras.

The University has an excellent unified communication and video conferencing infrastructure. The Internal LAN, having a backbone speed of 10G, is governed by the Nexus 9505 (CISCO) core switch. The university's core network spans more than 15 km (Optical Fiber cables). The LAN has over 5000 I/O points and nearly 500 enterprise-class secure controller-based Wi-Fi Access Points to provide Intranet and Internet connectivity to all stakeholders

A Unified Threat Management Solution has been implemented to secure the network from hackers, filter unnecessary traffic, streamline traffic by specifying priorities, and block unwanted sites on the 1G Internet connectivity provided by NKN, using FortiGate 1800F, and FortiWeb 600F Web Application and API Protection next-generation firewalls supported by FortiAnalyzer Virtual Security Reporting Appliances. The Internal LAN having a backbone speed of 10G is governed by the Nexus 9505 (CISCO) core switch. The university core network spans more than 15 KM length (Optical Fiber cables). The LAN has more than 5000 I/O points, and nearly 500 enterprise-class secure controller-based Wi-Fi Access Points to provide Intranet and Internet connectivity to all stakeholders.

The University uses the latest technological advancement in the governance system and has already been acknowledged as a front-runner in e-governance initiatives. The admission process to the various programs of University Teaching Departments and the Centre for Online and Distance Learning is made online using the Samarth Project of Govt. of India. The university intends to implement the Samarth ERP for Student Life Cycle Management (SLCM) and university e-Governance.

The University has a strong technical team and has developed in-houseAdmission Portal, Student Portal, and ERP modules for employees, UTD & Colleges modulesfor Student Life Cycle Management, including fee management. The in-house development team manages the data center and develops and deploys solutions to meet the university's ad-hoc requirements. This year the ERP module for employees has been revamped to include a number of additional features including leave management module.A mobile app has been revamped by this team from where the University employees can download their Pay-slips, Salary statements, PF statements, Form-16, etc.

The University Computer Center has been supporting various university departments in managing their administrative tasks. Print order, confidential list, and admit cards of more than 6 lac students were generated by the Computer Centre to help the Conduct and Secrecy Branch in conducting the Exams. The Help Desk has been established to handle grievances of the Colleges and students.

University Computer Center is handling the Administration, Management, and provisioning of ICT infrastructure of the University. University Computer Centre is responsible for the Procurement, planning, and management/administration of ICT infrastructure implementation Projects.

Digital Learning Centre

Director	:	**Prof. Nasib Singh Gill**
Deputy Directors		
Pedagogy & Training	:	**Dr. Ajit singh**
Learning Management System (LMS)	:	**Dr. Anil Siwach**
Content Production	:	**Dr. Naveen Kumar**

1. **Department Level DLC Coordinators: One each (for every Department)**

- Each Department of the University is having a Department-level DLC Coordinator, who facilitates all kinds of digital support as well as sensitize the faculty members and students of the Department.
- In view of the increased use of digital resources by the stakeholders, the University elevated the Digital Learning Initiative & Monitoring (DLIM) Cell into a fully-fledged Digital Centre that attempts to provide 24x7 access to various e-resources to the faculty and students, and also sensitize the faculty by conducting Workshops/FDPs through Faculty Development Centre, IQAC and CRSIS & EC.

2. **iLMS (INFLIBNET Supported LMS) for MDU :** MDU is the first State University that took initiative to get INFLIBNET supported service for Learning Management System and INFLIBNET customized and facilitated all the relevant learning resources for MDU.
3. **Online UG and PG Programmes offered by Centre for Distance and Online Education on iLMS platform:** Centre for Distance and Online Education is currently offering the following programs through Online mode:

- **B.A., M.A.(Pol. Sc.), M.A.(Public Admn.), M.A. (Hindi), M.A.(History), M.A. (Economics). M.Sc. (Mathematics) and Master of Commerce (M.Com.),** which are facilitated by Digital Learning Centre on iLMS platform, which indeed is highly appreciated by its stakeholders for effective teaching-learning.

4. **Learning Management System (LMS):** The Digital Learning Centre took several initiatives to motivate the faculty to enrich LMS resources to get a larger pool of e-resources/e-contents including video lecturers, ppts, etc. for students' access.

- The university has its own LMS portal, where all the faculty members of the UniversityTeaching Departments have uploaded their different kinds of e-learning resources includingsuchas:.pdf, .docx/.doc, .pptx/.ppt, .txt,handouts, etc
- This LMS also enables the faculty to upload their video links as well as other video links thefacultydeemsappropriate/suitable for theirstudentsontheirsubjectspecifictopics.

5. **Need-Based Capacity Building Sessions for Faculty on e-Content Development/ MOOCs and iLMS/LMS Integration**

- To enhance digital teaching competencies, a series of targeted capacity building sessions were conducted for university faculty members.
- These sessions focused on the development of Massive Open Online Courses (MOOCs) and effective utilization of Institutional Learning Management Systems (iLMS) and other LMS platforms.
- Designed based on faculty needs and skill levels, the program offered hands-on training in course design, content creation, learner engagement strategies, and platform navigation.
- The initiative aimed to empower educators with the tools and confidence to deliver high-quality, technology-enabled learning experiences aligned with contemporary academic standards.

In addition to this, M.D. University Sports Department organized All India Inter-University Karate (men & women) Championships in the University Campus wherein 103 Universities participated for women section and 106 Universities participated for men section. M.D. Universitycould be able to organize theAll-India Inter-University & All inter-College tournaments successfullybecause of timely help and co-operation from the University authorities, all concerned Principals and Lecturer, Physical Education of Colleges, Haryana Sports Department, Chief Warden and Wardens of the University (boys & girls), District administration, media, and coaches and staff of the Sports Office. There is no single complaint / protest against Sports Department from any quarter. On behalf of the Sports Council, the Directorate of Sports proudly thanks and congratulates the University authorities, Principals, students and all others whose invisible hands made our sports programs a grand success.

9. Faculty empowerment strategies:

(A) Teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the year:

Name of teacher	**Name of conference/workshop attended for which financial support provided**	**Name of the professional body for which membership fee is provided**	**Amount of support**
Dr. Ajit Kumar	ICAR-CPCRI, Kasargod, Kerala & Indian Society for Plant Physiology (December 17-19, 2024) Machine Learning Approaches for Automated Crop Diseases Detection	Poster Presentation at ICAR	19700/-
Dr. Mehak Dangi	65th Annual International Conference of AMI 2024 held at GJU of Science and Technology, Hisar, Haryana from 14-17 Nov 2024. Computational approach to identify Antifungal Potential of Endophytic Metabolites of Staphylococcus	Poster Presentation at AMI	8200/-

(C) Number of Teachers attending professional development programme viz. orientation programme, refresher course, short term course, Faculty Development programme during the year:

Title of the professional development programme	Number of teachers who attended	Date and Duration
Participated in the UGC sponsored Refresher Course in the subject "Contemporary Trends in Bio-Sciences" organized by UGC, MMTTC, Kumaun University, Nanital, Uttarakhand, India.	1	25/02/2025 to 10/03/2025 (2 weeks)

10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment: NIL

11. Activities and support from the Parent-Teacher Association: NIL

12. Best practices:

- ICT based learning and teaching by 100% faculty of the department.
- Being only 2 permanent faculty members of CBINF, we are smoothly managing the department without any disputes or disagreements.

13. Future plans for next academic year:

- Seminar and Conferences: 1to 2 Day Seminar/Workshop/Conference
- Extension Lecture: Extension Lectures are planned one in each semester (odd & even).
- Research Activities

1. Name of the Department : Centre for Bio-Technology

2. Head of the Department : Dr. Ritu Gill

11. Activities and support from the Parent-Teacher Association: NIL

12. Best practices:

1. Centre for Biotechnology promotes interdisciplinary collaboration in molecular biology, bioinformatics, microbial biotechnology, nanotechnology and agricultural biotechnology to tackle challenges in food security, sustainable agriculture, and health care.
2. Centre for Biotechnology emphasizes hands-on training through advanced laboratories and workshops, fostering student involvement in cutting-edge research for careers in academia and industry. Regular interaction with distinguished faculty and participation in international conferences further enhance student exposure, learning, and innovation.

