Jagpreet Singh Sandhu  
Chandigarh, May 24

CHILDREN ACCOUNTED FOR almost all of the kidnapping and abduction victims in Chandigarh in 2024, with 178 of 181 persons being minors, according to the latest NCRB data.

The data shows that the overwhelming majority of child victims were girls aged 16 to 18 years. Of the 178 child victims in Chandigarh, 138 were girls and 40 were boys, all in the 16-18 age group. No child victim was reported in the below-16, 6-12 or 12-16 age groups.

The data reveals that only three adult victims were reported in Chandigarh in 2024, all male. Of these, one was in the 18-30 age group and two were in the 30-60 age group. No adult woman victim was reported in the kidnapping and abduction category.

Overall, Chandigarh reported 181 cases of kidnapping and abduction in 2024, up from 161 in 2023 and 141 in 2022, showing a steady rise over the last three years. The city's kidnapping and abduction rate stood at 14.5 per lakh population, more than twice the all-India rate of 6.8.

The NCRB data also shows that Chandigarh had 257 persons in the kidnapping and abduction category in 2024 when unrecovered victims from previous years are included. This comprised 100 males and 257 females. Of these, 176 were unrecovered victims from previous years, while 181 persons were kidnapped or abducted
