NOTICE

THREE DAYS TRAINING PROGRAM

(VENUE : CONFERENCE HALL, DEPARTMENT OF STATISTICS)

The Department of Statistics, M.D. University, Rohtak is organizing a Three Days Training Programme during March 12–14, 2026 on the theme “**Statistical Theory & Data Analysis Using Softwares**”. The objective of this programme is to enhance the knowledge and practical skills of the students and research scholars of the Department in the application of statistical theory and modern data analysis techniques using various software tools.

During the programme, experts from academic institutions and universities will deliver lectures and provide practical demonstrations on the use of statistical techniques and software such as **LaTeX, R Programming, SPSS, Python, Tableau and Power BI for Statistical Modelling, Data Analysis and Research Applications**.

The programme will be conducted in the Conference Hall, Department of Statistics, M.D. University, Rohtak, from 10:00 AM to 04:00 PM on all three days. There is no registration fee for participation. Students from other departments of the University may also attend the programme subject to availability of seats.

All the students and research scholars of the department are advised to attend the programme and take advantage of this opportunity to enhance their knowledge and analytical skills.