13. Future plans for next academic year:

1. **Academic enrichment through distinguished events -** The Centre for Biotechnology plans to regularly organize distinguished lectures, conferences, and thematic workshops to provide advanced academic exposure to students and research scholars of M.Sc. Biotechnology, M.Sc. Agricultural Biotechnology, and Ph.D. Biotechnology. These events will bring together eminent scientists, and industry experts, creating opportunities for knowledge sharing, networking, and collaboration on emerging areas of biotechnology.
2. **Enhanced access to central instrumentation facility -** Greater emphasis will be placed on hands-on training and utilization of the Central Instrumentation Facility (CIF), equipped with state-of-the-art research tools and technologies. M.Sc. and Ph.D. students will gain practical exposure to advanced equipment for molecular biology, genomics, proteomics, and bioinformatics, enabling them to strengthen technical competencies and align their research with global standards.
3. **Outcome-Based Learning in Line with NEP-2020 -** In alignment with the NEP-2020, the Centre will adopt outcome-based learning models focusing on skill development, innovation, and entrepreneurship. The curriculum will be reoriented to include project-based learning, industry internships, start-up incubation, and interdisciplinary collaborations, ensuring that students are equipped with practical expertise and a problem-solving mindset to meet national and global challenges in biotechnology.

11. Activities and support from the Parent-Teachers association: Nil

12. Best practices:

- Regular Feedback: Provide students with consistent and constructive feedback on their work to help them improve and understand their strengths and areas for growth.
- Invite professionals from relevant fields to speak or take students on visits to workplaces to give them real-world insights and inspiration.

13. Future plans for next academic year:

To promote student development and industry connection, we will introduce an improved guidance program that pairs students with experts and industry professionals for personalized mentorship and career insights. The academic year will include various skill development activities such as webinars, panel discussions, and guest lectures focused on the latest trends and innovations in Medical Biotechnology and related fields. These initiatives will help students strengthen their practical skills, expand their knowledge of advanced research, and prepare for careers in research, academia, or the biotechnology industry.

One Week workshop on Employability Enhancement Skills Program for M.Sc. Genetics III Sem students	21-26 October, 2024	46	CCPC, MDU, Rohtak

(v) Student progression to higher education in percentage during the year:

Year	Number of students enrolled in higher education	Programme graduated from	Department Graduated from	Name of institution joined	Name of programme admitted to
2024	Manoj Kumar Yadav	M.Sc. Genetics Ph.D. Genetics	Genetics	Dankook University Republic of Korea	Post Doctoral Programme
2024	Akanksha	M.Sc. Genetics	Genetics	Kamineni Hospital Hyderabad	Diploma in Genetic counselling
2024	Sanju	M.Sc. Genetics	Genetics	Kamineni Hospital Hyderabad	Diploma in Genetic counselling
2024	Mohak	M.Sc. Genetics	Genetics	TGT in HKRN	Haryana Board of School Education
2024	Neeru	M.Sc. Genetics	Genetics	Northeastern university	Ph.D.

(vi) Students qualified in state/national/international level examinations during the year:

Examination	Numbers of students Selected/Qualified	Registration Number/roll number for the exam
NET	4	1. Himanshu Yadav CSIR Roll No. UP09003597 2. Neha CSIR Roll No. UP09017161 3. Tannu Sharma DBT Registration No. DBTHRDPMU/JRF/BET-25/I/2025-26/152 4. Mohak UGC Roll No. UP09000011

(vii) Details of Alumni engagement:

Whether the department has registered Alumni Association	Number of Registered Alumni	Alumni contribution during the year (in Rs.)	Meetings/activities organized by Alumni Association
No	51	Nil	Nil

9. Faculty empowerment strategies:

(A) Teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the year:

Name of teacher	Name of conference/workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
Dr. Ritu Yadav	INTERONC 2025 on "Integrating Science and Care: Pioneering the Future of Oncology" Organized on 28th and 29th March, Delhi, India	MDU	9195/-

10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment:

11. Activities and support from the Parent-Teachers association:

Interaction with parents helped us to know about the background of students. It was very fruitful for improvement of academic activities and overall development of students.

12. Best practices:

1. The department has fully implemented "NEP 2020" in B.Sc. M. Sc. and PG Diploma Courses.
2. Organizing regular workshops and conferences, Seminars for the upgradation of knowledge of students and researchers in different fields of biological science.
3. Guest lectures/ Extension lectures are regularly held on Chronological Genetics Update for knowledge building and personality development of students.
4. Faculty members of the department are publishing their research work in good quality journals.
5. There is regular presentation of Ph.D. progress reports.
6. Celebration of Teachers Day on 5th September every year with a no. of events including quiz contest, poster making competition, slogan making & declamation/ debate on societal issues & current awareness.

13. Future plans for next Academic year

1. Strengthening of infrastructure for classrooms and practical laboratories.
2. Cell lines culture lab and Insectary for mosquito rearing will be established for Research & Development at Department and interdepartmental level.
3. The departmental central lab will be upgraded by adding more instruments.
4. Teachers will be encouraged for quality publications and submitting research projects to funding agencies.
5. To update the recent development in research, more seminar /workshop/conferences will be organized.
6. Students will be exposed to field work by educational trips.
7. Skill development will also be enhanced by organizing Science quiz, Declamation other co-curricular activities.
8. Outreach program will be conducted by the Dept. to aware public about congenital anomalies.
9. To establish Human Molecular diagnostics laboratory.
10. To upgrade Department as Centre of Genetic Studies.

1. **Name of the Department** : **Microbiology**

2. **Head of the Department** : **Dr. Krishna Kant Sharma** (up to 20/10/2024)
Dr. Pooja Suneja (w.e.f. 21/10/2024)

3. **Faculty Profile with Name, Qualification, Designation, Specialization:**

Name	Qualification	Designation	Specialization
Dr. Krishna Kant Sharma	Ph.D	Associate Professor	Enzymology and Gut Microbiology
Dr. Pooja Suneja	Ph.D	Associate Professor	Plant-microbe interaction
Dr. Anita Rani Santal	Ph.D	Associate Professor	Microbial Bioremediation
Dr. Pooja Gulati	Ph.D	Associate Professor	Medical Microbiology and Molecular epidemiology
Dr. Sanjay Kumar	Ph.D	Associate Professor	Bioprocess Technology
Dr. Rajeev Kumar Kapoor	Ph.D	Associate Professor	Enzyme Biotechnology and IPR
Dr. Bijender Singh	Ph.D	Assistant Professor	Bioprocess Technology

4. **Curricular Aspects: Nil**

5. **Student enrollment and profile:**

(i) Demand ratio during the year:

Name of the programme	Number of seats available	Number of applications received	Students enrolled
M.Sc. Microbiology	25+10% extra (Excluding Supernumerary Seats)	1009 (for Life Sciences Group)	26
M.Sc. Microbial biotechnology	20+10% extra (Excluding Supernumerary Seats)	1009 (for Life Sciences Group)	18
Ph.D Microbiology	9	39	4

(ii) Student strength:

Name of Course	Student Strength	
	Male	Female
PG	11	82
Ph.D. Coursework	3	1
Ph.D. (Registered students only)	5	21
Grand Total	19	104

(iii) Pass percentage of students:

Programme code	Programme name	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass percentage
1017	M.Sc. Microbiology	27	22	81.48%
1018	M.Sc. Microbial Biotechnology	19	14	73.68%

6. Research, Innovations and Extension Activities of the Department/Centre:

(A) Details of research projects/Funding received (UGC-SAP, DST-FIST etc):

Name of the Faculty Member	Name of the Research Project (Minor/ Major)	Amount of the Research Project	Funding Agency	Period	Status of the Project
Dr. Pooja Gulati	Major	35,00,000	HSCSIT	3 years	Awarded
Dr. Pooja Gulati	Minor	3,00,000	CRSIS & EC, MDU	18 months	Ongoing
Dr. Krishna Kant Sharma	Consultancy Project	5, 40,000	The Live Green Co. (USA)	6 Month	Completed
Dr. Krishna Kant Sharma	Innovation Project	14,79,000	MD University, Rohtak	12 Month	Ongoing
Dr. Pooja Suneja	Major	40,00,000	HSCSIT	3 Years	Ongoing
Dr. Rajeev Kumar Kapoor	Minor	3,00,000	CRSIS & EC, MDU	18 months	Ongoing

11. Activities and support from the Parent-Teachers association: Nil

12. Best practices:

1. Organizing Hands-on training for various Department instrumentation facilities to the research scholars and MSc. Students.
2. Revenue generation from the outsourcing of DST-FIST laboratory of the Microbiology Department.
3. Department of Microbiology has active journal club run by research scholars.
4. Department unique adoption of mechanism (student trainers) for smooth running of advanced instrument facilities for MSc. students & research scholars.
5. Providing international and industrial mentors to the students.
6. Helping local village entrepreneurs and free consultation by the Department
7. Project-based practical learning is carried out for each student to meet the needs of industries and higher institutions.
8. Department has Anaerobic microbial culture facility.

13. Future plans for next academic year:

1. To start Microbiology UG course as per NEP in colleges of Haryana.
2. To augment the capacity and standards of MSc laboratories.
3. To enhance skill, personality and professional development of post-graduate and PhD students of the Department.
4. To bring in more projects and improve research capabilities of the Department.
5. To encourage industry partnerships in research.
6. To conduct more and more workshops for provision of hands-on practical training for career enhancement of masters students and research scholars.

11. Activities and support from the Parent-Teacher Association:

Regular Mentor Mentee Meetings are arranged for betterment of association and understanding.

12. Best practices (Describe at least two best practices) :

1. Use of ICT mediated Teaching learning Pedagogy.
2. Use of Flipped learning for enhancing learning as best practice

13. Future plans for next academic year:

1. To establish research linkage with the different R&D institutes/states/central Universities for research and student exchange programme.
2. Upgradation of Departmental Bio- safety lab and Vermiculture lab to provide advanced research quality to students.
3. Focus on development of commercial diagnostic nanosensor and edible vaccines for therapeutic purpose to cure various challenging diseases.

11. Activities and support from the Parent-Teachers association: NIL

12. Best practices:

1. The dedicated teachers of the department are actively engaged in student-centric learning strategies like brainstorming sessions and critical thinking in the regular classroom teaching for a comprehensive understanding of the subject matter.

2. In addition to the curricular goals, the department is committed to the holistic development of the students. The students are motivated for socio-cultural activities as well as physical fitness routines like yoga and exercises. Every year the Department of Chemistry organizes National Science Day and Annual Sports Day for extra-curricular development of the students.

13. Future plans for next academic year:

The Department of Chemistry at present has about 200 students in the M.Sc. program and more than 30 research scholars actively engaged in teaching and research. Teachers would be encouraged to seek research projects in the crucial areas of chemical sciences through several national-level agencies providing research grants such as UGC, DST, etc. Renowned teachers/researchers will be invited to deliver their talk to motivate the students. Attempts will also be made to collaborate with national and international level research institutes/universities. The alumni association of the department will also be strengthened in the future to promote more academic and placement collaborations.

11. Activities and support from the Parent-Teacher Association:

Meeting of Parents-Teacher is conducted and their feedback obtained accordingly.

12. Best practices:

- Conductive Project-Based learning environment for students.
- A very competitive placement cell is maintained by the Department

13. Future plans for next academic year:

- To offer new course like M.Sc. (Cloud Computing) and few more courses of Computer Science/Applications through blended mode in tune with NEP-2020.
- To encourage faculty and research scholars to file more patents as well as publish papers in leading Journals with reasonable impact factor.

9. Faculty empowerment strategies:

(C) Number of Teachers attending professional development programme viz. orientation programme, refresher course, short term course, Faculty Development programme during the year:

Title of the professional development programme	Number of teachers who attended	Date and Duration
Refresher course on Use of Artificial Intelligence in Higher Education (Online) organized by Central University of Haryana, Mahendergarh	01	9/12/2024 to 21/12/2024 (Two Weeks)

10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment:

Name of the Faculty Member	Name of the Activity (Sports, Cultural, Social, Examinations, Educational Tour & Any other Administrative Assignment)	Nature of the Duty Assigned	Dates	Level of the Activity (National/ International)
Dr Anju Panwar	43rd Inter Zonal Youth festival-2024	Member of Organizing Committee	November 18-20, 2024	National
Dr Anju Panwar	National and Cultural Integration Event	Participated as NSS PO	Feb 05, 2025	National
Dr Anju Panwar	One Day National Conference to commemorate World Intellectual Property Day, sponsored by the Haryana State Council for Science Innovation & Technology organized by Centre for IPR Studies, M.D. University, Rohtak	Member of Organizing Committee	April 26, 2025	National
Dr Poonam	Reviewer of journal paper	Reviewer	2024-25	International

11. Activities and support from the Parent-Teacher association if any:

The Parent teacher meeting was organized by Department of Mathematics on February 24, 2025.

12. Best practices:

Best Practice – I
1. Title of the Practice
Enhancing Employability and Career Readiness
2. Objective of the Practice
• To inculcate the habits of reading, learning and problem-solving. • To adopt technological changes for triggering and matching the new paces of education. • To develop and enhance various skills with a focus on better career opportunities. • To prepare students for competitive job markets by improving their employability skills. • To provide exposure to career opportunities in various sectors including defence, government, and industry.
3. The Context
• The department consistently provides a platform to the students for inculcating multidisciplinary skills. • The department works for consistent enrichment of mathematical and technical competency. • The department promotes the culture of regular library seating and reading habits. • Many students lack practical training, awareness of diverse career paths, and exposure to workplace expectations. This creates a gap between academic learning and employment readiness.
4.Practice
• The department provides necessary infrastructure including well-established Departmental Library with more than 20 thousand reference books, approx. 1700 e-books and hundreds of journals. • The department has flourished Computer Facilities with 24x7 Wi-Fi Connectivity to strengthen the educational environment. • The growth of the infrastructure keeps pace with the academic growth of the department. • The department has operative mechanisms for maintenance and optimal use of infrastructure. • The department keeps on organizing trainings on Employability Skills with a focus on Career and Placements like-Seven Days Workshop on Employability Enhancement Skills (09-09-2024) – Funded by CCPC, MDU, Rohtak,OrientationProgramme on Employment Opportunities in Defence Sector, Central Govt. Service (CGL) & Other Competitive Exams (25-02-2025) – Funded by DSW, MDU, AI Summer School – 1st Hands-On Practice in Artificial Intelligence for Industrial Readiness (09-06-2025).
5. Evidence of Success
• Many students awarded with UGC/CSIR/URS Scholarship. • More than 50 students of the department qualified CSIR-UGCNET/GATE/CTET/HTET/CETetc. • Our students have a good share in placements in both Government and Corporate Sector.
Problems Encountered and Resources Required
• Selection and availability of required books is a big challenge. • Fast change in technology and market demands result in short span of some technical books. • Non-availability of books related to new research topics. • Requirement of advanced computer lab facilities for AI training.
Best Practice – II
1. Title of the Practice
Academic Enrichment through Applied Learning
2. Objective of the Practice
• To enhance the scientific and creative skills of the students. • To enhance the research standards for the faculty members. • To bridge the gap between theoretical concepts and their real-world applications. • To promote interdisciplinary learning and practical problem-solving skills.

3. The Context
• To meet the needs and challenges which are being faced in day-to-day life, growth in the field of Mathematical Science and Technology is a must. • For proper development and growth in the areas related to Mathematics and Computer Science, good quality research work is required. • Students often study mathematical concepts without understanding their real-life applications, resulting in lower engagement and retention.
4.Practice
• The department promotes research culture among faculty and researchers. • There is healthy academic and research environment in the Department covering many thrust areas. • Every year, university provides three University Research Scholarships (URS) to the students of Mathematics for supporting their research work. A fairly large number of scholars are registered in the Department for Ph.D. degree. • The department/university grants duty / academic/study leaves liberally to the teachers as and when required for pursuing higher research degree and for participating in conferences/symposia/workshops or other academic/research purposes by other universities /institutes in India and abroad. • Faculty members and research scholars have access to on-line journals and e-books. • The Department organized One Day Seminar on Real-World Applications of Mathematical Principles (22-03-2025). It demonstrated the application of mathematics in engineering, data science, finance, and other fields through case studies and problem-solving exercises.
5. Evidence of Success
• Research papers published by the department in Web of Science/Scopus and ICI indexed UGC approved journals having good impact factors. • Many students of the Department are awarded JRF by CSIR/UGC. • Feedback indicated an increased interest in interdisciplinary research.
Problems Encountered and Resources Required
• Overburdened faculty members with administrative assignments – enquiries, inspections and various committees at the university level in addition to their normal work of teaching and research. • Requirement of more industry-based experts and case studies.

13. Future plans for next Academic year

- Revise curriculum to include emerging topics like Data Science, Cryptography and AI.
- Introduce interdisciplinary and industry-relevant elective courses.
- Launch certificate programs in LaTeX, Python, and Mathematical Software.
- Organize workshops for NET/GATE and career guidance.
- Conduct seminars/conferences/workshops in collaboration with reputed institutes.
- Apply for major/minor research projects (UGC, CSIR, DST).
- To enhance infrastructural and research standards through UGC-SAP (DRS-II) or FIST.
- Strengthen alumni engagement for mentoring and placements.
- Create a department blog or student academic portal.
- Arrange extension lectures by industry experts and alumni.
- Organize Math outreach programs in schools and rural areas.
- Plan educational/industrial visits to IITs, ISI, software companies for wider exposure of the students in various domains and understand the emerging areas in the society, in general, and Mathematics and technology, in particular.
- Promote mental wellness and inclusivity through workshops and feedback cells.

- To arrange at least three extension lectures to enhance academic/ research standard. Alumni will be invited for delivering some of these lectures.
- To do new/extended research work in the varied areas of mathematical sciences and to get it published in the Scopus/WoS/ICI indexed UGC approved Journals.
- To make efforts at the departmental level to establish linkages with various institutions/industries for research and extension.
- To organize “blood donation” and/or “pledge to eye donation” camp.
- To organize other extracurricular/co-curricular activities in collaboration with other agencies/NGOs (such as Rotary/Lions etc.).
- To arrange visits to Orphanages, Institutes of Mentally Challenged persons, Old age homes and other social outreach activities to inspire the students to serve the society and the community.
- To strengthen the Departmental Library with new books and digital resources.
- To strengthen the Alumni database by making efforts of keeping the record of each and every alumnus of the Department to enhance guidance and placement. The eminent alumni preferably belonging to industries/corporate/research institutes/Govt. agencies/foreign institutes may be involved as special invitees in its Board of Studies.
- To organize University/State level Quiz Contest in Mathematics.

1. Name of the Department : PHYSICS

2. Head of the Department : Dr. Rajesh Punia

3. Faculty Profile with Name, Qualification, Designation, Specialization:

Name	Qualification	Designation	Specialization
Dr. A.S. Maan	Ph.D.	Professor	Solid State Physics (Amorphous Materials)/ Electronics /Material Science
Dr. Rajesh Parmar	Ph.D.	Professor	Experimental Solid State Physics
Dr. Rajesh Punia	Ph.D.	Professor	Material Science
Dr. Sajjan	Ph.D.	Associate Professor	Material Science: Ion conducting materials, Materials for dye degradation and UV detection, Organic Electronics
Dr. Grima Dhingra	Ph.D.		Condensed Matter Physics
Dr. Anil Ohlan	Ph.D.		Material Science, Conjugated Polymers, Electromagnetic Shielding
Dr. Rajni Bala	Ph.D.	Assistant Professor	Material Science

4. Curricular Aspects:

(A) New Programs/Courses introduced (if any):

NEP 2020 is implemented in undergraduate and postgraduate courses in Physics w.e.f. 2024-25

Program code	Program name	Course code	Name of the new Program/course introduced
Phy-2	M.Sc. Physics	25PHY204SE01	Characterization Techniques

(B) Details of syllabus revision:

Program Code of revised syllabus	Name of the program where syllabus has been revised	Date of Academic Council	% of syllabus content added or replaced
Phy-2	M.Sc. Physics	-	~5%

5. Student enrollment and profile:

(i) Demand ratio during the year:

Name of the programme	Number of seats available	Number of applications received	Students enrolled
M.Sc. Physics	60	358	62
Ph.D. Program	06	33	05

(ii) Student strength:

1.	Joint Research Article	Thermally conducting polyaniline reinforced expanded graphite/ TiO_2/ $BaFe_{12}O_{19}$ nanocomposites: Electromagnetic shielding performance in Ku-frequency band	Department of Physics, College of Science, King Khalid University, Abha, Saudi Arabia; CSIR-Central Electrochemical Research Institute (CECRI) Chennai Unit, CSIR Madras Complex, Taramani, Chennai, India	2024-2025	Chahal R, Malik S, Dahiya S, Punia R, Maan A S, Ashraf I M, Shkir M, Singh K, Ohlan A
2.	Joint Research Article	Designing of novel hexamine-phenylenediamine covalent organic framework-metal oxide composites as electrode materials for supercapacitors	CSIR-Central Electrochemical Research Institute (CECRI) Chennai Unit, CSIR Madras Complex, Taramani, Chennai, India; Department of Physics, College of Science, King Khalid University,	2024-2025	Khatri I, Siwach P, Gaba L, Dahiya S, Punia R, Maan A S, Singh K, Ashraf IM, Shkir M, Ohlan A

			Abha, AlQura'a, Saudi Arabia		
3.	Joint Research Article	Synergy of Reduced Graphene Oxide Composites with Cerium Doped Lanthanum Ferrite for High Frequency (12.4-18 GHz) Electromagnetic Shielding Application	Department of Physics, Govt. P.G. College for Women, Rohtak, India, Department of EEE, Guru Jambheshwar University of Science & Technology, Hisar, India	2024-2025	Malik S, Chahal R, Dahiya S, Punia R, Maan A S, Nain A, Ohlan A
4.	Joint Research Article	Nanostructured nickel doped manganese oxide/ polypyrrole/ graphitic carbon nitride hydrogel as high-performance supercapacitor electrodes	Department of Physics, Sant Longowal Institute of Engineering & Technology (SLIET), Longowal, India CSIR-Central Electrochemical Research Institute (CECRI) Chennai Unit, CSIR Madras Complex, Taramani, Chennai, India, Saveetha School of Engineering, Saveetha Institute of Medical and Technical Sciences, Saveetha University, Chennai, Tamil Nadu, India, Department of Chemistry, College of Science, King Saud University, Riyadh, Saudi Arabia	2024-2025	Siwach P, Gaba L, Aggarwal K, Dahiya S, Punia R, Maan A S, Singh K, Kumar Y A, Ghfar A A, Ohlan A
5.	Joint Research Article	Hybridization of metal-organic frameworks and MXenes: Expanding horizons in supercapacitor applications	Department of Physics, Sant Longowal Institute of Engineering & Technology (SLIET), Longowal, India CSIR-Central Electrochemical Research Institute (CECRI) Chennai Unit, CSIR Madras Complex, Taramani, Chennai, India	2024-2025	Gaba L, Siwach P, Aggarwal K, Dahiya S, Punia R, Maan A S, Singh K, Ohlan A
6.	Joint Research Article	Deciphering the thermal, physical, structural, and optical characteristics of sodium-doped vanadophosphate glasses	University Institute of Engineering and Technology, Maharshi Dayanand University, Rohtak, India	2024-2025	Sehrawat N, Sharma P, Bala M, Ohlan A, Dahiya S, Punia R, Maan A S

7.	Joint Research Article	Novel three-dimensional architectured ZnMgAl ternary layered double hydroxide@ reduced graphene oxide nanocomposites as electrode material for high-performance supercapacitor	Department of Physics, Sant Longowal Institute of Engineering & Technology (SLIET), Longowal, India; CSIR-Central Electrochemical Research Institute (CECRI) Chennai Unit, CSIR Madras Complex, Taramani, Chennai, India	2024-2025	Siwach P, Gaba L, Aggarwal K, Dahiya S, Punia R, Maan A S, Singh K, Ohlan A
8.	Joint Research Article	Multifunctional porous polyaniline/ phosphorus-nitrogen co-doped graphene nanocomposite for efficient room temperature ammonia sensing and high-performance supercapacitor applications	Department of Physics, D.P.G. Degree College, Gurugram, India, Department of Physics, Kirori Mal College, University of Delhi, Delhi, India; Department of Physics, Jan Nayak Choudhary Devi Lal Memorial College, Sirsa, India	2024-2025	Singh R, Agrohiya S, Rawal I, Ohlan A, Dahiya S, Punia R, Maan A S
9.	Joint Research Article	Enhanced luminescence of Dy-activated in-situ synthesized $LaAlO_3$/MgO nanocomposites for cool wLED and latent finger printing applications	Department of Chemistry, Maharshi Dayanand University, Rohtak, India	2024-2025	Makhija A, Sharma A, Ohlan A, Dahiya S, Malik R, Punia R, Maan A S
0.	Joint Research Article	Cost-effective and eco-friendly synthesis of thermally stable Sr^{2+} doped Bi_2S_3 nanoflowers for efficient adsorption and visible-light-driven photocatalytic degradation of Rhodamine-B pollutant	Department of Physics, Indian Institute of Technology, Gandhinagar, India	2024-2025	Sharma A, Makhija A, Saini L, Ohlan A, Dahiya S, Punia R, Maan A S
11.	Joint Research Article	Polypyrrole nanofibers/phosphorus-doped graphene nanocomposite for efficient room temperature real-time monitoring of ammonia	Department of Physics, D.P.G. Degree College, Gurugram, India Department of Physics, Kirori Mal College, University of Delhi, India Department of Physics, Jan Nayak Choudhary Devi Lal Memorial College, Sirsa, India	2024-2025	Singh R, Agrohiya S, Rawal I, Ohlan A, Dahiya S, Punia R, Maan A S
12.	Joint Research Article	Optimized growth of $LiZnBO_3$ monoclinic phase in lithium zinc borate glass ceramics for electrode material	Department of Physics, Chaudhary Ranbir Singh University, Jind, India	2024-2025	Pawaria S, Ahlawat J, Deopa N, Ohlan A, Dahiya S, Punia R, Maan A S
13.	Joint Research	A review on overcoming challenges and pioneering	Department of Applied Science, School of	2024-25	Jangra S, Kumar B,

	Article	advances: MXene-based materials for energy storage applications	Advanced Engineering, UPES, Dehradun, India; Department of Mechanical Engineering, School of Advanced Engineering, UPES, Dehradun, India; Electrochemical Energy Storage Laboratory, Department of Chemistry, SRM Institute of Science and Technology, Tamil Nadu, India; Mads Clausen Institute, NanoSYD, University of Southern Denmark (SDU), Denmark		Sharma J, Sengupta S, Das S, Brajpuriya R K, Ohlan A, Mishra Y K, Goyat M S
14.	Joint Research Article	Microwave absorbing properties of polypyrrole-based 2D nanocomposites	Department of Chemistry, Lovely Professional University, Phagwara, India	2024-25	Islam R, Sood Y, Mudila H, Ohlan A, Kumar A.
15.	Joint Research Article	EMI shielding performance of PPy/Fe-WS_2 nanocomposites in the Ku band	Department of Chemistry, Lovely Professional University, Phagwara, India	2024-25	Islam R, Mudila H, Chahal R, Ohlan A, Kumar A.
16.	Joint Research Article	Investigating and optimizing the variation of selenium infused MoS_2 as electrode material for supercapacitor applications	Department of Physics, Ch. Bansi Lal University, Bhiwani, India; Department of Computational Sciences, Central University of Punjab, Bathinda, Panjab, India	2024-25	Khichi P, Siwach P, Gaba L, Kumar V, Kumar J, Ohlan A, Tripathi R.
17.	Joint Research Article	Crystallographic and photoluminescent features of Dy^{3+}- activated $Ca_8ZnBi(VO_4)_7$ nanosample produced by combustion for use in advanced solid-state lighting and latent fingerprinting applications	Department of Chemistry, Maharshi Dayanand University, Rohtak, India	2024-2025	Sehrawat N, Devi P, Dalal H, Solanki D, Garg O, Kumari N, Punia R, Garg S
18.	Joint Research Article	Impact of pH variation and radical scavenger on photocatalytic dye degradation of Rhodamine B dye using $LaAlO_3$/ZnO	Department of Chemistry, Maharshi Dayanand University, Rohtak, India	2024-2025	Jangra K, Sharma A, Bhardwaj A, Garg S, Punia R, Dahiya S

		nanocomposites synthesize by sol gel method			
19.	Joint Research Article	Investigating the influence of Sm^{3+} ions on the optical and photoluminescence behaviour of BaAlPbB glasses for laser applications	Department of Physics, Chaudhary Ranbir Singh University, Rohtak Bypass Road, Jind, India	2024-2025	Isha, Kumar A, Ravina, Punia R, Dahiya S, Deopa N, Kumar A
20.	Joint Research Article	Impact of sintering temperature on the structural, ferroelectric, dielectric, and electrochemical properties of $BiFeO_3$ nanoparticles	University Department of Physics, L.N. Mithila University, Darbhanga, India, Department of Physics, D.B.S. (P.G.) College, Dehradun, Uttarakhand, India; Department of Physics, Delhi University, Delhi, India, Department of Physics, Regional Institute of Education (NCERT), Bhubaneswar, Odisha, India; Department of Physics, Marwari College, Lalit Narayan Mithila University, Darbhanga, Bihar, India	2024-2025	Saurabh S, Kumar B, Chauhan N, Dwivedi V., Tamang H, Dahiya S, Singh A., Kumar A, Srivastava S K, Kumar A
21.	Joint Research Article	Mott's variable range hopping conduction mechanism in polypyrrole /molybdenum disulphide-reduced graphene oxide nanocomposites	Department of Physics, J.C. Bose University of Science & Technology, YMCA, Faridabad, India; Department of Physics, Kirori Mal College, University of Delhi, Delhi, India; Department of Physics, Institute of Integrated and Honours Studies (IIHS), K. U., Kurukshetra, India	2024-2025	Rajpal A, Rawal I, Sharma A, Dahiya S, Kumar V, Goyal P.K.
22.	Joint Research Article	Impact of pH variation and radical scavenger on photocatalytic dye degradation of Rhodamine B dye using $LaAlO_3$/ZnO nanocomposites synthesize by sol gel method	Department of Chemistry, Maharshi Dayanand University, Rohtak, India	2024-2025	Jangra K, Sharma A, Bhardwaj A, Garg S, Punia R, Dahiya S
23.	Joint Research Article	Textile wastewater treatment using ternary hybrid nanocomposites of hexagonal NiO with	Materials & Nano Engineering Research Laboratory, Dept. of Physics, School of	2024-2025	Subramanyam S, Phor L, Selopal G S, Kumar A,

		MWCNT/GO	Physical Sciences, DIT University, Dehradun, India; Department of Physics, University Centre for Research and Development, Chandigarh University, Gharuan, Mohali, India; Dept. of Physics, Deenbandhu Chhotu Ram University of Science and Technology, Murthal, India, Centre for Research Impact & Outcome, Chitkara University Institute of Engineering and Technology, Chitkara University, Rajpura, Punjab, India; Department of Engineering, Faculty of Agriculture, Dalhousie University, Truro B2N 5E3, NS, Canada		Suman, Singh A, Kumar P, Dahiya S, Chahal S
24.	Joint Research Article	Linear and Nonlinear Optical Characteristics of Bismuth-Modified Lead-Silicate Glasses	Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India; Department of Physics, Government P. G. College, Panchkula, India Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India	2024-2025	Bala R, Sanghi S, Agarwal A, Rani S, Gaur S
25.	Joint Research Article	Conductivity, dielectric, and modulus formalism in Li_2O modified $PbO{\cdot}Bi_2O_3{\cdot}B_2O_3$ glasses	Department of Physics, Government College for Women, Bawani Khera, Haryana, India Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India	2024-2025	Yadav D, Bala R, Chauhan S, Gaur S, Poria K

26.	Joint Research Article	Influence of Bi_2O_3 on structural and optical characteristics of $PbO{\cdot}B_2O_3{\cdot}Bi_2O_3{\cdot}SiO_2$ glasses	Department of Physics, Government College for Women, Bawani Khera, Haryana, India Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India	2024-2025	Chauhan S, Bala R, Yadav D, Gaur S
27.	Joint Research Article	Electrical and Dielectric Properties of $PbO{\cdot}Bi_2O_3{\cdot}SiO_2$ Glasses	Department of Physics, Guru Jambheswar University of Science and Technology, Hisar, India	2024-2025	Bala R, Agarwal A, Sanghi S
28.	Joint Research Article	Structural, optical, and dielectric investigations of sodium-modified lead-bismuth borate glasses	Department of Physics, Government College for Women, Bawani Khera, Haryana, India Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India Department of Electrical Engineering, DCR University of Science & Technology, Murthal, Sonepat, India Department of Physics, Government P. G. College, Panchkula, India	2024-2025	Yadav D, Bala R, Chauhan S, Gaur S, Sharma D, Rani S
29.	Joint Research Article	The Role of Fe_2O_3 and MoO_3 content on FTIR Study of Lead Borate Glasses	Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India Department of Chemistry, GDC Memorial College, Bahal (Bhiwani) Haryana, India Department of Chemistry, Banasthali Vidyapith, Banasthali, Rajasthan,India	2024-2025	Gaur S, Devi S, Kaushik S, Bala R, Chauhan S, Yadav M
30.	Joint Research Article	Structural and optical investigations of lithium-modified lead bismuth borate glasses	Department of Physics, Government College for Women, Bawani Khera, Haryana, India	2024-2025	Yadav D, Bala R, Chauhan S, Gaur S

			Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India		
31.	Joint Research Article	Investigating the influence of barium oxide on bismuth borovanadate glasses: physical, structural, optical, and dielectric properties	Department of Physics, Guru Jambheshwar University, Hisar, India	2024-2025	Rani A, Parmar R, Kundu R S, Bala R
32.	Joint Research Article	Investigation of electrical and impedance spectroscopic properties of Na_2O modified lead-bismuth borate glasses	Department of Physics, Government College for Women, Bawani Khera, Haryana, India Department of Physics, GDC Memorial College, Bahal (Bhiwani), Haryana, India Department of Physics, Government P. G. College, Panchkula, India	2024-2025	Yadav D, Bala R, Chauhan S, Rani S
33.	Joint Research Article	Structural, optical and dielectric studies of KCl modifed TeO_2–Bi_2O_3–B_2O_3 Glasses.	Department of Physics, Govt. College for Women, Lakhan Majra, Rohtak, India Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Poria K, Parmar R, Dhankhar S, Kundu R S
34.	Joint Research Article	Uncovering the impact of BaO on electrical properties of bismuth boro vanadate Glasses: V_2O_5-B_2O_3-Bi_2O_3-BaO	Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Rani A, Parmar R, Kundu R S
35.	Joint Research Article	Glass trahaviour and structural analysis of $SrCl_2$ modified tellurite-Based glasses	Department of Physics, Govt. College for Women, Lakhan Majra, Rohtak, India Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Poria K, Parmar R, Dhankhar S, Kundu R S
36.	Joint Research Article	Physical, thermal and optical study of Bismuth modified boro-vanadate glasses: V_2O_5-B_2O_3-Bi_2O_3	Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Rani A, Parmar R, Kundu R S

37.	Joint Research Article	Exploring the impact of $CuCl_2$ modification on structural variations and dielectric constant in bismuth borate tellurite glasses.	Department of Physics, Govt. College for Women, Lakhan Majra, Rohtak, India Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Poria K, Parmar R, Dhankhar S, Kundu R S
38.	Joint Research Article	Electrical characterization of lead-modified bismuth borovanadate glasses.	Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Rani A, Parmar R, Kundu R S
39.	Joint Research Article	Physical and Optical Properties of Tellurium Dioxide-Based Quaternary Glasses: Potential for Nonlinear Optical Applications	Department of Physics, Govt. College for Women, Lakhan Majra, Rohtak, India Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Poria K, Parmar R, Kumari H, Dhankhar S, Kundu R S
40.	Joint Research Article	Study of electric transport and impedance analysis in copper chloride modified bismuth boro-tellurite glasses	Department of Physics, Govt. College for Women, Lakhan Majra, Rohtak, India Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Poria K, Parmar R, Dhankhar S, Kundu R S
41.	Joint Research Article	Frequency-dependent electrical conductivity and impedance analysis on KCl modified tellurite-based glasses.	Department of Physics, Govt. 42.	Joint Research Article	Ferroelectric to relax or transition and improved dielectric response in samarium-doped barium titanate stannate ceramics	Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India Department of Physics, Vardhaman College, Bijnor, U.P., India	2024-25	Poonia K, Lather A S, Ahlawat N, Kundu R S, Nehra A, Parmar R
43.	Joint	Investigating the electrical	Department of Physics,	2024-25	Rani P, Poria

	Research Article	properties of V_2O_5 modified lithium borate glasses using Dielectric Spectroscopy: Insights into Li^+ ion diffusion and mixed conduction for energy storage applications	Govt. College for Women, Lakhan Majra, Rohtak, India Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India		K, Parmar R, Dhankhar S, Kundu R S, Singh D
44.	Joint Research Article	Examination of bismuth Borovanadate Glasses Modifed by Alkaline Earth Oxide (SrO) in Terms of AC Conductivity and Dielectric Relaxation.	Department of Physics, Guru Jambheshwar University of Science and Technology, Hisar, India	2024-25	Rani A, Parmar R, Kundu R S
45.	Joint Research Article	Investigating Oxygen Vacancies and their Role in Enhanced Photocatalytic and Magnetic Properties of Cadmium-Doped $ZnFe_2O_4$ NPs	Department of Physics, Deenbandhu Chhotu Ram University of Science and Technology, Murthal, Haryana, India Department of Physics, School of Physical Sciences, Materials and Nano Engineering Research Lab, DIT University, Dehradun, India Department of Physics, Chaudhary Devi Lal University, Sirsa, Haryana, India	2024-25	Kumari H, Sonia Chahal S, Singh R M, Kumar A, Parmar R

7. Infrastructure and Learning Resources:

(A) Details of augmentation in infrastructure facilities during the year:

Facilities	Existing	Newly added
Class rooms	04 (2 classrooms with ICT/Projector facilities)	01 (Portion taken over from History Department)
Laboratories	04 + 10 (Research Labs)	01
Seminar Halls	-	01
Class rooms with Wi-Fi/LAN	03	-
Value of equipment's purchased during the year (Rs. In lakhs)	-	Rs. 35,61,700/-
Others	21 rooms (Staff Rooms/store/office/ HOD room)	06 rooms

8. Student support and progression:

(i) Achievements by Research Scholars and Students:

Number of JRF,SRF, PDF enrolled during the session	Cumulative number of enrolled research scholars	Duration of fellowship	Name of Funding agency
05	29	5 years	UGC-CSIR

(v) Student progression to higher education in percentage during the year:

Year	Number of students enrolled in higher education	Programme graduated from	Department Graduated from	Name of institution joined	Name of programme admitted to
2024-25	1	M.Sc. Physics	Department of Physics, MDU, Rohtak	Sant Roshan Lal College of Education, Dhani Mahu, Bhiwani	B.Ed.
2024-25	1	M.Sc. Physics		Swami Dayamuni Vidyapeeth College of Education, Kalanaur, Rohtak	B.Ed.
2024-25	1	M.Sc. Physics		Government College of Education, Bhiwani	B.Ed.
2024-25	3	M.Sc. Physics		Vaish College of Education, Rohtak	B.Ed.
2024-25	1	M.Sc. Physics		Adampur College of Education, Adampur Dadri, Chaarkhi Dadri	B.Ed.
2024-25	1	M.Sc. Physics		St. Paul College of Education, Rohtak	B.Ed.
2024-25	1	M.Sc. Physics		Kalpana Chawla College of Education, Chikanwas, Hisar	B.Ed.
2024-25	1	M.Sc. Physics		Smt. Santra Devi College of Education, Samaspur, Charkhi Dadri	B.Ed.
2024-25	1	M.Sc. Physics		C.R. College of Education, Rohtak	B.Ed.
2024-25	1	M.Sc. Physics		Geeta Arya College of Education, Julana, Jind	B.Ed.
2024-25	1	M.Sc. Physics		Delhi Technological University, Delhi	Ph.D.
2024-25	1	M.Sc. Physics		Indian Institute of Technology, Ropar	Ph.D.
2024-25	1	M.Sc. Physics		Indian Institute of Science Education and Research, Berhampur	Ph.D.

(vi) Students qualified in state/national/international level examinations during the year:

Examination	Numbers of students Selected/Qualified	Registration Number/roll number for the exam
NET	2	UP09148496, UP09147663
GATE	3	PH24S23004096, PH24S23048188, PH24S23047060
State Government services	3	307015, 673624, 350246
Any other	3	891885, 118123245, GS2024PHYPHD002650

9. Faculty empowerment strategies:

(C) Number of Teachers attending professional development programme viz. orientation programme, refresher course, short term course, Faculty Development programme during the year:

Title of the professional development programme	Number of teachers who attended	Date and Duration
Refresher Course in Physical Sciences, Chemical Sciences and Engineering	01	03-16 June, 2025

10. Participation of Faculty in Extra Curricular Activities/ Administrative Assignment:

Name of the Faculty Member	Name of the Activity (Sports, Cultural, Social, Examinations, Educational Tour & Any other Administrative Assignment)	Nature of the Duty Assigned	Dates	Level of the Activity (National/ International)

11. Activities and support from the Parent-Teacher Association:

A Parent teacher meeting was organized in the Department on April 15, 2025. Parents were given the opportunity to share their feedback and raise any concern regarding their wards academic journey. Constructive feedback is exchanged and the department assured parents of continued support and guidance.

12. Best practices:

1. The Department is making more efforts towards energy and water conservation
2. Extra activities like sports, YRC, NCC, NSS, blood donation camp, camping and cultural events help students grow in confidence and teamwork.
3. Quick response to student requests keeps things running smoothly and reduces stress.
4. Department groups like DC, DRC, PGBOS, Alumni, and CCPC help with studies, research, and placements.
5. Clear systems and regular updates make students feel supported.

13. Future plans for next academic year:

1. The department is making efforts to attract more research projects.
2. Planning to organize more national and international seminars, conferences, and workshops. These activities aim to promote a supportive environment for student and scholar research.
3. Industry and field visits are also being planned to enhance practical learning as per NEP 2020

11. Activities and support from the Parent-Teacher Association:

Regular interaction with the parents.

12. Best practices:

- The department fosters an immersive learning environment by encouraging students' active engagement in academic discussions, lab work, and internships. This hands-on approach cultivates critical thinking, practical skills, and professional readiness in real-world settings.
- To bridge theory with practice, the department routinely organizes workshops, extension lectures, and expert talks spanning diverse psychological disciplines which expose students with first-hand insights into diverse areas of psychology and further enhance professional readiness.
- Committed to students' and university community well-being, the department regularly conducts events such as Mental Health Marches, outreach programs, and public workshops which not only promote mental health literacy but also reduce stigma associated with seeking psychological help.
- Regular experiential outings to reputed institutions and clinical settings are organized to reinforce theoretical learning with practical exposure, encourage holistic development and deepen understanding of psychological applications across various contexts.

13. Future plans for next academic year:

- To organize workshops/lectures on various topics like research methodology, therapies, etc. that foster academic excellence in the discipline and align with the spirit of NEP 2020.
- To strengthen campus-wide mental health initiativesfor cultivating and promoting a resilient university culture.
- To organizeoutreach programs to raise mental health awareness in the broader society and destigmatize seeking help for mental health concerns.

12. Best practices:

Empowering Through Classroom Teaching :-

As a regular practice, students in the Department are encouraged to deliver lectures in front of their classmates. This initiative not only enhances their subject understanding but also boosts their public speaking skills and self-confidence. By simulating a real classroom environment, it gives them valuable exposure to teaching and prepares them for academic and professional settings where addressing an audience is essential.

It also fosters peer-learning as students engage with multiple perspectives and interpretations. The practice cultivates leadership, clarity of thought and effective communication. Regular feedback from teachers and peers further helps in refining their delivery and deepening their knowledge.

12. Best practices:

Inclusive Entrepreneurship through Food Truck Innovation

1. The Institute pioneered the Certificate Course in Food Truck Operations and further strengthened it in 2024–25 by integrating inclusivity. The student led food Truck Startup Incubated by CIIE at IHTM marked its presence at Rashtrapati Bhavan in Purple Fest in March 2025.
2. A research project on "Empowering the Deaf Community through Inclusive Food Truck Entrepreneurship" was sanctioned (₹3.5 lakhs) and the University also earned a design patent for a Food Truck (Patent No. 448276--001, awarded 20 Feb 2025).
3. This dual achievement—academic innovation plus intellectual property—makes IHTM a frontrunner in creating socially inclusive and entrepreneurial learning models in hospitality education.

Strong Research and Publication Ecosystem

1. Faculty produced high-quality publications and books with reputed publishers (Oxford, Harper, Goodwill, IGNOU, Royal Society of Chemistry, etc.), and contributed book chapters on sustainability, accessibility, digital-age HR, and functional foods.
2. Interdisciplinary collaborations (e.g., bibliometric studies, research on Instagram food vloggers, hospitality workplace environment) have enhanced IHTM's national and international presence.
3. This demonstrates IHTM's culture of evidence-based knowledge creation and dissemination, bridging academics with industry-relevant insights.

13. Future plans for next academic year:

The Institute remains committed to fulfilling the vision and mission of both the Institute and the University. The strategic goals for the coming academic year will focus on students, educators, alumni, stakeholders, and society. Specific initiatives will aim at strengthening industry linkages, enhancing inclusivity, promoting research output, and scaling up International collaborations.

12. Best practices:

Focus on Student Development

The institute has restructured and redesigned its academic programs in alignment with the National Education Policy (NEP) 2020. Emphasis has been placed on enhancing student exposure through industrial visits and guest lectures by industry professionals. Additionally, the institute has initiated several collaborative programs with the Central Career and Placement Cell (CCPC) of the University, significantly contributing to the strengthening of the placement ecosystem.

Emphasis on Research

Faculty members have concentrated their efforts on publishing research in reputable national and international journals. Most of the publications during this period have been indexed in SCOPUS, Web of Science, or the UGC CARE list, reflecting the institute's commitment to high-quality research output.

Efficient Data Management and Timely File Disposal

The institute has implemented an effective system for data preservation and record-keeping in accordance with University guidelines. The administrative staff ensures the timely disposal of files on a daily and weekly basis, maintaining smooth and organized administrative operations.

Effective Functioning of Institutional Committees (DC, DRC, PGBOS, Alumni, CCPC, etc.)

All academic and non-academic matters are first discussed in institutional committee meetings. Meeting minutes are shared with faculty members and preserved for record-keeping. Committees such as DC, DRC, and PGBOS function efficiently with documented decisions. A Training and Placement Coordinator is designated at the institute level to offer career counselling and placement support to students. In addition, two placement coordinators liaise with the University's Central Career Counselling and Placement Cell to ensure seamless coordination of placement-related activities.

Operational Framework of IQAC at Institute Level

An IQAC Coordinator has been appointed to ensure the implementation of directives and guidelines issued by the Central IQAC office of the University. A dedicated committee, led by the Coordinator, oversees the effective functioning and coordination of IQAC activities at the institutional level.

13. Future plans for next academic year:

Immediate Priority:

- The institute has planned to introduce soft skills and life skills courses aimed at fostering the overall personality development of IMSAR students.
- Efforts are underway to organize a greater number of extension lectures, providing students and faculty with enhanced academic and industry exposure.
- Faculty members are being actively encouraged to apply for research projects and grants from prestigious funding agencies such as ICSSR, AICTE, and UGC.
- To strengthen academic resources, the institute is working towards enriching its e-resources and databases by subscribing to reputed national and international platforms such as JSTOR, Prowess IQ, EBSCO, Oxford University Press, and Springer eBooks.

Within a Year:

- The institute aims to encourage faculty members to develop MOOC courses by offering a well-structured platform and relevant training programs at the institutional level.
- A repository of case studies is proposed to be maintained for students to enhance their analytical and practical understanding of real-world business scenarios.
- Greater emphasis will be placed on internships, industrial visits, extension lectures, and training sessions by industry experts to provide students with valuable practical exposure.
- The institute recognizes the need to strengthen the student placement process, with a focus on improving employment opportunities through strategic initiatives and industry collaboration.
- The establishment of SMART classrooms for students enrolled in the BBA (4-year) and MBA (5-year) programs is planned to foster an engaging and technology-enabled learning environment.
- An LCD panel is proposed to be installed for displaying the academic calendar and real-time updates on various institutional academic activities, ensuring better communication and awareness among students and staff.

11. Activities and support from the Parent-Teacher Association:

Since, the Centre is newly established and the parents of the students regularly visit the Centre and several issues are relating to students, studies, and hostel accommodation discuss and issue if any are resolved. A formal meeting of Parent and Teacher shall regularly be held from the current session onwards.

12. Best practices:

(I) **Inclusivity:** The centre runs two sign language programmes and in one programme (DTISL-only deaf student) are there and their basic language is Indian Sign language. Our students are also living in boys and girls hostels. The teachers and students from other department are not familiar with the Sign Language and the centre organises and conducts workshops, rally's etc. for promotion of sign language and through this MDU is becoming an inclusive campus by removing the language barrier and giving equal opportunities and participation, options to the deaf students.

(II) **Focus on Life Skill training:** The students particularly the deaf students because of their language limitation have specific needs for life skills and employability skill training. The centre therefore organizes various programs for development of these skills. Lectures, workshops are arranged regularly. Further, some of our students are working as interns in Dafeteria. These and other activities being organised by the centre are defiantly going to enhance their life as well as employability and entrepreneurship skills.

13. Future plans for next Academic year:

The Centre for Disability Studies (CDS) is consistently making efforts to strengthen its existing programmes and expand its academic and research profile. For the upcoming academic year, the following future plans have been identified:

- **Appointment of Regular Faculty:** At present, the Centre does not have a single regular faculty member. In line with the Rehabilitation Council of India (RCI) requirements, efforts will be made to pursue the case for appointing regular teaching staff to ensure quality education, continuity, and stability in academic programmes.
- **Developing CDS as a Premier Teaching and Research Centre:** One of the foremost goals is to establish CDS as a leading institution in the disability sector at the national level. The focus will be on strengthening teaching, research, and extension activities to make CDS a centre of excellence in disability studies, particularly in the field of sign language and inclusive education.
- **Collaborations and MoUs:**To widen the academic and professional exposure of students, CDS and MDU Rohtak plan to enter into Memorandums of Understanding (MoUs) with leading institutions working in the area of sign language and disability studies, such as the Indian Sign Language Research and Training Centre (ISLRTC), MRAKGPP, and others. These collaborations will enhance opportunities for training, research, faculty development, and student exchange.

11. Activities and support from the Parent-Teachers association if any:

Interaction with parents helped us to know about the background of students. It was veryfruitful for improvement of academic activities and overall development of students.

12. Best practices :

1. **Learning Beyond Classroom – Field Visits and Community Engagement**
   The department has implemented a structured field-based learning model where BPHS students regularly visit university-adopted villages. This ensures practical exposure to real-world public health challenges, strengthens community–university linkages, and enhances experiential learning in epidemiology, nutrition, sanitation, and preventive healthcare.

2. **Large-Scale Public Health Outreach Initiatives (AMPYC Campaign)**
   The successful execution of the *Anaemia Mukt, Poshan Yukt Campus Abhiyaan (AMPYC)*, which screened 3,233 girls and women staff, demonstrates strong operational capability, interdepartmental coordination, and alignment with national health priorities. This initiative reflects effective public health implementation, community service, and student involvement in real-time health screening programs.

3. **Regular Expert Interaction and Guest Lectures** *(Additional Best Practice)*
   The department organizes regular guest lectures by renowned public health experts (e.g., on World TB Day and Health & Nutrition), ensuring academic enrichment, industry exposure, and updated knowledge for students.

13. Future plans for next Academic year:

1. **Expansion to Postgraduate Level (MPH Program)**
   Introduction of a fifth year leading to a Master in Public Health Sciences (MPH) to strengthen academic progression and develop advanced public health professionals.
2. **Introduction of Ph.D. Programme**
   Launch of a Ph.D. program in Interdisciplinary Research with a focus on Public Health Sciences to promote research culture and academic excellence.
3. **Strengthening Infrastructure**
   - Allocation of a separate academic building for UIPHS.
   - Establishment of a modern public health laboratory with advanced diagnostic and epidemiological tools.
   - Development of a dedicated computer lab and library facilities.
4. **Faculty Recruitment**
   Appointment of regular sanctioned faculty positions to ensure academic stability and long-term program sustainability.
5. **Research and Collaboration Development**
   Initiation of funded research projects and collaborations with government health departments, NGOs, and national agencies such as ICMR, NHM, and other public health institutions.

1. Parent–Teacher Meetings (PTMs) are organized every semester to facilitate meaningful interaction and exchange of feedback between faculty and parents.
2. Regular meetings have provided valuable inputs that help in identifying academic challenges and designing appropriate remedial classes for students.
3. Feedback from parents has also contributed to the planning and execution of various co-curricular and mooting activities throughout the year, thereby strengthening student learning outcomes and holistic development.

12. Best practices:

a. **Experiential Learning through Moot Court and Corporate/Court Training**

- More than 500 students from Law and MBA courses undergo over two months of intensive training as part of both mandatory requirements and voluntary participation.
- The training focuses on personal and professional growth through exposure to corporate and court environments.
- Participation in Moot Court Competitions enhances students' legal research, communication, and analytical skills while simultaneously building subject knowledge and confidence.

b. **Community Engagement and Youth Parliament Participation**

- Under the banner of UYRC, students are actively involved in diverse community engagement activities, fostering social responsibility and leadership qualities.
- As convener of the National Youth Parliament Competition, the institution trains over 100 students annually from Law and MBA courses for more than four months.
- A select team of 55 talented and well-prepared students represents the institution at the national level, showcasing their debating, policy analysis, and democratic engagement skills.

13. Future plans for next academic year:

Academic and Infrastructure Development

- Establishing 5 state-of-the-art smart classrooms equipped with modern teaching aids to enhance interactive and blended learning experiences.
- Launching new professional programs in Fine Arts, Artificial Intelligence, and emerging interdisciplinary domains to diversify academic offerings and meet industry demands.

Career Development and Alumni Engagement

- Setting up a dedicated Career Development and Corporate Resource Centre to provide structured career guidance, internship opportunities, and industry mentoring for Law and Management students.

- Formally registering the Alumni Association and organizing regular alumni meets to strengthen alumni–institution linkages, mentorship, and placement support.

Industry and Corporate Collaboration

- Signing MoUs with reputed corporates, law firms, and consultancies for internships, training programs, and academic support to ensure practical exposure and industry readiness.
- Organizing Management Fests, Moot Court Competitions, and National-level events to provide platforms for experiential learning and networking.

Research, Extension, and Global Outlook

- Conducting seminars, conferences, workshops, and panel discussions on contemporary issues in law, management, and public policy.
- Inviting distinguished advocates, judges, academicians, corporate leaders, and public servants as guest faculty to bridge the gap between theory and practice.
- Initiating collaborations with national and international institutions for joint research, student–teacher exchange programs, and knowledge sharing.

Community Engagement and Sustainability

- Promoting environmental conservation and sustainability through awareness drives, green campus initiatives, and student-led eco-projects.
- Expanding community outreach programs under institutional banners to strengthen societal impact and foster civic responsibility among students.
